Meditations

'Their icy blasts are refreshing and restorative. They tell you the worst. And having heard the worst, you feel less bad'
Blake Morrison
Written in Greek by the only Roman emperor who was also a philosopher, without any intention of publication, the Meditations of Marcus Aurelius offer a remarkable series of challenging spiritual reflections and exercises developed as the

emperor struggled to understand himself and make sense of the universe. While the Meditations were composed to provide personal consolation and encouragement, Marcus Aurelius also created one of the greatest of all works of philosophy: a timeless collection that has been consulted and admired by statesmen, thinkers and readers throughout the centuries. Translated with notes by MARTIN HAMMOND with an Introduction by DISKIN CLAY

Descartes: Meditations on First Philosophy

Meditations from st. Chrysostom on the study of the word of God, literally tr. by R. King

Third Eye Meditations

Brief meditations on the Collects

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been

proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Meditations

The meditations of Marcus Aurelius Antoninus, a new tr., with notes, by R. Graves

Breathings of the devout soul, and Meditations and vows

A Manual of Divine Meditations, Tending to Restore the So Much Neglected, Tho'indispensably Neccessary Christian Practice. Suited Especially to the Meaner Capacities, and the Less Experienced in Real Religion. To Each is Subjoin'd a Short Prayer, Psalm, and Hymn

Stirring reflections on the human condition from a warrior and emperor provide a fascinating glimpse into the mind and personality of a highly principled Roman of the 2nd century. Recognizing that suffering is at the core of life, he counsels stoic detachment in the face of inevitable pain, loss and death.

Notes on the Roman philosopher's life and the relations
between Stoicism and Christianity preface a modern
translation of the journal

Simple meditations for young persons, arranged
according to the Church's seasons, ed. by W.
Hook

M?ric Casaubon's famous 1634 translation of
Meditations was the first English version of the Stoic

masterwork to be reprinted many times because of its widespread popularity. The Shakespearean language has been called difficult by modern standards but the poetic Elizabethan prose greatly enhances this deeply spiritual work. Aurelius is no less eloquent or articulate than in later versions and the power of his thoughts and ideas are beautifully conveyed.

Meditations on First Philosophy

Meditations

Written by one of the 20th century's bestselling spiritual writers, this collection of short, inspirational readings explores the art of meditation.

Hymns and Meditations. Third edition, with additions

The "Meditations" of Roman Emperor Marcus Aurelius are a readable exposition of the system of metaphysics known as stoicism. Stoics maintained that by putting aside great passions, unjust thoughts and indulgence, man could acquire virtue and live at one with nature.

Meditations and considerations for a Retreat of one day in each month. Compiled from the writings of the Fathers of the Society of Jesus, by a Religious

One of the world's most famous and influential books,

Meditations, by the Roman emperor Marcus Aurelius (A.D. 121-180), incorporates the stoic precepts he used to cope with his life as a warrior and administrator of an empire. Ascending to the imperial throne in A.D. 161, Aurelius found his reign beset by natural disasters and war. In the wake of these challenges, he set down a series of private reflections, outlining a philosophy of commitment to virtue above pleasure and tranquility above happiness.

Meditations for the month of May

Short meditations for every day in the year [by A.D. Hook] ed. by W.F. Hook

An Ex-prelate's Meditations

Open the doorway to infinite consciousness through meditation, visualization, and affirmation. "Shumsky has been there. That's what makes her a great teacher." -Larry Dossey, bestselling author of Healing Words

Meditation has become more popular than ever. Though millions practice it, many are not getting the relaxing, healing, spiritually uplifting experiences or positive effects they desire. Third Eye Meditations is different. It offers effortless, joyful ways to enjoy profoundly uplifting results without previous training, skill, talent, or practice. What is "guided meditation"? It's a way to be led step by step, moment by moment, through the process. Just reading the words will take you into deep meditation and awaken higher aspects of your being.

Third Eye Meditations can help you: Open your third eye and supersensory perception. Discover who you really are and fulfill your true purpose. Experience higher states of consciousness. Enjoy deep relaxation and contentment. Improve your relationships, health, and success. Bring greater planetary balance and world peace. The third eye is the eye of illumination. Practicing the meditations in this book can fill your body, mind, and spirit with light, love, and wisdom. You can ask for and receive divine inspiration, healing, creative ideas, clear intuition, and inner guidance - at will - and you can develop your spiritual self.

Marcus Aurelius Antoninus to Himself

Meditations

First published in 1991 and based on the transcripts of four of Shakti Gawain's audiocassettes, this new edition includes all the original meditations as well as those from more recent works that focus on intuition and prosperity. These meditations can be used to help readers and practitioners tap into creativity; discover their inner child; connect with their inner guide; explore the male and female within; and much more. This new edition is nearly twice as long as the previous one, with twice as many meditations; it also includes a new introduction by the author.

Meditations of a Parish Priest

The Meditations of Marcus Aurelius

Meditations and Prayers for Every Situation and Occasion in Life

'It is some years now since I realized how many false opinions I had accepted as true from childhood onwards I saw that at some stage in my life the whole structure would have to be utterly demolished' In Descartes's *Meditations*, one of the key texts of Western philosophy, the thinker rejects all his former beliefs in the quest for new certainties. Discovering his own existence as a thinking entity in the very exercise of doubt, he goes on to prove the existence of God, who guarantees his clear and distinct ideas as a means of access to the truth. He develops new conceptions of body and mind, capable of serving as foundations for the new science of nature. Subsequent philosophy has grappled with Descartes's legacy, questioning many of its conclusions and even his basic approach, but his arguments set the agenda for many of the greatest philosophical thinkers, and their fascination endures. This new translation includes the Third and Fourth Objections and Replies in full, and a selection from the rest of these exchanges with Descartes's contemporaries that helped to expound his philosophy.

ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by
