Check Your English Vocabulary for Human Resources

I believe in keeping things simple whenever possible, so I'm going to keep this introduction short, so you can focus on the important things. This master plan is simple. Follow it, and you will increase your speaking band score. In this book, you have the tools you need to increase your speaking score to 8.5 by improving your vocabulary, grammar and coherence. I have not included pronunciation guides in the book, as I know that pronunciation comes from hearing English, absorbing the sounds and then practising them. No book can provide this for you unfortunately, and any books that promise to do this are not telling you the truth. The IELTS speaking test is exactly the same for both IELTS Academic and for IELTS general. It lasts for 11 to 14 minutes and consists of three parts. Part one of the IELTS speaking test is basically an introduction for you as the candidate and for the examiner. It gives you both an opportunity to get comfortable and gives the examiner an initial general idea of your level of English. There's no need to feel nervous here. I know that it's very difficult not to feel a little bit nervous but try to think of this as a friendly informal chat with a friend or an acquaintance. The examiner wants you to succeed in the IELTS test, and if you can show your personality and feel relaxed enough to show the examiner your level of English you will succeed.

IELTS Up TASK 2 Writing

Introducing IELTS Writing Task 2 - Expert Preparation. This book focusses on one of the most important and difficult tasks for many IELTS test-takers worldwide. The approach of this book is unique. It introduces essay writing frameworks based on 13-14 sentences, which when followed, enable students to write an essay which is cohesive, complex and most importantly addresses the IELTS examination criteria. In particular, the included frameworks help students develop the skills necessary to identify specific question types, conceptualise topic sentences and supporting statements and to formulate more complex contrast sentences within paragraphs. Few textbooks on the market provide such clear and concise frameworks for constructing essays specifically geared to IELTS. In terms of content, IELTS Writing Task 2 -

Expert Preparation is as much about planning as it is about writing a response. Focussing on the different question types used in the IELTS test, this book outlines the essay planning process for each before featuring entire essays broken down using the outlined frameworks. For each question type, the text includes essays indicative of Band 9 responses (the highest possible score). These are excellent model texts, particularly since they make use of the ten unique 'grammar points' presented in the final pages of the book. Overall, being both concise and practical, IELTS Writing Task 2 - Expert Preparation is an excellent resource for classroom-based IELTS courses or students' self-study. By taking a fresh and detailed approach, this book demystifies essay writing, allowing both students and educators alike to very quickly understand what is involved in achieving more improved IELTS Task 2 writing scores.

In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls "grit." "Inspiration for non-geniuses everywhere" (People). The daughter of a scientist who frequently noted her lack of "genius," Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In *Grit*, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she's learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to

Seattle Seahawks Coach Pete Carroll. “Duckworth’s ideas about the cultivation of tenacity have clearly changed some lives for the better” (The New York Times Book Review). Among Grit’s most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, Grit is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is “a fascinating tour of the psychological research on success” (The Wall Street Journal).

IELTS Advantage

I was an IELTS examiner and I wrote this book with the current IELTS Task 2 topics for 2020. The goal of this book is to improve writing skills and give ideas for people who wish to receive a score of 6.0-7.0 or higher for Task 2 of IELTS Academic and General exam. This book strives to reach your desired score by giving you the ideas and vocabulary for current topics. I have many years of experience successfully developing learners for the IELTS exam and many more years as a writing examiner. The layout of this book has been used with countless students with great success. This book can be used in the classroom with a teacher or as a self-study manual. Description of Writing Task 2 Task 2 is similar to putting a jigsaw puzzle together. The exam question gives a tiny picture of what you must make. The puzzle pieces are in your mind somewhere, but you only have 40 minutes to find them and put them together. If you have ever built a jigsaw puzzle, you know how essential the corner and edge pieces are. This innovative book, unlike any other, gives you the corner and edge pieces (ideas) that match with all current exam questions. No other book does this! Having good ideas for topics is necessary to achieve 7 or higher on your IELTS writing. This book will: *Give 5 to 10 minutes more to do Task 2. *Give more ideas to write more. *Give you great ideas to make your Task 2 look better. *Give you more vocabulary and grammar. Challenges to overcome for Writing Task 2 This book dramatically helps candidates with the two most notable complaints about IELTS Writing. Candidate complaint #1 - "I do not have enough time to write Task 2 well." Solution - This book provides ALL type 2 questions and ideas so you can save time preparing before you start writing. Candidate complaint #2 - "the topic is strange or not well known to me, so it is hard to write a good essay." Solution - By looking at all the question, especially the topics less familiar, you can quickly plan a convincing essay to receive a score of 7 to 8 comfortably. Candidate complaint #3 - It is not easy to use different words to talk about the same topic. Solution - Each topic in this book has synonyms and idioms to improve your vocabulary score. This book has all the connecting words and referencing advice you need to receive a 7 to 8. Connecting words like however and there, and knowing how to refer back to previous ideas is necessary for 7 and higher. Vocabulary - Many books give you lists of words and synonyms. However, then you lose points on your writing test because you have misused words or have the wrong collocation. By looking at how this book uses different words to describe ideas in context, you will have a much better idea

when you write your exam. This book guarantees to have all you need to receive 7 or higher for 3 of the 4 categories: Task Achievement, Coherence + Cohesion, and Lexical Resource (vocabulary). Note for teachers You can format this book from epub to a Word document. There are 47 lessons which can begin with the 'vocabulary questions' included for each topic. These questions will help learners to activate schemata and personalize lexis to improve writing and speaking. For self-study students You can study alone, but more progress will be made if you have a partner or group. You can use the vocabulary questions to improve your understanding of more academic words/collocations that will help you with speaking, listening and reading. The book is not meant to be memorised but rather to give you ideas for you to add your examples. You cannot memorise an essay. You can have more ideas and vocabulary about many different topics so that when it comes time to write, you can do so much more confidently. Each essay style is provided with many examples, vocabulary and vocabulary questions to help you improve your vocabulary
