Born to Run

"In Search of Silence" is a 31-day devotional that was designed so that busy mothers' quiet time with the Lord is kept simple, yet meaningful.

Power Wagon

The Blood Drive

Learn to live with God instead of for God. In this candid and achingly authentic book, Fil Anderson shares the healing insights that restored his spiritual compass and guided him back to God--the God who specializes in filling empty souls. Fil Anderson had accomplished more for God than most of his contemporaries, but his worn-out body housed an empty soul. His frenetic pace of ministry had earned him just one thing: greater pressure to do even more. He had fallen for the soul-killing lie that doing more for God would give his life meaning. Then the godly admonition of a spiritual director set this burned-out believer on a life-saving spiritual path. Sometimes the only way to get a new life is by running your old one completely into the ground. This powerful story of a reawakened soul can be the story of every person who has pursued spiritual productivity over intimacy with God and come up empty. It's the

Running in Silence

Monaco et le prisonnier du Rocher. Luigi Ciardelli En collaboration avec Corinne Héron-Mimouni, agent pénitentiaire. Placé sous les verrous en France pour braquage, Luigi Ciardelli est en route, extradé vers l'Italie, pour purger sa peine, lorsque le camion pénitentiaire dévie vers Monaco. La justice monégasque veut le récupérer. Considéré comme l'ennemi numéro 1, Luigi Ciardelli se retrouve emprisonné dans l'une des prisons la plus discrète du monde : celle de Monaco. On suit le confit qui, dès le début, l'oppose à l'administration monégasque qui refuse de l'envoyer dans une prison italienne. Le bras de fer est inégal, et Luigi Ciardelli n'aura dès lors qu'un seul but : s'évader. Dans son projet d'évasion, il entraîne un ancien marine américain. L'auteur devient alors le personnage d'un réel roman d'aventure. L'évasion est réussie. Le Rocher est ébranlé. Des explications s'imposent. S'est-il évadé sans aide extérieure ? Une rumeur de complot commence à planer sur la Principauté. Ce document vécu, d'un homme qui accepte de témoigner, est l'occasion de réfléchir au thème de la justice sous un aspect jamais abordé. La peine de prison, seule réponse à la délinquance, n'est plus vue à travers le délabrement des

prisons françaises et laisse ainsi l'auteur s'exprimer sur la notion d'enfermement. Un sujet intemporel. Luigi Ciardelli a prêté sa plume à Corinne Héron-Mimouni, auteur notamment de Matonne aux éditions Ramsay.

The Road to Sparta

The Autocar

Recounts the author's experiences with the reclusive Tarahumara Indians, whose techniques allow them to run long distances with ease, and describes his training for a fifty-mile race with the tribe and a number of ultramarathoners.

Running with Sherman

Drive Me Out of My Mind is a coming-of-age story of wildness and wandering set primarily in the Upper Peninsula of Michigan—its abandoned iron mines, desperate small towns, and heart-breaking bars. It's the memoir of a boy raised by lawless and itinerant women and how he was cultured—and corrupted—by their hard-living, hard-drinking, and hard-loving ways. Given this lot in life, Faries tells how one boy was hurt into becoming a poet at the ripe age of two—to imagine another world other than the daily madness in front of him—a world where violent stalkers hovered over the hospital beds of women as they gave birth, where father figures also copulated with Gramma, where a worn Barbie doll was a main source of comfort, and where home meant 24 anonymous hovels in 10 years.

Run Silent, Run Deep

Prisoner of the Rock

Rachael Steil clocked in as an All-American collegiate runner; she became a girl clawing for a comeback on a fruitarian diet. This year-long struggle with raw food ended when she realized she had to find her self-respect beyond her identity as a successful runner on a perfect diet. Running in Silence opens the door on the secret world of eating disorders. It provides vital insights for those who don't suffer from

this disorder and an honest and harrowing personal story for those who do. Steil challenges the stigma of eating disorders, looks past appearance, and dives into the heart of obsession.

Speaking a Silence

The Silence of Great Distance

A fascinating collection of real-life personal profiles, *The Myriad Gifts of Asperger's Syndrome* focuses on the talents, abilities, and achievements of individuals with Asperger's Syndrome (AS). Vaschel has a remarkable connection with animals; Richard can tell the weight of any item he lifts to the nearest tenth of a pound; two-year-old Hannah detected a dangerously faulty electrical circuit in her family home; and eight-year-old Clark became conversant in French after only an evening's study. What connects these individuals? They all have AS. John M. Ortiz celebrates the qualities of individuals with AS he has met through his clinical experience, including their characteristic tenacity, honesty, and attention to detail, and looks also at the wide range of careers they have chosen and in which they flourish. This uplifting book should be read and enjoyed by anyone who knows or works professionally with individuals with AS, and anyone with an interest in the subject.

In the visionary tradition of Rachel Carson's *Silent Spring*, *One Square Inch of Silence* alerts us to beauty that we take for granted and sounds an urgent environmental alarm. Natural silence is our nation's fastest-disappearing resource, warns Emmy-winning acoustic ecologist Gordon Hempton, who has made it his mission to record and preserve it in all its variety—before these soul-soothing terrestrial soundscapes vanish completely in the ever-rising din of man-made noise. Recalling the great works on nature written by John Muir, John McPhee, and Peter Matthiessen, this beautifully written narrative, co-authored with John Grossmann, is also a quintessentially American story—a road trip across the continent from west to east in a 1964 VW bus. But no one has crossed America like this. Armed with his recording equipment and a decibel-measuring sound-level meter, Hempton bends an inquisitive and loving ear to the varied natural voices of the American landscape—bugling elk, trilling thrushes, and drumming, endangered prairie chickens. He is an equally patient and perceptive listener when talking with people he meets on his journey about the importance of quiet in their lives. By the time he reaches his destination, Washington, D.C., where he meets with federal officials to press his case for natural silence preservation, Hempton has produced a historic and unforgettable sonic record of America. With the incisiveness of Jack Kerouac's observations on the road and the stirring wisdom of Robert Pirsig repairing an aging vehicle and his life, *One Square Inch of Silence* provides a moving call to action. More than simply a book, it is an actual place, too, located in one of America's last naturally quiet places, in Olympic National Park in Washington State.

PC Mag

The first edition of *A Symphony of Silence: An Enlightened Vision* was inspired by the desire to share with humanity, through multiple voices, the ineffable beauty we experience in our lives when the veil of ignorance is pulled back and the wonder of our essential nature is revealed.. The voices emerging from these pages add vitality and validity to our shared experience of the silence of the transcendent. It is not something beyond our reach, but a reality that has always been with us, quietly awaiting an opportunity to unfold. In this second edition of *A Symphony of Silence*, several new voices are added to the chorus of the first edition. A Catholic priest tells us of using TM as part of his inspired vision of the power of love to transform the lives of abused and destitute children from the streets of South America. The founding director of an orphanage and school in Uganda, who likewise brings TM to children in need, describes to us his compassionate resolve to eradicate suffering within his community. A poet expresses for us in verse the joy of a seeker reaching for the light. A scientist and his colleagues show us the power of TM to reduce stress and alleviate PTSD in the field of law enforcement. An actor, director, producer, and entrepreneur, explores with us his innovative projects for inner city students through "Edutainment." Women, who for decades dedicated themselves to introducing the TM program to their multicultural community, share with us delightful and very personal stories. A pioneering social activist brings us into the conversation he had with Maharishi in 1968 at a conference in Squaw Valley, California. He talked candidly with Maharishi about the need to introduce TM as a tool to bring inner freedom to the inner cities, helping to fulfill the quest for true civil rights. The voices in *A Symphony of Silence* create a glimpse into the vast impact that Maharishi has on many lives throughout the world.

Meet the Pierce family. Desmond Pierce, a hard-working man from the South is determined to give his and wife and daughters a good life in Compton, California. Pearla Pierce is a sexy and seductive mother who plays wifey and devoted mother only when her husband is home. Then there's Carmen, a promiscuous seventeen-year-old on a self-destructive path and jealous of her younger sister. Cashmere, a thirteen-year-old, struggles to hold her family together out of love for her father. When tragedy hits home, Carmen and Cashmere find themselves orphans living with their hateful aunt and having to resort to

stripping and selling drugs to survive. Carmen drags Cashmere into a world of drugs, violence and sex when she allows a ruthless pimp named Black to turn her out. Against her will, Cashmere is also forced to work for Black by prostituting herself for high-class ballers. Carmen's jealousy toward her younger sister continues when she sees Black falling in love with Cashmere. Carmen's need to destroy her sister sets off a chain of events that lands Cashmere in jail. Cashmere is left alone and broken, but with the hope that some way, somehow, she can be fixed.

The Road to Sparta is the story of the 153-mile run from Athens to Sparta that inspired the marathon and saved democracy, as told--and experienced--by ultramarathoner and New York Times bestselling author Dean Karnazes. In 490 BCE, Pheidippides ran for 36 hours straight from Athens to Sparta to seek help in defending Athens from a Persian invasion in the Battle of Marathon. In doing so, he saved the development of Western civilization and inspired the birth of the marathon as we know it. Even now, some 2,500 years later, that run stands enduringly as one of greatest physical accomplishments in the history of mankind. Karnazes personally honors Pheidippides and his own Greek heritage by recreating this ancient journey in modern times. Karnazes even abstains from contemporary endurance nutrition like sports drinks and energy gels and only eats what was available in 490 BCE, such as figs, olives, and cured meats. Through vivid details and internal dialogs, The Road to Sparta offers a rare glimpse into the mindset and motivation of an extreme athlete during his most difficult and personal challenge to date. This story is sure to captivate and inspire--whether you run great distances or not at all.

Stories of the past, as told by the old-timers of Golden Bay.

The Horseless Age

American Soap Journal and Manufacturing Chemist

This is a story of the silent service—the submarine crews which destroyed the Japanese merchant marine. A narrative taut with drama, told with the intimacy of a confession, it deals with two strong-headed men: their loves, their jealousies, and their destinies in the lonely and desperate struggle between the hunter and the hunted. Few war novels will rival Run Silent, Run Deep in the naked realism of its action. None will surpass its rising excitement and brilliant descriptions of men in combat. Unlike many war novels, here is a story that deals with war from the perspective of command. Edward Beach re-creates with fidelity the anguish, agony, and triumphs of command decisions. In Commander Richardson, he has created a character who embodies all that is fine, all that is human, in an excellent naval officer. In a sense, Run Silent, Run Deep is a monument, not to the misfits and the mistakes, but to those men who rose to greatness under the sometimes unbearable tensions of action.
