The Etude

Lead-er-shift [verb]: The act of nimbly adapting one's leadership in the midst of rapid change. The term leadershift may be new to you, but the climate of change that demands it is not. As a leader, you already know that it takes more than staying the course to be successful. The key to not just surviving but to continual innovation, improvement, and influence is to learn how to leadershift. In the Leadershift Workbook, based on the bestselling book of the same name, author John C. Maxwell helps leaders make the changes the current fast-paced environment demands. He begins by helping leaders embrace seven principles to face every situation with flexibility and confidence: Continually learn, unlearn, and relearn Value yesterday, but live in today Rely on speed, but thrive on timing See the big picture as the picture keeps getting bigger Live in today, but think about tomorrow Move forward courageously in the midst of uncertainty Realize today's best will not meet tomorrow's challenges In each of the lessons in this workbook, John shares the critical shifts he has personally made over the course of his long and successful leadership career, including the Adaptive Shift from Plan A to Option A, the Production Shift from Ladder Climbing to Ladder Building, and the Influence Shift from Positional Authority to Moral Authority. These leadershifts will change the way you think, act, and ultimately lead so you can be proactive and successful in an ever-changing world. Designed for use with the Leadershift book (9780718098506).

The Most Powerful Woman in the Room Is You

Women Who Rise is a collection of stories that inspire us to rise above any circumstances that come our way. These 30 stories will speak to your heart and lift up your soul. Each chapter follows the journey that led each co-author to rise above challenges in their own life. These pages reflect the intimate choices that were made to rise above challenging situations and as a result live extraordinary lives. This is the sixth book in the #1 International Best-selling Inspired Impact Book Series. The other titles include: Women Who Ignite, Women Who Inspire, Women Who Influence, Women Who Impact and Women

Who Illuminate.

The Life and Times of Carey, Marshman, and Ward

Explores the world of animals including insects, fish, reptiles and amphibians, birds, mammals, and endangered species.

Permission Granted: the Journey from Trauma to Healing

Through the 20 powerful stories in this book you will discover how life changes when you give yourself permission to stand up, show up and be seen.

Permission Granted

A WALL STREET JOURNAL BESTSELLER As Alexis Ohanian learned when he helped to co-found the immensely popular reddit.com, the internet is the most powerful and democratic tool for disseminating information in human history. And when that power is harnessed to create new communities, technologies, businesses or charities, the results can be absolutely stunning. In this book, Alexis will share his ideas, tips and even his own doodles about harnessing the power of the web for good, and along the way, he will share his philosophy with young entrepreneurs all over the globe. At 29, Ohanian has come to personify the dorm-room tech entrepreneur, changing the world without asking permission. Within a couple of years of graduating from the University of Virginia, Ohanian did just that, selling reddit for millions of dollars. He's gone on to start many other companies, like hipmunk and breadpig, all while representing Y Combinator and investing in over sixty other tech startups. WITHOUT THEIR PERMISSION is his personal guidebook as to how other aspiring entrepreneurs can follow in his footsteps.

Permission Granted to Do Church Differently in the 21st Century

From award-winning blogger Melissa Camara Wilkins, come and find a stunningly simple path to confidence and clarity. All you have to do is give yourself permission to show up as your gloriously imperfect self. Trying to fix yourself is exhausting. But being yourself - that is both possible and life-giving. The key is a simple heart-shift from chasing after perfection to learning to tell a truer story about ourselves, the world, and our place in it. Melissa Camara Wilkins invites you into her journey of discovering the profound simplicity of dropping the pretenses and allowing ourselves to be fully human - flaws and all. This is a story about making life simpler by letting go of who you think you're supposed to be and becoming who you really are. With wit and compassion, Melissa explores how to be present, show up as your real self, and get comfortable in your own skin by aligning the truth inside you with the life you live on the outside. Gain confidence with the freeing practices of dropping the mask, abandoning the experts, and understanding your real assignment. With refreshing honesty and insight, Melissa invites you to move from the either/or dichotomy into a spacious freedom of embracing the both/and - brave and scared, messy and real, gloriously imperfect and absolutely enough. This is your permission slip to be your whole, human self. For everyone who feels the pressure to fit in, measure up, and get it together, Permission Granted is a life-giving invitation to soul-level simplicity.

Permission to Grieve

Are you tired of feeling stuck and stagnant in life, business, or even your relationships? Do you wonder what it would be like to take a chance on your wildest dreams, and live a life that is in perfect alignment with who you are, what you want, and how you want to show up in the world? In this unconventional, witty, unapologetic book, Kierra Asnauskas presents *The Pivot Protocol*, a system to help you make purposeful pivots in any area of life that warrants a shift. In the pages of *Permission to Pivot, Granted* you'll discover: • The 6 P's of Self-Awareness, which will take you from clueless to clarity on who you are, what you want, and how you want to serve yourself and others • What the hell a pivot is, and how it applies to 10 major areas of your life • The 5-step process to pivoting like a pro with Kierra's signature Pivot Protocol • The 7 Pivot Pitfalls, of which you should be mindful as you grant yourself permission to pivot • The fail-proof formula for setting yourself up for success in pivoting in any area of life *Permission to Pivot, Granted* empowers you to design a life in alignment with your personality, purpose, and passions and abandon the notion that your life should make sense to your parents or your friends. *Permission to Pivot, Granted* turns "Stagnant Stacys" into "Audacious Audreys." *Permission to Pivot, Granted* helps you make profitable pivots, and we don't just mean monetary profits-- we mean profitable in time, energy, and happiness. What are you waiting for? Grant yourself permission to change your goddamn mind today!

The Living Age

Grant yourself permission to be more successful!

Without Their Permission

Etude

Melodies of My Life shares a no-holds-barred coming of age portrait of a young woman who refuses to let a chronic and debilitating illness define who she is or what she can achieve. At thirty-one, author Denedria Banks wears many hats--from daughter to sister to friend; from public speaker to single, fun-loving, independent Black woman; and from medical social worker to woman with a disability. Each chapter samples the complex chords, harmonies, and disharmonies of her life's passions. Banks explores various stages that impacted her search for self, including self-love and happiness. She ultimately discovers the true love that comes from putting yourself first, loving your every imperfection, and literally taking each day one step at a time. In her own words, Denedria provides a rare glimpse into living with a debilitating disease. Doctors, nurses, physical and occupational therapists, students, people with disabilities and their loved ones, and those interested in the human condition will appreciate the journey of this young woman's life--its darkest hours and brightest successes.

Leadershift Workbook

Have you ever wondered why some people seem to thrive as they experience change while others seem to crumble at the idea. Thriving Through Transitions offers an insightful perspective, along with an easy to follow 5 Step process for turning life's greatest obstacles into opportunities to thrive. Praise for Thriving Through Transitions: "Jocelyn inspires with wisdom and guides with specific tools to mentor navigation of significant life transitions. Thriving Through Transitions is informed, insightful, and an essential instruction manual for personal transformation." - David Krueger, MD, CEO MentorPath "This is one of the best books about transitions that I've read in a long time. I appreciate how the book helps us understand, appreciate, grow and fall in love with transitions in life! The book's tone is so supportive, loving, empathetic, and cuts to the chase on how to thrive! I would recommend this book to any of my friends or clients that are ready to give up old stories and start living a life of abundance!" - Jolynn Swafford, Abundance Expert and Coach "Thriving through transitions is a powerful yet practical approach in navigating life's momentous transitions. Jocelyn's personal story of transforming her struggles into thriving is why she is the ultimate authority. She truly practices what she preaches and has lit the path for anyone ready to break free!" - Michelle Sorro, Extra TV Host, Brand & Lifestyle Strategist, Author, The Mindset Mashup Podcast

Permission Granted--Take the Bible into Your Own Hands

A monthly journal for the musician, the music student, and all music lovers.

Women Who Illuminate: A Collection of Illuminating Stories that Will Brighten Your Heart's Journey.

This book is different. "Permission Granted" is meant to be a simple, quiet read to help us understand what it means to live in the aftermath of a traumatic event and to enhance our understanding of what it means to live with the sorrow of personal trauma. We hope to understand why we seem unable to leave the past behind and why we cannot find our way to tomorrow. Trauma is trauma. There is the day before the personal traumatic event and then there is the moment of the traumatic event. What happens between these two moments in time, seemingly changes one's life forever, as tomorrow never seems to come. Trauma is a shapeshifter, it changes all of the time, and when it comes, welcome or not, it always comes to stay. This book is different for it asks the question: 'How do you want to live with this personal traumatic experience?' One way or the other we are all part of the healing journey. We do not ask you to qualify to be here to read this book as we all sit side-by-side in the Circle of Healing as we move towards the journey to healing. This book is different. When it comes to trauma and healing from rape, sexual assault and emotional abuse we have to stop asking the question: 'Did this happen to you?' The answer is not really important, the fact that you are here is what matters. This book is written in the collective voice of 'We' because it is written for each and everyone one of us. We do not ask you to identify if you are a 'victim' of a traumatic event or if you are the friend or loved one of someone who has been in harm's way. All are welcome here. To those who would ask the question: Did this happen to you? The consistent mantra throughout this book resonates from the first page to the last: The answer does not matter! Any other answer deprives each and every one of us of the benefit and blessing of someone who is willing to listen, the first step in the healing process. Share this book with someone that you care about ~ someone that is hurting ~ it will be the first step in their healing journey home ~ and don't forget to say 'We are in this togetherlet's go home'.

Discover Ocean Life

Equality 7-2521 finds himself out of step with the collectivist society of the future, and discovers a means to freedom in Ayn Rand's fable of the individual in conflict with society. First published in 1938, Anthem takes place in a dystopian future world in which humanity is enduring a new dark age, human life is regimented in every respect and personal identity has been all but snuffed out by a totalitarian government. The narrator, writing his story in secret, realizes he is a criminal simply for having thoughts of his own. Exploring the ruins of a previous civilization he discovers relics, conducts forbidden experiments and learns enough to question the very structure of his society. Can he share this knowledge with his fellow citizens? The author strips the relationship of humanity to civilization down to its bare essence in this modern parable that starkly illuminates the challenge an oppressive government presents to individuality. With an eye-catching new cover, and professionally typeset manuscript, this edition of Anthem is both modern and readable.

Anthem

Millions of people around the world look to the Bible as a source of encouragement and faith formation, a reminder that God is love and is in control, and a guide to living one's life the way God desires. But this treasured book has also been misused and manipulated by many, placed on a pedestal of untouchability, and protected from questioning and honest engagement. In Permission Granted, Jennifer Grace Bird encourages people of faith to explore the texts on their own, freed from long-held myths and misconceptions; experience the Bible anew; and appreciate this holy book for what it isâ€"not what we think it should be. With the sensitivity of one who has discovered this freedom herself, Bird invites readers to engage what the Bible really says about twelve key issues, including sin, sex, and the role of women.

Thriving Through Transitions

The Senior Vice President of Christie's and seasoned auctioneer Lydia Fenet, with her "razor-sharp humor and her don't-mess-with-me gavel strike" (Mariska Hargitay, star of *Law & Order: Special Victims Unit*), shares the secrets of success and the strategies behind her revolutionary sales approach to show you how to embrace and channel your own power in any room. Who is the most powerful woman in the room? She's the one who can raise a million dollars in a minute. She's the one who can command the attention of a group of any size from one person to five thousand. She's the one who can sell anything to anyone. And she can be you. As a senior executive at Christie's, leader in her field, and one of *Gotham* magazine's Most Influential Women in New York, Lydia Fenet knows firsthand that the one skill that can set women apart in both their personal life and career is the ability to sell. *The Most Powerful Woman in the Room Is You* equips you with everything you need to know—from how to sell authentically and how to network (or die), to the importance of never apologizing (start negotiating instead), how to perfect your poker face, and always, always, tell the truth. Most of all, she offers plenty of encouragement to take ownership in your position and look for opportunities to innovate. Filled with additional case studies, thoughtful insights, and meaningful advice from some of the most powerful and successful women in business, fashion, journalism, sports, and the arts, *The Most Powerful Woman in the Room Is You* "is an insightful, inspiring guide for women who are trying to claim their own seat at the table" (*New York Journal of Books*).

Melodies of My Life

These 30 stories will speak to your heart and lift up your soul. Each chapter follows the journey that led each co-author to rise above challenges in their own life. These pages reflect the intimate choices that were made to rise above challenging situations and as a result live extraordinary lives. This is the sixth book in the #1 International Best-selling Inspired Impact Book Series. This book includes series creator Kate Butler, Foreword by Erin Saxton and co-authors, Cathleen Elle, Ann Marie Smith, Jennifer Amabile, Eva Alberts, Donna Nudel Brown, Sally Dunbar, Claudia Fernandez-Niedzielski, Holly Fitch Stevens, Angela Germano, Jeanie Griffin, Dr. Donna Marie Hunter, Tara LePera, Nastassia Marie, Laura Summers, Amanda Autry, Jenn Romano-Baus, Carol Dechen, Jillian Blosser, Rebecca Chalson, Solina Feliciano-Gonnion, Pamela Harris, Cindy Kelly, Mona Meland, Adrienne Murchison, Tatjana Obradovic, Jeannette Paxia, Ashley Richards, Kristen Riddell, Jaimee Roncone, Jennifer Somers and Maggie Sullivan

Permission to Pivot Granted

"Fans of R.J. Palacio's *Wonder* will appreciate this feel-good story of friendship and unconventional smarts." --Kirkus Reviews *Ally* has been smart enough to fool a lot of smart people. Every time she lands in a new school, she is able to hide her inability to read by creating clever yet disruptive distractions. She is afraid to ask for help; after all, how can you cure dumb? However, her newest teacher Mr. Daniels sees the bright, creative kid underneath the trouble maker. With his help, Ally learns not to be so hard on herself and that dyslexia is nothing to be ashamed of. As her confidence grows, Ally feels free to be herself and the world starts opening up with possibilities. She discovers that there's a lot more to her--and to everyone--than a label, and that great minds don't always think alike. The author of the beloved *One for the Murphys* gives readers an emotionally-charged, uplifting novel that will speak to anyone who's ever thought there was something wrong with them because they didn't fit in. This paperback edition includes *The Sketchbook of Impossible Things*

and discussion questions. A New York Times Bestseller! * "Unforgettable and uplifting."--School Library Connection, starred review * "Offering hope to those who struggle academically and demonstrating that a disability does not equal stupidity, this is as unique as its heroine."--Booklist, starred review * "Mullaly Hunt again paints a nuanced portrayal of a sensitive, smart girl struggling with circumstances beyond her control." --School Library Journal, starred review

Lunch with Lucy

Life and Letters of Dr. William Beaumont

Each of us has a special purpose in life—do you know what yours is? In *Heroic Living*, best-selling author and former investment banker Chris Lowney combines the proven practices of Ignatian spirituality with his business expertise to help each of us discover our mighty purpose in life and develop a personal life strategy to achieve it. By merging Ignatian Spirituality with astute business knowledge, Lowney provides the tools and strategies needed to make practical, long-term life changes that move us away from our fractured, compartmentalized lives and toward the satisfaction and wholeness that each of us desires so deeply.

Tuck Everlasting

The voice behind the popular grief podcast *Coming Back: Conversations on Life After Loss* puts pen to paper in her first book to create a powerful permission slip for anyone facing the devastating heartbreak that comes with death, divorce, diagnosis, and so much more. When loss steamrolls through, there's a lot of hidden and not-so-hidden "rules" about the way you're "supposed" to grieve: "You should be over it after a year." "Put on a brave face." "Keep your grief at home." *Permission to Grieve* calls out society's garbage rules for what they really are: toxic and repressive narratives that insist we abandon our true selves in the face of grief. Shelby asks instead: - What if we allowed grief the freedom to influence our emotions? - What if we allowed grief the power to alter our identities at home, school, and work? - What if we allowed grief to show up in the physical world through art, memorial, and ritual? - What if we gave ourselves... *Permission to Grieve*? Drawing on her experience as a grieving person and two years' worth of interviews with grief experts like Megan Devine, Kerry Egan, and Caleb Wilde, Shelby Forsythia makes the case for radical, self-honoring permission—free from personal judgement and society's restrictive timelines and rules. *Permission to Grieve* guides you to call your grief out of hiding and invites you to give it permission through thoughtful writing prompts, easy-to-follow exercises, and clever visual illustrations. In this book you'll learn: - How society encourages us to practice life-rejection and self-abandonment instead of expressing our grief - The three big permissions that unlock the emotions, identities, and actions our grief wants to express—featuring insights from -podcast guests and Shelby Forsythia's personal grief community - Tips and tricks for practicing

permission to grieve in the real world—including how to ask for permission to grieve from friends, family, and coworkers and tools for helping others tap into their own permission to grieve. Permission to Grieve is not a hall pass from a higher authority; it's a personal practice that is strengthened with self-awareness, attention, and love. You don't have to wait to receive permission to grieve; you already have it. Permission to Grieve is a book for people who are tired of covering up and pushing down their pain. It's a book for people who know that there's a better, more compassionate way to approach the worst thing that has ever happened to them. It's a book for people who believe that grief is not an enemy to be vanquished as quickly as possible, but an opportunity to connect more deeply with their human selves. Because even in the midst of loss, Shelby writes, we can create grace, space, and room to breathe.

Convent Life Or the Duties of Sisters to the Service of God

Life-Changing Prayers

Harris, one of the most powerful and respected women in business, shares advice, tips, and strategies for surviving in any workplace environment.

Heroic Living

Recovering from Emotionally Immature Parents

SING UNTO HIM A NEW SONG!!(psalm 33:3) Did you ever wish you had permission to change the way you "do church"? Well, now you have it. You have permission to: Welcome His presence Grow in Christ as He has desired Experience a God-orchestrated meeting Become the Church, not attend the church Grow in intercessory prayer This "how to" book provides proven tactics to move your church into a "Third Day" realm fully committed to worship. Follow along with authors Graham Cooke and Gary Goodell as they share their years of experience developing new ways to welcome His presence into your church, home, community, your life and the lives of those in the congregation. God gives all of His children His permission to become the Bride He loves and adores. Remember, "on the third day, anything can happen."

The Assessment of Child and Adolescent Personality

Pastors and ministry leaders too often play the comparison game, looking to church leadership rockstars and curtailing idiosyncrasies to be like them. But it's a losing game. Leaders end up trying vainly to lead their churches from a lack of gifts and a place of emptiness. What is the solution? Quirkiness. Leaders need permission to lead not like someone else, but as the best possible version of themselves--embracing idiosyncrasies, personalities, and personal tastes. When church leaders name their quirks, they are free to discover a unique leadership philosophy and find unique missional opportunities. Quirky

Leadership raises the bar for ministry--not by jumping through more hoops or focusing on gift deficits but rather by identifying, communicating, and celebrating the individual truths about identities and for ministry environments. John Voelz is quickly becoming a source for practical leadership perspective as a voice that questions the status quo, calls out mediocrity, and gives permission to view things differently and watch crazy ideas come to fruition for the sake of God's kingdom.

Permission Granted- Maggie Sullivan

With an enduring grasp of human nature, Dale Carnegie's *How to Win Friends and Influence People* teaches his readers how to handle people without letting them feel manipulated, how to make people feel important without inspiring resentment, how win people over to your point of view without causing offence, and how to make a friend out of just about anyone. Published in 1937, Carnegie's *How to Win Friends and Influence People*, was originally written as a companion book to his lectures on how to be a good salesperson. However, what began as a basic sales primer, quickly exploded into an overnight success, eventually selling more than 15 million copies worldwide, and pioneering an entire genre of self-help and personal success books. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library.

The Immortal Life of Henrietta Lacks

A gripping portrait of modern Tibet told through the lives of its people, from the bestselling author of *Nothing to Envy*. "You simply cannot understand China without reading Barbara Demick on Tibet."—Evan Osnos, author of *Age of Ambition* **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY** Parul Sehgal, *The New York Times* • *The New York Times Book Review* • *The Washington Post* • NPR • *The Economist* Just as she did with North Korea, award-winning journalist Barbara Demick explores one of the most hidden corners of the world. She tells the story of a Tibetan town perched eleven thousand feet above sea level that is one of the most difficult places in all of China for foreigners to visit. Ngaba was one of the first places where the Tibetans and the Chinese Communists encountered one another. In the 1930s, Mao Zedong's Red Army fled into the Tibetan plateau to escape their adversaries in the Chinese Civil War. By the time the soldiers reached Ngaba, they were so hungry that they looted monasteries and ate religious statues made of flour and butter—to Tibetans, it was as if they were eating the Buddha. Their experiences would make Ngaba one of the engines of Tibetan resistance for decades to come, culminating in shocking acts of self-immolation. *Eat the Buddha* spans decades of modern Tibetan and Chinese history, as told through the private lives of Demick's subjects, among them a princess whose family is wiped out during the Cultural Revolution, a young Tibetan nomad who becomes radicalized in the storied monastery of Kirti, an upwardly mobile entrepreneur who falls in love with a Chinese woman, a poet and intellectual who risks everything to voice his resistance, and a Tibetan schoolgirl forced to choose at an early age between her family and the elusive lure of Chinese money. All of them face the same dilemma: Do they resist the Chinese, or do they join them? Do they adhere to Buddhist teachings of compassion and nonviolence, or do they fight? Illuminating a culture that has long been romanticized by Westerners as deeply spiritual and peaceful, Demick reveals what it is really like to be a Tibetan in the twenty-first century, trying to preserve one's culture, faith, and language against the depredations of a seemingly unstoppable, technologically all-seeing superpower. Her depiction is nuanced, unvarnished, and at times shocking.

Women Who Rise

Includes music.

Permission Granted

Now available in paper for the first time, this volume brings together leading contributors to provide a comprehensive review of theory, research, and practice in child and adolescent personality assessment. Organized for easy reference, the book is divided into four parts. Part I summarizes basic theories, issues, and concepts, setting forth a framework for assessment as a hypothesis- generating, problem-solving process. Part II describes and evaluates a wide range of relevant approaches, tests, and techniques, marshaling the available data and reviewing administration procedures, scoring, and interpretation. In Part III, the process by which personality assessment is translated into effective intervention strategies and programs for children is examined in depth. A summary of major perspectives and recommended practices is presented in Part IV, which also considers future needs and directions for the field.

Discover Animal Life

Before Jim Grant became The Resurrection Man he was just a Yorkshire cop with a short fuse. Yorkshire, Los Angeles, Boston, Texas, Mexico and much more Helping an old lady get her stolen glasses back and dangling the thief over a cliff is just the start of a tarnished career and these stories fill in some of the gaps between his more widely published adventures. From the “Heavy Petting Chasing Tail Zen Dog Pet Boutique” to a bar at “Boquillas Crossing,” Grant just can’t let injustice go unpunished. But he’s not the only Yorkshireman in America. These stories also introduce Vince McNulty, a Yorkshire ex-cop now working for a tinpot movie company in Boston. It would be a strange coincidence if these two men didn’t know each other. Cops don’t believe in coincidence. Neither should you.

Expect to Win

Now an HBO® Film starring Oprah Winfrey and Rose Byrne #1 NEW YORK TIMES BESTSELLER Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor black tobacco farmer whose cells—taken without her knowledge in 1951—became one of the most important tools in medicine,

vital for developing the polio vaccine, cloning, gene mapping, and more. Henrietta's cells have been bought and sold by the billions, yet she remains virtually unknown, and her family can't afford health insurance. This phenomenal New York Times bestseller tells a riveting story of the collision between ethics, race, and medicine; of scientific discovery and faith healing; and of a daughter consumed with questions about the mother she never knew.

Women Who Rise: 30 Stories That Inspired Your Spirit To Rise

For most people, church is a spectator sport. This is one reason why church is so boring and why so many have dropped out. A church is a living, active organism where every member participates in a highly productive manner. Permission Granted encourages every Christ follower to discover and participate in ministries they are designed and gifted to perform. Churches need to make the adjustments necessary to liberate and motivate their members to become active participants in ministry. There is profound joy in observing people who find needs and fill them, and who find hurts and heal them. The happiest people are those who are helping others. Happy church members build healthy and growing churches. Jesus said, 'Go.' Permission Granted.

Quirky Leadership

Transformational Leadership Through Empathy When entrepreneur Sherry Deutschmann first decided to start a business, she knew she wanted to build something totally different. In her first book, *Lunch with Lucy*, Sherry tells the story of the creation of that company, LetterLogic, and how she turned it into a \$40-million company by putting employees first—even ahead of customers and shareholders. Putting her people first took many forms, with an extremely generous profit sharing plan and fair living wages among them. But the centerpiece and heart of LetterLogic's culture was the employee-centric practice Sherry designed called "Lunch with Lucy"—a practice that removed the hierarchical dynamics found in most organizations. On any given Wednesday, any employee could invite "Lucy" (Sherry's midday moniker) out to lunch, at a place of their choice, with the bill picked up by Sherry. At these events, Sherry wasn't the CEO. She was "Lucy," a co-worker. By making herself 100% available, "Lucy" created a judgment-free environment where she could learn about a team member's dreams, ambitions, and challenges—and gain their insight into what she was doing right or wrong as a leader. She credits this approach with the success of her company. *Lunch with Lucy's* interior, refreshingly laid out like courses on a menu, invites us to see how a leader's choices directly impact employee morale, engagement, and commitment—and in this author's case, ultimately led to a healthy and hearty bottom line. Sherry's voice is new, and her honesty, humor, and humility shine through this story of a woman building a successful business through empathetic leadership and uncommon, commonsense business practices, one lunch at a time. Sit down at the table and learn about a business model that is truly transformational.

Fish in a Tree

In this important sequel to *Adult Children of Emotionally Immature Parents*, author Lindsay Gibson offers powerful tools to help you step back and protect yourself at the first sign of an emotional takeover, make sure your emotions and needs are respected, and break free from the coercive control of emotionally immature parents. Growing up with emotionally immature (EI) parents can leave you feeling lonely and neglected. You may have trouble

setting limits and expressing your feelings. And you may even be more susceptible to other emotionally immature people as you establish adult relationships. In addition, as your parents become older, they may still treat your emotions with mockery and contempt, be dismissive and discounting of your reality, and try to control and diminish your sense of emotional autonomy and freedom of thought. In short, EIs can be self-absorbed, inconsistent, and contradictory. So, how can you recover from their toxic behavior? Drawing on the success of her popular self-help book, *Adult Children of Emotionally Immature Parents*, author Lindsay Gibson offers yet another essential resource. With this follow-up guide, you'll learn practical skills to help you recognize the signs of an EI, protect yourself against an emotional takeover, reconnect with your own emotions and needs, and gain emotional autonomy in all your relationships. This is a how-to book, with doable exercises and active tips and suggestions for what to say and do to increase emotional autonomy and self-awareness. If you're ready to stop putting your own needs last, clear the clutter of self-doubt, and move beyond the fear of judgment and punishment that's been instilled in you by emotionally immature parents, this book will help you find the freedom to finally live your life your way.

How To Win Friends And Influence People

Critically acclaimed when it was first published, *Tuck Everlasting* has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at *Tuck Everlasting* twenty-five years later. What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family's property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks' secret—and whether or not to join them on their never-ending journey. Praise for *Tuck Everlasting* by Natalie Babbitt: “A fearsome and beautifully written book that can't be put down or forgotten.” —The New York Times “Exciting and excellently written.” —The New York Times Book Review “With its serious intentions and light touch the story is, like the Tucks, timeless.” —Chicago Sun-Times “Probably the best work of our best children's novelist.” —Harper's “Natalie Babbitt's great skill is spinning fantasy with the lilt and sense of timeless wisdom of the old fairy tales. . . . It lingers on, haunting your waking hours, making you ponder.” —The Boston Globe “This book is as shapely, crisp, sweet, and tangy as a summer-ripe pear.” —Entertainment Weekly This title has Common Core connections.
