Georges Seurat's Bathers at Asnières is one of the most famous and popular paintings in London's National Gallery. This activity book allows adults and children to understand how the artist used colors to create vibrant and luminous scenes. Opening with a brief informative essay, this book contains thousands of colored round stickers and a poster "canvas" of colored outlines - readers simply need to match the stickers to the outlines found on the poster to recreate the painting. It's not necessary to place each sticker on precisely the right outline. As a result, every finished poster will be its own original work of art.
