Little Monsters

With "a touch of genius," this round-robin mystery follow-up to *The Floating Admiral* features famous detectives including Lord Peter Wimsey (*The Times Literary Supplement*). Following the success of *The Floating Admiral*, in which certain members of the Detection Club—including Agatha Christie, Dorothy L. Sayers, and G. K. Chesterton—collaborated on a whodunit, six writers pooled their talents to create another coauthored mystery. This time the premise had an added twist: authors would swap their detective characters, allowing for some extremely entertaining parodies of one another's sleuths. When a ruthless British newspaper tycoon is shot dead in his home, the high-level suspects include the assistant commissioner of Scotland Yard, casting doubt on the impartiality of a formal police investigation. As a solution, the home secretary brings in four brilliant detectives to

solve the murder: Mrs. Bradley, Sir John Saumarez, Lord Peter Wimsey, and Roger Sheringham. Featuring a preface by inaugural Detection Club member Agatha Christie, this playful tour de force gathers together half a dozen Golden Age Mystery masters: John Rhode, Helen Simpson, Gladys Mitchell, Anthony Berkeley, Dorothy L. Sayers, and Milward Kennedy.

Now Ellery has to move there to live with a grandmother she barely knows. The town is picture-perfect, but it's hiding secrets. And before school even begins for Ellery, someone has declared open season on homecoming, promising to make it as dangerous as it was five years ago. Then, almost as if to prove it, another girl goes missing. Ellery knows all about secrets. Her mother has them; her grandmother does too. And the longer she's in Echo Ridge, the clearer it becomes that everyone there is hiding something. The thing is, secrets are dangerous--and most people aren't good at keeping them. Living Lightly

Caleb Roehrig, author of *Last Seen Leaving*, delivers another spellbinding YA murder mystery in *White Rabbit*. Rufus Holt is having the worst night of his life. It begins with the reappearance of his ex-boyfriend, Sebastian—the guy who stomped his heart out like a spent cigarette. Just as Rufus is getting ready to move on, Sebastian turns up out of the blue, saying they need to "talk." Things couldn't get worse, right? Then Rufus gets a call from his sister April, begging for help. He and Sebastian find her, drenched in blood and holding a knife beside the dead body of her boyfriend, Fox Whitney. April swears she didn't kill Fox. Rufus knows her too well to believe she's telling him the whole truth, but April has something he needs. Her price is his help. Now, with no one to trust but the boy he wants to hate yet can't stop loving, Rufus has one night to clear his sister's name . . . or die trying.
