More Than a Bucket List

Everyone has a daunting "bucket list" of things to complete before they die. The problem? We spend too much time creating lists of what we want to achieve instead of just doing it. The Big Bucket List Book will transform the way you look at the world and the power you have to achieve your dreams. In this charming and practical collection, Gin Sander offers over 130 fresh ideas for infusing your life with a bit of glamor, adventure, and style for every budget and adventure level, including:

- Staying in a castle to channel your inner romantic (did we mention you could do it for free?)
- Joining a bike race in Tuscany or giving back with a humanitarian mission in Africa
- Taking a songwriting class as the next Joni Mitchell or Jack White
- Eating pie (need we say more?)

It's time to stop listing, and start living! With this book in hand, you can make your next chapter the most enriching and personally fulfilling of them all and maybe change the world while you're at it.
