A Working Grammar of the English Language

Having trouble with English prepositions? This book is the only one you need! Prepositions are difficult because they have feelings rather than meanings. With Master English Prepositions, you can learn the meanings and feelings of over 50 prepositions, and become an advanced speaker of English! With this book you will: Learn the various meanings and feelings of over 50 prepositions! Learn very common idioms that you can use every day! Learn about the differences between similar prepositions and when to use them! Learn about verbs that always use the same Dependent Preposition

English Prepositions What?Where?How?

A quick, painless way for ESL learners to master English pronouns and prepositions This new addition to the Practice Makes Perfect series makes it easier than ever for ESL learners to get the hang of English pronouns and prepositions. In clear, straightforward language, and with the help of numerous everyday examples, language teacher Ed Swick demystifies English pronouns and prepositions, and he provides dozens of skill-building exercises. The numerous exercises include a variety of formats, such as fill-in-the-blank sentences, sentence rewriting, writing original sentences, and more. An indispensable resource for advanced-beginner and intermediate-level ESL learners, this workbook: Details all aspects of English pronoun and preposition usage Clarifies the subtleties of usage that often escape ESL learners Employs practical, high-frequency vocabulary throughout

The narrative English grammar

Barron's ESL Proficiency Series: Prepositions provides comprehensive coverage of this most difficult topic in English grammar. The idiosyncratic nature of prepositions often makes them a barrier to achieving English language proficiency. Jean Yates offers clear explanations with lots of examples and opportunities to practice. Content is organized into simple 15-minute units each of which has its own practice exercises. An answer key is included in the back of the book. The ESL Proficiency Series is a valuable tool for ESL teachers, tutors and learners who want to advance their English language skills for work, school or to prepare for proficiency tests such as TOEFL, IELTS, or TOEIC. It is ideal for independent study.

The Saturday Review of Politics, Literature, Science and Art

In this fun-filled book, playful puns and comical cartoon cats combine to show, not tell, readers what prepositions are all about. Each preposition in the text, like *under*, *over*, *by the clover*, *about*, *throughout*, and *next to Rover*, is highlighted in color for easy identification. This is the newest addition to the Words Are CATagorical series, which has sold more than 450,000 copies.

The Institutes of English Grammar Methodically Arranged

Practice Makes Perfect: English Pronouns and Prepositions

Prepositions, Conjunctions and Interjections

English Prepositions Explained has been written both for non-native and native speakers of English and is intended for: teachers of English; translators; materials writers; advanced students of English; frequent users of English generally. English Prepositions Explained furnishes information about English prepositions that is available in no other book currently in print. EPE both complements and is complemented by The BBI Dictionary of English Word Combinations, which lists common collocations (including prepositional collocations) in a fashion that makes them readily locatable. Like a grammar handbook, EPE describes how prepositions and directional adverbs are used. Its main work, however, consists in providing answers to the following questions: What meanings does each preposition have?; How are a preposition's different meanings related?; Which meaning(s) underlie this or that usage?; Which usages are true idioms and which express systematic meaning?; What are the major semantic families of prepositions?; Where are the boundaries in meaning between the prepositions within each family?; When various prepositions are usable in the same context, what different meaning or nuance does each contribute and why?; What is the role of metaphor in the English system of prepositions?; What is a phrasal verb and to what extent do they reflect systematic meanings? Explanations are liberally supported with iconic/pictorial illustration and examples of usage. It is this explanatory, rather than merely descriptive, approach which makes EPE a unique resource for creative writing. Covering more than seventy, mostly spatial and temporal, prepositions, it presents a picture of remarkable systematicity. Among EPE's twenty-three chapters are: an overview of the grammar and semantics of prepositions (of place, path and time) and of directional adverbs; Nineteen chapters on families of prepositions; a chapter on phrasal verbs; a summary of key abstract notions expressed by prepositions. EPE is fully

indexed and includes a glossary of terms and an annotated bibliography.

English Synonyms and Antonyms, with Notes on the Correct Use of Prepositions

The Philology of the English Tongue

A guide for developing successful speakers, this book proposes a pedagogical approach to the prepositions of the English language. Designed for all levels of students for easy comprehension and quick learning, over 2000 examples of simple and complex (phrasal) prepositions and prepositional idioms help readers understand and create the intended message. By learning how to correctly link words to their specific meanings, students will be able to build fluency and accuracy while working with creativity and autonomy. Organized by function and subject, with over 400 prepositions, including more than 100 illustrations, this book helps students identify and use context cues through a variety of examples of real-world situations. Whether you are in the English classroom or out in the professional world, Prepositions: The Ultimate Book is an indispensable and comprehensive reference tool for all international learners seeking to communicate more effectively and naturally in the English language.

There is a special Quick-Find Menu at the beginning and at the end of the book that allows students to quickly find areas of interest. Explanations are clear and easy to understand and there are many examples to help the student understand this subject. This book is for all English learners who want to improve their fluency in English: ESL and ESOL students, IELTS students, TOEIC and TOEFL students, Cambridge students, GED students and anyone wanting to improve their English proficiency by knowing how to use English prepositions correctly in every sentence.

Prepositions by Example – The Quickest Way to Learn and Practice English Prepositions

The present book covers various aspects of prepositional syntax between c. 900-1400, including case relations and the range of prepositional complements; it also examines word order, both within the PP and at clause level, and it explores changes in clausal word order. Furthermore, it provides a detailed semantic analysis of the three prepositions at, in and on in selected Old and Middle English texts, which shows to what extent the relative distribution of these prepositions changed during that period and how they gradually acquired new, extended senses. The front cover illustration renders the 895 entry of the Anglo-Saxon Chronicle, Parker Ms., and has been reproduced with the permission of the Master and Fellows of Corpus Christi College, Cambridge.
