### Freedom in the World

Two strangers an ocean apart find love in the unlikeliest of places in this “sweet and frothy” contemporary romance in the Nashville Connections series (Dear Author). When British cake decorator Maggie Taylor meets Nashville lawyer Chad Robertson at her best friend’s wedding in Cornwall, England, the circumstances are less than ideal. Maggie has her hands full catering the event, and they’ve both been assigned to the “reject table” alongside a toxic collection of grumpy great aunts, bitter divorcees, and stuffy organists. Maggie has grown used to being overlooked. But when Chad and his southern charm help her out of a wedding cake disaster, she begins to wonder if the future could hold more for her. Chad wants to get to know the sweet British baker better, but as the day takes a turn for the dramatic, he’d better be strong enough to handle it—because nothing in Maggie’s life is a piece of cake.

Womanspirit Rising

The limited shelf life of Olympic athletes collapsed in 1980 for Rowdy Gaines and about 280 other elite U.S. athletes when President Jimmy Carter announced America would boycott the Games in Moscow. Instead of distinguishing his country on an international stage, the world's fastest swimmer found himself instead languishing in the lifeguard chair at his hometown pool. Author Dainon Moody details a story of Gaines' resurrection during an earlier era when sponsorships eluded star swimmers. Rather than cashing checks for wearing sports-company merchandise, the 20-something competitor worked nights as a hotel

## Read Book Rowdy Rising From Rejected To Unrivaled

desk clerk, practiced laps for hours each day and lived in virtual poverty. Moody's driving voice captures the naysayers who dismissed "the old guy in the pool" and then it brings home the explosive performances that delivered three gold medals before cheering throngs at the Olympics in Los Angeles. But Rowdy Rising takes readers beyond the dark-horse podium glory of 1984 and goes on to examine Gaines' lifelong immersion into what may be the world's oldest sport. Cataloging everything from childhood swims in gator-infested neighborhood lakes to records set at the Masters level, the biography of this U.S. hero touches everyone who has ever waded into the water. Perhaps most surprising is the athlete's sudden paralysis and recovery from the potentially life-threatening Guillain-Barre Syndrome. The author also gives readers a perch in the broadcast booth as Gaines' recounts experiences commentating the last six Olympics for NBC and others. The 220-plus page tome is a contextual must-read for anyone anticipating watching the drama of Rio de Janeiro during the Summer of 2016. And beyond the spotlight of world-class competition, the story of Rowdy Gaines brings home the critical need for infant and youth swim lessons. It also serves as an inspiration for every kid who flounders in high school. and every aging adult who looks to the water for the challenges it can bring. In all aspects, it is a story of one man rising above his circumstances.

In this luminous portrait of wartime Washington, Ernest B. Furgurson – author of the widely acclaimed Chancellorsville 1863, Ashes of Glory, and Not War but Murder--brings to vivid life the personalities and events that animated the Capital during its most tumultuous time. Here among the sharpsters and prostitutes, slaves and statesmen are detective Allan Pinkerton, tracking down Southern sympathizers; poet Walt Whitman, nursing the wounded; and accused Confederate spy Antonia Ford, romancing her captor, Union Major Joseph Willard. Here are generals George McClellan and Ulysses S. Grant, railroad crew boss Andrew Carnegie, and architect Thomas Walter, striving to finish the Capitol dome. And here is Abraham Lincoln, wrangling with officers, pardoning deserters, and inspiring the nation. Freedom Rising is a gripping account of the era that transformed Washington into the world ' s most influential city. From the Trade Paperback edition.

#### Greater Britain Third edition

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

Book One: Defender of the Flame Starship pilot Terry Radnor is elated to be among those chosen to defend the secret colony Maclairn against enemies who pose a threat to the spread of paranormal human mind powers. He commits himself wholly to the goal of that world, not guessing how far his effort to protect it will take him from everything else he cares about--his promising career as a Fleet officer, his wife and soulmate, his unborn child. Torn away against his will, he is forced into exile from all that has previously mattered to him, without hope of a chance to fulfill the pledge he has made. Yet a mysterious and extraordinary destiny has been predicted for Terry, and fate leads him to an even dtranger one than anybody could have imagined. Book Two: Herald of the Flame As captain of his own starship Estel, Terry Steward, born Terry Radnor, is committed to spreading acceptance of psi powers and other advanced mind capabilities throughout the colonies of humankind. Barred from contact with Maclairn, he now journeys from world to world, heralding the hopeful future about which he alone knows the full truth. But the opponents of mind-power are gaining strength, and on Earth the persecution of people who develop new abilities is increasing. Soon targeted by bounty hunters, Terry risks everything that matters to him in a desperate attempt to defeat Maclairn's enemies, not guessing that if he lives long enough, he is destined for an even greater role in human history than he has played as a defender of its cause.
