INSTANT NEW YORK TIMES BESTSELLER “ One of the most important books I ’ ve ever read—an indispensable guide to thinking clearly about the world. ” — Bill Gates “ Hans Rosling tells the story of ‘ the secret silent miracle of human progress ’ as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly. ”

—Melinda Gates "Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases." - Former U.S. President Barack Obama Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world ’ s population live in poverty; why the world ’ s population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don ’ t know what we don ’ t know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn ’ t mean there aren ’ t real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, Factfulness is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and

opportunities of the future. --- “ This book is my last battle in my life-long mission to fight devastating ignorance Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn ’ t enough. But I hope this book will be. ” Hans Rosling, February 2017.

A Man for All Seasons dramatises the conflict between King Henry VIII and Sir Thomas More. It depicts the confrontation between church and state, theology and politics, absolute power and individual freedom. Throughout the play Sir Thomas More's eloquence and endurance, his purity, saintliness and tenacity in the face of ever-growing threats to his beliefs and family, earn him status as one of modern drama's greatest tragic heroes. The play was first staged in 1960 at the Globe Theatre in London and was voted New York's Best Foreign Play in 1962. In 1966 it was made into an Academy Award-winning film by Fred Zinneman starring Paul Scofield. "A Man for All Seasons is a stark play, sparse in its narrative, sinewy in its writing, which confirms Mr Bolt as a genuine and solid playwright, a force in our awakening theatre." (Daily Mail)

This Penguin Classics Graphic Deluxe Edition features an array of special features to supplement the novel, including a foreword by Lois Lowry, an introduction by Stephen King, an essay by E. M. Forster, an essay on teaching and reading the novel and suggestions for further exploration by scholar Jennifer Buehler, and an extended note by E. L. ## QUIZ, Questions for Couples

Whether you ' re newly together and eager to make it work or a longtime couple looking to strengthen and deepen your bond, *Eight Dates* offers a program of how, why, and when to have eight basic conversations with your partner that can result in a lifetime of love.

“ Happily ever after ” is not by chance, it ' s by choice – the choice each person in a relationship makes to remain open, remain curious, and, most of all, to keep talking to one another. From award-winning marriage researcher and bestselling author Dr. John Gottman and fellow researcher Julie Gottman, *Eight Dates* offers an ingenious and simple-to-implement approach to effective relationship communication. Here are the subjects that every serious couple should discuss: Trust. Family. Sex and intimacy. Dealing with conflict. Work and money. Dreams, and more. And here is how to talk about them—how to broach subjects that are difficult or embarrassing, how to be brave enough to say what you really feel. There are also suggestions for where and when to go on each date—book your favorite romantic restaurant for the Sex & Intimacy conversation (and maybe go to a yoga or dance class beforehand). There are questionnaires, innovative exercises, real-life case studies, and skills to master, including the Four Skills of Intimate Conversation and the Art of Listening. Because making love last is not about having a certain feeling—it ' s about both of you being active and involved.
