Life in the United Kingdom

Chris Anderson is the curator of phenomenally successful TED talks - over one billion views and counting. He is passionate about the importance of public speaking, something he describes as a crucial life skill and which we should be teaching in school, and of the amazing power of direct human-to-human communication, recorded on video, in the internet age. It is now possible to share ideas with millions around the world (as evidenced by the success of TED itself, whose most popular talk has been viewed 31 million times). In his first book, *Talk This Way*, he shares his passion for public speaking and offers a master-class in how to do it - not just how to give a great TED talk, but how to stand up and speak persuasively in front of any size of audience, whether that is a school classroom, making a video blog, in a business meeting or at a conference. The book brings together his experience of over two decades as the curator of TED, in which time

delivery approaches, PMI is offering A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Sixth Edition as a bundle with its latest, the Agile Practice Guide. The PMBOK® Guide – Sixth Edition now contains detailed information about agile; while the Agile Practice Guide, created in partnership with Agile Alliance®, serves as a bridge to connect waterfall and agile. Together they are a powerful tool for project managers. The PMBOK® Guide – Sixth Edition – PMI's flagship publication has been updated to reflect the latest good practices in project management. New to the Sixth Edition, each knowledge area will contain a section entitled Approaches for Agile, Iterative and Adaptive Environments, describing how these practices integrate in project settings. It will also contain more emphasis on strategic and business knowledge—including discussion of project management business documents—and information on the PMI Talent Triangle™ and the essential skills for success in today's market. Agile Practice Guide has been developed as a resource to understand, evaluate, and use agile and hybrid agile approaches. This practice guide provides guidance on when, where, and how to apply agile approaches and provides practical tools for practitioners and organizations wanting to increase agility. This practice guide is aligned with other PMI standards, including A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Sixth Edition, and

The 1964-1965 New York World's Fair

Advertised as the "Billion-Dollar Fair," the 1964-1965 New York World's Fair transformed a sleepy park in the borough of Queens into a fantasy world enjoyed by more than 51 million visitors from around the world. While many countries and states exhibited at the fair, the most memorable pavilions were built by the giants of American industry. Their exhibits took guests backward and forward in time, all the while extolling how marvelous everyday life would be through the use of their products. Many of the techniques used in these shows set the standard for future fairs and theme parks, and the pavilions that

Second Life

Second Life: The Official Guide is the perfect book for anyone interested in Linden Lab's fascinating Second Life metaverse. This book explores in detail every aspect of Second Life's rich and multilayered virtual world, explains how it works, and offers a wealth of information and practical advice for all Second Life residents. The first part of the book, "Getting a Second Life," acquaints potential and new players with the Second Life world. It describes the metaverse's geography as well as its society, explaining the written and unwritten rules. The second part, "Living a Second Life," deals with the practical and economic aspects of Second Life: creating and customizing an avatar, building objects, scripting, and making money. The third part of the book, "Success in Second Life," discusses ways to enjoy Second Life more. This section includes profiles of successful Second Life residents, discusses fascinating in-world events, and
