Gripping True Story of War and Romance, Hope and Miracles When the odds are impossible, love goes to work. In this thrilling true-life story, readers follow the path of friendship that grows into a romance that spans continents and survives devastating hardship. Craig Keener, a respected white scholar, was cautious after a broken relationship. Méline, a well-educated African woman, met Craig through a campus ministry and the two became friends. Long after they parted for their respective worlds, Craig realized his love for her and began the arduous--and often supernatural--journey to be reunited. Méline faced terror and disease as a refugee in the war-torn Congo; Craig did not know most days if she was alive or dead. Their tender story of love beating the odds inspires readers to believe that God's own great love for each of us will always overcome.

What principles enabled the concerned mom of two junior high school students to move from deciding she needed to pray for her kids at school to becoming the founder of a worldwide prayer movement called Moms In Touch International? Fern Nichols is a passionate believer in the power of prayer. She knows that a regular habit of prayer can change things--can bring home wayward children, heal broken marriages, and provide answers to desperate situations. Prayer can also bring a new kind of peace and contentment no matter what hardships or disappointments we face. But most important, Fern knows that through prayer we can experience, firsthand, an ever-increasing intimacy with God. In Every Child Needs a Praying Mom, Fern Nichols now shares how she has taught women to pray in a way that changes their lives and the lives of those they love. She teaches the principles and practices that will not only revolutionize the way people think about prayer, but the way they do pray, leading them into a deeper intimacy with Jesus, who is always interceding on our behalf. Sparkling with real life stories of God at work in the lives of praying moms, Fern introduces us to the four prayers that are the foundation of the Moms In Touch approach to prayer: Praise--Praying according to the attributes of God; Confession--Breaking strongholds; Thanksgiving--Expressing a grateful heart; Intercession--Standing in the gap with Jesus. What transforms these well-known elements of prayer into such a powerful force in Moms In Touch International? Fern Nichols

introduces a way of praying that energizes, creates an appetite for intimacy with God, overcomes spiritual paralysis, eliminates fear, unveils the heart and character of God and transforms the pray-er's life and perspective. She teaches how to pray effectively with others, how to prepare for the spiritual battles that swirl when prayer is on the move, how to persist in prayer in the face of hopelessness and despair, and how to use Scripture for effective prayer. Changing Your World through Prayer will do just that. God hears. God acts. God moves. God works.
