Medicine and Health Care in Early Christianity: Ferngren

There is no universal healthcare. The U.S. government does not provide health benefits to citizens or visitors. Any time you get medical care, someone has to pay for it. Healthcare is very expensive. According to a U.S. government website, if you break your leg, you could end up with a bill for \$7,500. If you need to stay in the hospital for three days, it would probably cost about \$30,000.
