### Tactics for TOEIC® Listening and Reading Test: Practice Test 2

This textbook offers thorough and comprehensive analysis of each aspect of the TOEIC(r) Test, as well as the opportunity for extended practice. All types of listening scripts and reading texts are clearly presented in individual units with examples and discussion of the mechanics of each question type. Each unit is followed by practice questions. Once familiarization is complete, students can use what they have learned in eight complete practice tests that accurately reflect the format and difficulty level of the examination. At the end of each test, students can evaluate their performance and understand their mistakes by consulting the explanatory key. Quick identification of weaknesses is achieved through a specially designed Diagnostic Test; the study focus guide that accompanies it refers students to the sections where the question types they had difficulty with are discussed and practiced. Suitable for classroom use or self-study, Prepare and Practice for the TOEIC(r) Test can be used as a quick reference practice book, or as a complete course. Its versatility and thoroughness make it an indispensable aid to prospective TOEIC(r) test takers.
