A Deed Without a Name seeks to weave together some of this cutting-edge research with insider information and practical know-how. Utilising her own decades of experience in witchcraft and core-shamanism Lee Morgan pulls together information from trial records, folklore and modern testimonials to deepen our understanding of the ecstatic and visionary substrata of Traditional Witchcraft. Those who identify themselves as 'Traditional' tend to read a lot of scholarly texts on the subject and yet still there remains a vast gulf between this information and knowledgeably applying it in practice; this book aims to close that gap.
