The Systematic Bible teacher

Journey Back to God explores Origen of Alexandria's creative, complex, and controversial treatment of the problem of evil. It argues that his layered cosmology functions as a theodicy that deciphers deeper meaning beneath cosmic disparity. Origen asks: why does God create a world where some suffer more than others? On the surface, the unfair arrangement of the world defies theological coherence. In order to defend divine justice against the charge of cosmic mismanagement, Origen develops a theological cosmology that explains the ontological status and origin of evil as well as its cosmic implications. Origen's theodicy hinges on the journey of the soul back to God. Its themes correlate with the soul's creation, fall and descent into materiality, gradual purification, and eventual divinization. The world, for Origen, functions as a school and hospital for the soul where it undergoes the necessary education and purgation. Origen carefully calibrates his cosmology and theology. He portrays God as a compassionate and judicious teacher, physician, and father who employs suffering for our amelioration. Journey Back to God frames the systematic study of Origen's theodicy within a broader theory of theodicy as navigation, which signifies the dynamic process whereby we impute meaning to suffering. It unites the logical and spiritual facets of his theodicy, and situates it in its third-century historical, theological, and philosophical context, correcting the distortions that continue to plague Origen scholarship. Furthermore, the study clarifies his ambiguous position on universalism within the context of his eschatology. Finally, it assesses the cogency and contemporary relevance of Origen's theodicy, highlighting the problems and prospects of his bold, constructive, and optimistic vision.

This book boldly challenges the adequacy of the biomedical model alone in addressing the symptoms and causes of physical and mental illness. While allowing that the biomedical model has its place in the treatment of disease, the authors argue persuasively that there are untapped resources for health and wholeness in Christian faith and practice.

Norvel's interest in diving health was rooted in his desire to fly airplanes for a living. At that time, anyone wishing to fly commercially was required to carry a medical certificate. Would Norvel end up inheriting his parents medical issues, or could he trust God to keep him healthy? This book is the direct result of Norvel's search for answers over the last 40 years. And yes, I did pursue my dream, and yes, I did fly B747's, and yes, God did keep me healthy. Allow me to give two testimonies. My last job where I worked for 12 years, I missed 4 days of work total in those 12 years, twice missing two days due to sickness. Also, for most of my life, I have worn glasses. At one point my vision was 20-70, and I was wearing tri-focals. I have been believing for perfect vision for many years, and about one year ago, my vision began to improve! Today, my vision is good enough where I no longer am required to wear corrective lenses! I live without any glasses or contacts!

As she says in the book" God is waiting for you to take the first step so He can help you finish."

True crime stories provide the foundation of this prison memoir. Bill Dyer was robbed and shot at an ATM. In *Doing Time with God*, you go into prison with him and other victims of violence to meet with convicted felons who will be facing their worst and greatest realizations, before they are released. Nothing is predictable when victims and offenders come together and share their stories of the true crimes that have devastated their lives and reshaped them. Victim-survivors remember their losses and feel their pain; Offenders come face-to-face with the hurt they have caused, and open wounds from their own past. Walls of defensiveness and fear are knocked down by empathy and compassion, vulnerability and tears. Raw emotions flow. The way to peace is often intense, turbulent, and heartbreaking. Even when it's not pretty, the journey is beautiful in its honesty—miraculous in the way it unfolds—divine in how it transforms lives. Psalm 19:14 "Let the words of my mouth and the meditation of my heart be acceptable in your sight, O Lord, my strength and my redeemer." I cannot heal anyone, none of us can. I am His obedient instrument, His servant, His hands & feet Jesus Christ through the power of the Holy Spirit in me is the Healer, the Great Physician. I am not a theologian, but I am a willing student of the Book. There is little I can offer; no words or wisdom or experience, technique or method, none of my own very limited knowledge, no natural gifts beyond my humble heart to try to love His children as He does; to see, feel and hear their pain enough to intercede on their behalf (See Matthew 5 - the Beatitudes). Christ Jesus called us to a life of holiness; any brokenness or unrepented sin is a barrier that the enemy will use to keep us from that life of holiness. Paul challenges us to be imitators of Christ through the Redemptive nature of Jesus. He calls us, the saints, His sons & daughters, heirs of Christ, to be the instrument of healing by His power, grace and mercy. This (our) generation needs an infusion of the Good News of Jesus Christ and a restoration and a Savior. Join me on this journey - to study His Word and seek His guidance as He calls His Church to wholeness. Blessings; Ron

Surfing for God

In this stimulating how-to book, a scientist Dr. Dan Swan (D.Engr.) provides an answer to one of life's most important questions, "How in the world does one find miracles?" When a miracle occurred in his life in 1994 at a time when he desperately needed it. This miracle caused a series of revelations that ultimately led him down a spiritual path, completely changing his busy life, his scientific mindset and the way he viewed this chaotic world. Taking the reader on a fascinating tour of his real-life experience, Dr. Swan explains how he began his spiritual journey by learning hands-on energy healing in order to help save his father who had suffered a major stroke. Through his real-life experience as an energy healer, using the healing power from God, he found that miracles happened to patients who were ordinary people like you and him. He witnessed that miracles do happen many times to people who are in desperate need. From his experience, he shows in this book that anyone can become an energy healer and be able to heal loved ones and family members. People of all religious faiths as well as non-believers can transform their physical bodies to Light bodies using the healing power from God. In fact, all major religions including Christianity, Hinduism, and Buddhism, encourage people to make the higher transformation to a union with God or Universal Consciousness. And, he shows the reader step-by-step of how to do it. Using Dr. Swan's method, the spiritual journey can be completed in a short period of time. Authority to Heal Leader's Guide

Releasing Pain

This book was written from my personal experience with the provisions and principles described in the Bible. My personal health problems encountered over the course of my 73 years on this Earth was in part, the reason this book was written. I share my story now in hope that someone will be blessed by the information set to print here. My primary audience is the American Church, from which my Journey began. In my early years, I was blessed to be a part of the Baptist congregation in Berkeley, California. As time progressed from my exposure to the Gospel in the Church to my actual conversion experience at 12 years old, many questions arose which were not answered by my Church. In my conversations with my peers and family, the gap in the questions and answers only got wider. Many of these questions are answered in this book. It is sufficient to say, MY JOURNEY TO DIVINE HEALING was my effort to organize my life experiences in such a way as to convey both meaning and structure around existence. It is my belief that many people have had, and still have the same life experiences and concerns as myself and have not received satisfactory answers. It is my intent to shed light on these concerns from a Biblical foundation, with logic, knowledge, understanding and wisdom. I believe the reader will be rewarded many times over when digesting the content of this Book. In addition I think the reader will be pleasantly surprised when they begin to do what they learn.

The Journey Into God

Accurately defining the correlation of God and Jesus has been described in our modern day as "beyond the reason of man" and "unable to be explained." Such conclusions are not necessary, however, and when you finish this book you will see that the Biblical teaching concerning God and Jesus is actually very logical. There is one God, the Father. Jesus is the Son of God. Yet, that simple truth leaves many questions to be answered, like Why was Jesus worshiped? Why is the Word called God in John 1:1? What did Jesus mean when he said, "Before Abraham was, I am"? etc. What did the earliest Christians believe about Jesus? All of these questions and more are addressed here. One reviewer wrote: "What this book is not is mimetic and unthinking: it is just well-researched, well-cited, eloquently argued, and uncompromisingly Biblical in its orientation. Kerrigan goes where few tread, not for the sake of argument, but for the sake of truth. What you see time and time again is that the Biblical godhead teaching is plainer than what the theologians have been making it." Short Description Accurately defining the correlation of God and Jesus has been described in our modern day as "beyond the reason of man" and "unable to be explained." The Creator's Healing Power—Restoring the Broken to Beautiful

As a woman of faith and a biblical counselor, I understand the struggles that God's people face. I hear their stories, heartaches, and cries for help. Our churches are filled with believers who love Jesus, but are often overwhelmed, weighed down, bound up and defeated by life's issues. So many are unable to live a truly abundant life in Christ and run the Christian race with endurance. These beloved brethren have this in common: they are painfully unaware that the untended roots from the past are creating issues in the present, and are preventing them from thriving in the fullness of God. God's children are in desperate need of practical, step-by-step, biblical solutions. Hurting Hearts Restored offers that hand of help. Written according to God's powerful Word and inspired by the promptings of The Holy Spirit, this book is intended to lead you into God's unending love and grace—to His perfect plan for you—and life more abundantly! Filled with easily understood explanations, examples, journal questions, and real-life stories, Hurting Hearts Restored will walk you through the healing process—a journey with Jesus into the depth of your heart where change happens, page-by-page, with all the resources you need to get to the roots that bind. "The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly." -John 10:10

A Journey Toward Wholeness

Life is wonderful. Not everybody would agree with this statement. Every person experiences life in different ways. There are the good experiences and the not so good experiences that a person goes through in one's life. Such experiences could lead a person to suffer a physical wound in one's life. These same experiences, and others, could also lead the person to suffer spiritual wounds in his life. Wounds which distance us from the love of God also distance us from loving our neighbour. This book will take you through this journey. A journey of exploring the spiritual wounds one could suffer in one's life. Spiritual wounds which could be buried deep in one's inner self, making it difficult for the individual to love one's neighbour and to be a person of mercy. These spiritual wounds often hinder us from having a personal relationship with Jesus. 'Heal my Wounds' is the cry of every suffering person. In this book we shall also see how Jesus is the healer of our wounds.
