Many students fail to perform well on the TOEFL Exam because they have poor vocabulary skills. Our TOEFL iBT Vocabulary Practice Advantage+ Edition book contains the vocabulary you will see on the TOEFL exam. The first 110 pages of the book include the same great material as Academic Success Media's original publication. Plus, there is a new workbook section at the end of the book with 280 new vocabulary exercises and answers. The book also includes the essential TOEFL idioms and phrasal verbs that are assessed on the examination. The vocabulary, idioms, and phrasal verbs in the book are divided into alphabetized sections, from A to Z. There are definitions and sample sentences for each vocabulary item. By using this study guide, you will learn whether each word is a noun, verb, adjective, adverb, or idiom. You will also learn the derivatives (words in the same family that can be formed by using a prefix or suffix) for each item of vocabulary that you are likely to see on the TOEFL test. Most importantly, there are exercises at the end of each section of the study guide. The exercises will provide you with further practice in utilizing the vocabulary naturally in sentences, a skill which is assessed on the exam. The book is ideal for self-study. You can check your answers to the exercises by looking at the answer key provided at the end of the book. Get a step ahead on the TOEFL with our Advantage+ Edition!
