Roadtripping USA

This revised guide to a fast-growing water sport is for both novices and experienced kayakers. Whether you want to fish or just watch wildlife, sea kayaking offers new ways to enjoy Florida's hidden bays and open oceans. You'll find the latest information for a kayaking adventure: boats, camping, clothing, and gear, as well as an expanded list of boat liveries and outfitters. Learn about the birds, wildlife, and coastal vegetation you can expect to see as you paddle Florida's coasts. In this new edition you'll find new maps and campsite guides to the Big Bend Sea Grasses Saltwater Paddling Trail, as well as an expanded trail itinerary allowing you to see even more of Florida's "nature coast." There are also additional tips, maps, and campsite locations for paddling the open water of the Everglades. Though the Everglades and the Big Bend are the two most important paddling areas of the state, the rest of the coastline is also described, highlighting Florida's history and geography.

Florida Trail Hikes

Nothing compares to paddling Florida's Everglades. Covering more than 14,000 square miles—from the

Free Copy PDF Paddling Everglades And Biscayne National Parks A Guide To The Best Paddling Adventures Paddling Series

headwaters of the Everglades in Orlando and Big Cypress State Park in the southwest, to Biscayne National Park on the eastern edge and part of the Keys and the 10,000 Islands to the south—this tropical wetland offers beautiful ecosystems, fascinating habitats, and many diverse paddle routes. Paddling Everglades National Park introduces paddlers of all abilities to nearly fifty of the park's best paddling routes. It also provides brief yet intriguing accounts of the remnants of precolonial history one encounters along these routes and offers insight to the eight unique ecosystems that make up the Everglades. Replete with maps showing access points and river miles, this guide also gives campsite locations and related information for paddlers wishing to stay overnight, as well as information on the park's extraordinary angling opportunities.

Frommer's South Florida 2001

When you hike the Florida Trail, our 1,400 mile National Scenic Trail along the length of the state, you'll discover places of unusual natural features and unique botanical beauty. No matter whether you're a day hiker, a backpacker, a birder, or a photographer, these are special places in Florida that you won't want to miss. Florida Trail Hikes leads you to our favorites while also providing information about trail communities you can use as "base camps" while visiting an area. This book is designed to provide options for hikers of all abilities and interests. There are both short and long hikes, overnight trips, and even a few accessible sections that can also be biked. This book includes rich descriptive details, color maps, and color photos to inspire you. Grab this guide and go take a hike! Contains 48 detailed hikes plus 9 overviews of popular section hikes as well as dozens of optional routes.

Hidden Florida

2008 NATIONAL BOOK AWARD WINNER Peter Matthiessen's great American epic—Killing Mister Watson, Lost Man's River, and Bone by Bone—was conceived as one vast mysterious novel, but because of its length it was originally broken up into three books. In this bold new rendering, Matthiessen has cut nearly a third of the overall text and collapsed the time frame while deepening the insights and motivations of his characters with brilliant rewriting throughout. In Shadow Country, he has marvelously distilled a monumental work, realizing his original vision.

Great National Park Vacations

A Year in the National Parks

On January 1 of 2016, Stefanie Payne, a creative professional working at NASA Headquarters, and Jonathan Irish, a photographer with National Geographic, left their lives in Washington, D.C. and hit the open road on an expedition to explore and document all 59 of America's national parks during the centennial celebration of the U.S. National Park Service - 59 parks in 52 weeks - the Greatest American Road Trip. Captured in more than 300,000 digital photographs, written stories, and videos shared by the national and international media, their project resulted in an incredible view of America's National Park System seen in its 100th year. 'A Year in the National Parks, The Greatest American Road Trip' is a gorgeous visual journey through our cherished public lands, detailing a rich tapestry of what makes each park special, as seen along an epic journey to visit them all within one special celebratory year.

Exploring Everglades National Park and the Surrounding Area

Moon Florida Keys

Paddling Everglades National Park

"As essential as sunscreen and a must-have for anyone visiting or living in South Florida."--Mac Stone, author of *Everglades: America's Wetland* "An alluring snapshot, capturing the regions' fun side with fishing, fantasy, food, and an overall funky feel."--Mary Barley, chair, Everglades Trust "Delivers all of the hidden and not-so-hidden gems that even the most discerning traveler needs to have for a true national park experience in South Florida, combining the ever-evolving story of the unique and amazing Everglades ecosystem with the must-do's for every visitor."-- John Adornato, Sun Coast Regional Director, National Parks Conservation Association "More than just a guidebook: it's a warm, inviting exploration of South Florida's natural beauty and history."--Laura Albritton, author of *Miami for Families: A Vacation Guide for Parents and Kids* "Shows readers how to experience natural beauty in places they would never find on their own--and makes the workings of this complicated ecosystem easy to understand."--Daniel Burkhardt, editor of *Florida Bay Forever: A Story of Water from the Everglades to the Keys* Packed with adventure and a local's expert advice, this guide is essential reading for a fun-filled trip through the world's most famous wetland, the Everglades, and the spectacular marine environment of the 130-mile island chain formed by the Florida Keys. From the Ten Thousand Islands to Big Cypress, the Everglades, and the Florida Keys, Silk stops through alluring locales, such as a mysterious Coral Castle in the Redland/Homestead area, and the exceptional waterside campgrounds of Biscayne National Park. Silk's tour of the region even features an eerie Cold War-era missile base deep in Everglades National Park. Awe-inspiring boardwalks, paddles through mangroves, dives to imperiled reefs, a ride on the famous African Queen boat from the eponymous Bogart and Hepburn movie, and a sampling of the scenic and quirky attraction of Key West complete Silk's journey. Along the way, the reader will learn about local history and culture and discover some of the eclectic, locally owned restaurants, watering holes, and attractions that possess the charming Old Florida character.

Paddling Everglades and Biscayne National Parks

Stretching more than 1,200 miles across the Sunshine State, the green ribbon of the Florida National Scenic Trail connects the silent depths of the Everglades cypress swamps with the crystalline white sand beaches of Pensacola. Illustrated with fetching full-color photographs, this volume weaves a narrative of day hikes and backpacking trips with snippets of the natural and cultural history that define the essence of Florida.

place firsthand.”—Fairchild Tropical Garden Magazine “Offers important information for boaters (tidal activity, campsites, routes to avoid, what to pack, wind challenges, approximate paddling time, and much more) and includes detailed maps [Molloy's] writing style is both authoritative and enticing; he can almost make you want to drift about in clouds of mosquitoes and no-see-ums.”—Library Journal Whether forging uncharted territory or slipping along marked canoe trails, Molloy guides readers through more than 400 miles of creeks, bays, marshes, and the Gulf of Mexico. This indispensable reference has been comprehensively updated, and now includes GPS coordinates and twelve new paddle routes.

Paddling Everglades National Park

Discover the beauty and diversity of America's great outdoors in this tour of its most iconic national parks. Explore Florida's river-laced Everglades, travel down the white water rapids of the Grand Canyon, trek across the deserts of Death Valley and scale the soaring summits of the Rocky Mountains with this book that brings you up close to nature's greatest adventures. Packed with maps and fascinating facts about the flora and fauna unique to each park, this fully-illustrated coast-to-coast journey documents the nation's most magnificent and sacred places—and shows why they should be preserved for future generations to enjoy. Parks include: Acadia, Badlands, Big Bend, Biscayne, Bryce Canyon, Channel Islands, Death Valley, Denali, Everglades, Glacier, Glacier Bay, Grand Canyon, Great Smoky, Mountains, Hawaii volcanoes, Isle Royal, Mesa Verde, Olympic, Sequoia and Kings Canyon, Virgin Islands, Yellowstone and Yosemite.

Miami and the Keys, '98

The Everglades Wilderness Waterway winds an enthralling path through rivers, bays, and streams on the southwestern edge of Everglades National Park. Rich with wildlife and scenic beauty, it also poses many challenges for paddlers. Canoeists and kayakers must deal with wind, waves, limited campsites (in the form of "chickee" platforms over the water and historic groundsites), and no fresh water. As veterans of this complex passage, authors Holly Genzen and Anne Sullivan turn those limitations into glorious, safe adventure. Some out-and-back paddles lead to the rivers and bays of the Everglades National Park's interior; others wind to Gulf Coast sites; still others loop around islands, mangrove forests, or other natural phenomena. The authors provide marker-by-marker route descriptions (both north to south and south to north), and comprehensive information on safety, supplies, campsites, and navigation. They also chronicle the waterway's wildlife, social history, and origin of place names encountered along the way.

Florida Keys Paddling Guide

Shadow Country

Before 1947, when Marjory Stoneman Douglas named The Everglades a "river of grass," most people considered the area worthless. She brought the world's attention to the need to preserve The Everglades. In the Afterword, Michael Grunwald tells us what has happened to them since then. Grunwald points out that in 1947 the government was in the midst of establishing the Everglades National Park and turning loose the Army Corps of Engineers to control floods--both of which seemed like saviors for the Glades. But neither turned out to be the answer. Working from the research he did for his book, *The Swamp*, Grunwald offers an account of what went wrong and the many attempts to fix it, beginning with *Save Our Everglades*, which Douglas declared was "not nearly enough." Grunwald then lays out the intricacies (and inanities) of the more recent and ongoing CERP, the hugely expensive Comprehensive Everglades Restoration Plan.

Hidden Florida Keys and Everglades

Revealing the flavor of the Keys with reviews of over 70 restaurants, this guidebook also has a virtual tropical plant and flower guide featuring nature hikes and botanical gardens.
