Official TOEFL iBT Tests with Audio

If you feel overwhelmed by the complexity of TOEFL, Collins Skills for the TOEFL iBT Test can help. This book helps you handle the

integrated aspect of the tasks in the test, and give you tips and strategies for the different question types you will face. Collins Skills for the TOEFL iBT Test is a two book series (1 Listening/Speaking; 2 Reading/Writing) to help learners prepare for the "Test of English as a Foreign Language", used by over 7,500 institutions in 130 countries as a measure of language ability. To date, 25 million learners have taken the test around the world. In particular these books are aimed at helping learners handle the integrated-skill aspect of the test, where they are required to produce responses based on mixed input. The books help learners to familiarise with the TOEFL test. Learners focus on improving their skills and test-taking times for specific sections of the test, and look at solutions for how to overcome the most common challenges of the test. The books provide clear strategies and tips to help learners improve their score. Summary Quick Guide: question overviews give learners an easy reference to the characteristics of each question type Challenges and Solutions: these sections offer strategy and skills reviews to help learners learn how to overcome the most common challenges. Get it right: gives a quick overview of the most important steps for doing well on each question type and includes useful vocabulary and expressions Answer Analysis: teaches learners how to rule out distracter answer options Progressive Practice: encourages independent learning by offering a graded progression of content and task sets Review Test sections: offer timed TOEFL test-taking guides and help learners practice what they've learned in a simulated environment Audio CD: enables effective TOEFL practice Highly experienced author team, who have written TOEFL materials before and worked as teachers preparing learners for the test.

The enclosed MP3 CD offers extra practice for the Listening, Speaking, and Integrated Writing sections.

Barron's Practice Exercises for the TOEFL

Barron's TOEFL IBT with CD-ROM and MP3 Audio CD, 15th Edition

The updated edition of the book that has changed millions of lives with its insights into the growth mindset. After decades of research, world-renowned Stanford University psychologist Carol S. Dweck, Ph.D., discovered a simple but groundbreaking idea: the power of mindset. In this brilliant book, she shows how success in school, work, sports, the arts, and almost every area of human endeavor can be dramatically influenced by how we think about our talents and abilities. People with a fixed mindset—those who believe that abilities are fixed—are less likely to flourish than those with a growth mindset—those who believe that abilities can be developed. *Mindset* reveals how great parents, teachers, managers, and athletes can put this idea to use to foster outstanding accomplishment. In this edition, Dweck offers new insights into her now famous and broadly embraced concept. She introduces a phenomenon she calls false growth mindset and guides people toward adopting a deeper, truer growth mindset. She also expands the mindset concept beyond the individual, applying it to the cultures of groups and organizations. With the right mindset, you can motivate those you lead, teach, and love—to transform their lives and your own.

Praise for *Mindset* “ A good book is one whose advice you believe. A great book is one whose advice you follow. This is a book that can change your life, as its ideas have changed mine. ” —Robert J. Sternberg, co-author of *Teaching for Wisdom, Intelligence, Creativity, and Success* “ An essential read for parents, teachers [and] coaches . . . as well as for those who would like to increase their own feelings of success and fulfillment. ” —*Library Journal* (starred review)

“ Everyone should read this book. ” —Chip Heath and Dan

Heath, authors of *Made to Stick* “ One of the most influential books ever about motivation. ” —Po Bronson, author of *NurtureShock* “ If you manage people or are a parent (which is a form of managing people), drop everything and read *Mindset*. ” —Guy Kawasaki, author of *The Art of the Start 2.0*

Official TOEFL IBT Tests

TOEFL iBT Preparation Book: Test Prep for Reading, Listening, Speaking, & Writing on the Test of English as a Foreign Language

Developed for test takers trying to achieve a passing score on the TOEFL test, this comprehensive study guide includes:

- Quick Overview
- Test-Taking Strategies
- Introduction to the TOEFL iBT
- Reading
- Listening
- Speaking
- Writing
- Practice Questions
- Detailed Answer Explanations

Each section of the test has a comprehensive review that goes into detail to cover all of the content likely to appear on the TOEFL test. The practice test questions are each followed by detailed answer explanations. If you miss a question, it's important that you are able to understand the nature of your mistake and how to avoid making it again in the future. The answer explanations will help you to learn from your mistakes and overcome them. Understanding the latest test-taking strategies is essential to preparing you for what you will expect on the exam. A test taker has to not only understand the material that is being covered on the test, but also must be familiar with the strategies that are necessary to properly utilize the time provided and get through the test without making any avoidable errors. Anyone planning to take the TOEFL test should take advantage of the review material, practice test questions, and test-taking strategies contained in this study guide.

Official TOEFL IBT Tests with Audio

Automated Speaking Assessment: Using Language Technologies to Score Spontaneous Speech provides a thorough overview of state-of-the-art automated speech scoring technology as it is currently used at Educational Testing Service (ETS). Its main focus is related to the automated scoring of spontaneous speech elicited by TOEFL iBT Speaking section items, but other applications of speech scoring, such as for more predictable spoken responses or responses provided in a dialogic setting, are also discussed. The book begins with an in-depth overview of the nascent field of automated speech scoring—its history, applications, and challenges—followed by a discussion of psychometric considerations for automated speech scoring. The second and third parts discuss the integral main components of an automated speech scoring system as well as the different types of automatically generated measures extracted by the system features related to evaluate the speaking construct of communicative competence as measured defined by the TOEFL iBT Speaking assessment. Finally, the last part of the book touches on more recent developments, such as providing more detailed feedback on test takers' spoken responses using speech features and scoring of dialogic speech. It concludes with a discussion, summary, and outlook on future developments in this area. Written with minimal technical details for the benefit of non-experts, this book is an ideal resource for graduate students in courses on Language Testing and Assessment as well as teachers and researchers in applied linguistics.

McGraw-Hill Education Preparation for the GED Test, Third Edition

Helps learners acquire the skills they need to succeed on the Test of English as a Foreign Language.

McGraw-Hill Education TOEFL iBT with 3 Practice Tests and DVD-ROM

The Test of English as a Foreign Language™ (TOEFL®) is used by more universities worldwide than any other test to assess English language proficiency for academic admission and placement decisions, and to guide English language instruction. This landmark volume provides a detailed description and analysis of Educational Testing Service's research and development efforts to develop a major revision of the TOEFL® test. The result is a book that serves as a case study of test design drawing upon theory in the complex domain of English language proficiency while attempting to meet standards of educational measurement. Building a Validity Argument for the Test of English as a Foreign Language™ is

distinctive in its attempt to develop a coherent story of the rationale for a test or its revision, explain the research and development process, and provide the results of the validation process. Through its treatment of one test, it expands on and tests principles and approaches to educational measurement, providing an in-depth, integrated perspective on the overall process of test revision. Moreover, because the conceptual foundation and history are presented alongside the empirical studies and validity argument, these sometimes disparate areas are presented in a way that demonstrates their connections – an approach which represents a departure from, or extension of, conventional materials on test revision. This volume is particularly relevant for professionals and graduate students in educational measurement, applied linguistics, and second language acquisition as well as anyone interested in assessment issues.

TOEFL iBT

The Cambridge Preparation for the TOEFL Test, Fourth Edition, helps students master the language skills they need to succeed on the TOEFL iBT and communicate effectively in an academic setting. The complete package for self-study includes the student book with hundreds of skill-building exercises, the full audio program on audio CDs for use with the exercises and practice tests in the book, and the CD-ROM with seven practice tests.
