Jamming the Machinery

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

The Tale of Despereaux

Does your Girl is a Queen-Princess for you?Are you looking for a Special way to Show your Girl some love?A beautifully designed notebook, perfect for the modern you. * Princess Theme Pattern - Beautiful Design.Great for note-taking/Composition/Writing/Planning/Diary/write to do lists, take study notes, create poetry, write a book

Fairy tales shape how we see the world, so what happens when you identify more with the Beast than Beauty? If every disabled character is mocked and mistreated, how does the Beast ever imagine a happily-ever-after? Amanda Leduc looks at fairy tales from the Brothers Grimm to Disney, showing us how they influence our expectations and behaviour and linking the quest for disability rights to new kinds of stories that celebrate difference. "Leduc persuasively illustrates the power of stories to affect reality in this painstakingly researched and provocative study that invites us to consider our favorite folktales from another angle." —Sara Shreve, Library Journal

Writers for Children

Graph Paper Composition Notebook, Journal, Diary - 110 Pages
Makes a wonderful daily graph/grid notebook to draw, write, journal, take notes, make lists, and much more creativity!
This is a simple and durable all-purpose daily graph/grid notebook. Wonderful as a gift, present, or personal notebook!
About this notebook:
108 graph ruled pages
Grid ruled on both sides with thin gray lines
Perfect for architects, artists, and any drawing activities
High-quality matte cover for a professional finish
Perfect size at 8.5 x 11 in / 21.59 x 27.94 cm -- Larger than most

Folded Book Art Made Easy

It is not the destination, but the journey. Inspired by this timeless adage, *You Are a Beautiful Beginning* combines lyrical storytelling and lovely art, blossoming into a celebration of self-love, friendship, and community. With beautiful simplicity and hidden depth, this meditative and magical picture book encourages readers old and young to discover their own endless potential. Kelsey Garrity-Riley's inviting, gently magical art pairs beautifully with a lyrical, deceptively simple text by Nina Laden to create a picture book that is equal parts inspirational story and peaceful lullaby. It is not wishing to be different. It is learning to love being you. It is not the end of your story. It is a beautiful beginning, too. This is another uplifting and original book from bestseller Nina Laden, the creator of *Peek-A-Who* and the author of *If I Had a Little Dream* and *Yellow Kayak*.

Sew Many Dresses, Sew Little Time

This collection of criticism is on four of the most-studied plays of J.M. Synge. Along with W.B. Yeats and Lady Gregory he created the Irish literary movement and the Abbey theatre. The playwright is acknowledged to be in the forefront of modernist literature. Major critics include William Empson to Hugh Kenner and writers from George Moore to Frank O'Connor.

Beauty Tips Journal

This new collection of journals reproduces with astonishing fidelity a series of striking French fabric designs. Providing a glimpse into the creative process, each cover is inspired by the original artwork of a new fabric design. Dating from the 1860s, these master patterns were hand-painted prior to machine production. Drawing inspiration from the natural world, the designs feature an abundance of flowers, luscious plume-like foliage and twining tendrils.

Black Women in America: H-Q

"John Carter and the Giant of Mars," is a juvenile story penned by Burrough's son John "Jack" Coleman Burroughs, and claimed to have been revised by Burroughs. It was written for a Whitman Big Little Book, illustrated by Jack Burroughs that was published in 1940 and then republished in Amazing Stories the next year.

John Carter and the Giant of Mars

You Are a Beautiful Beginning

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely

Sociological Abstracts

The Georgics has for many years been a source of fierce controversy among scholars of Latin literature. Is the work optimistic or pessimistic, pro- or anti-Augustan? Should we read it as a eulogy or a bitter critique of Rome and her imperial ambitions? This book suggests that the ambiguity of the poem is the product of a complex and thorough-going engagement with earlier writers in the didactic tradition: Hesiod, Aratus and - above all - Lucretius. Drawing on both traditional, philological approaches to allusion, and modern theories of intertextuality, it shows how the world-views of the earlier poets are subjected to scrutiny and brought into conflict with each other. Detailed consideration of verbal parallels and of Lucretian themes, imagery and structural patterns in the Georgics forms the basis for a reading of Virgil's poem as an extended meditation on the relations between the individual and society, the gods and the natural environment.

Cross Stitch Graph Paper Notebook

Tanya Whelan believes that dressmaking is easier than most people realize but that most sewing books are more complicated than they need to be. With her "choose-your-own-adventure" approach to sewing, Tanya offers an invaluable collection of patterns that empowers sewers to become designers. The trick is a set of patterns for 6 skirts and 8 bodices that line up perfectly at the waist, plus an additional 4 sleeve styles and 4 necklines. Tanya Whelan gives readers clear instructions and easy-to-follow step-by-step diagrams that allow them to use the enclosed pattern pieces to create up to 219 fitted dresses, including simple strapless designs, sheaths, and halter gowns. The book covers basic dress construction and altering techniques for women of all shapes and sizes.

Virgil on the Nature of Things

A brave mouse, a covetous rat, a wishful serving girl, and a princess named Pea come together in Kate DiCamillo's Newbery Medal-winning tale. Welcome to the story of Despereaux Tilling, a mouse who is in love with music, stories, and a princess named Pea. It is also the story of a rat called Roscuro, who lives in the darkness and covets a world filled with light. And it is the story of Miggery Sow, a slow-witted serving girl who harbors a simple, impossible wish. These three characters are about to embark on a journey that will lead them down into a horrible dungeon, up into a glittering castle, and, ultimately, into each other's lives. What happens then? As Kate DiCamillo would say: Reader, it is your destiny to find out. With black-and-white illustrations and a refreshed cover by Timothy Basil Ering.

The Software Encyclopedia

In This Beautiful Book, Steve Green - founder of The Museum of the Bible - highlights life-changing themes woven through the mosaic of the Bible's various stories, reveals a new way to engage Scripture as a whole, and inspires deep appreciation for the Bible's connection to your life. The most popular and culture-shaping text in the world, the Bible is still the least understood book of all time. The Bible's collection of history, poetry, genealogy lists, and mystifying prophecies often prove puzzling to readers. And when this text is read in pieces, we're left with only a half-impression of the vibrant mosaic. This Beautiful Book highlights the thematic threads woven throughout the ancient writings and shows us a new way to engage with Scripture as a whole. Through insights gained from firsthand experiences in leading and developing the first world class Bible museum, Green invites readers to step back from the individual stories of the Bible and consider the Bible as a whole. He reveals the completeness, connection, and transformative power of Scripture. Along with stunning retellings of biblical stories, Green helps readers see the story within the story, and draws the careful connections that help us appreciate the richness of the Bible story as a single story. Each page will spark or embolden your faith in a God who speaks to us across the centuries. A truly captivating experience, this book will instill in you a deep appreciation for Scripture and its profound connection to your own life story.
