Secrets of Good English

Let's admit it, we all struggle with Grammar. There, they're or their? Who's or whose? Me or I? Fewer or less? Inside this little book one of Britain's top Grammar Gurus reveals all you need to know about Grammar but were afraid to ask.

A Dictionary of the English Language

"Secrets of English Grammar" is an advanced level study book for adult writers who do not speak English as their mother tongue. In 45 chapters averaging around 1500 words each, it offers detailed, non-technical description and explanation of problematic grammar topics within academic and professional writing. Many of the topics - "Good and Bad Repetition" for example - are rare in, or absent from, mainstream grammar publications. With those that are not, an original approach is always sought. Some chapters are followed by a brief practice exercise with answers. All of the chapters were originally published within a blog of over 200 posts by the same author (GUINLIST: English Grammar and Vocabulary for Academic and Professional Writing). Their selection results from their having proved the most popular in terms of reader views. Within the book, they are grouped into suitable wider categories such as Appropriacy, Linking, Verbs and Nouns.

The Principles of English Grammar With Copious Exercises in Parsing and Syntax

No Room for Secrets

You have studied English for years, yet you still use the wrong tenses. You've tried many methods but you continue to make tense mistakes. You can read tenses, but when you speak or write, you're unsure of which tense to use. The good news is this is very normal. Ken was once like you, but now he can use the English tenses like a native. Urison is a native English speaker. In this book, Ken and Urison will teach you the secret to learn the English tenses effortlessly, automatically, and permanently; and they'll teach you how to achieve that in just two weeks. In this book, you will: learn the tenses effortlessly learn the tense automatically learn the tenses permanently learn the tenses in 2 weeks learn the tenses without memorizing the rules learn to use the tenses like a native and more You have studied English for years, yet you still use the wrong tenses. The reason is simple: The learning methods you've used were ineffective. Change your approach now. Learn from an English teacher who has walked in your shoes before and has gotten the results you want. Discover what the secret is and follow the secret to learn the English tenses quickly and effectively for your guaranteed remarkable results!

A New English Grammar

You have studied English for years, yet you still don't speak English well. You've tried many methods and you still make grammar mistakes, you still can't speak English fluently, and you still can't pronounce English words correctly. You can read English, but you feel too nervous or too shy to speak English. The good news is, this is very normal. You have simply used ineffective methods to learn to speak English. Ken has been in your situation before, but now he can speak English like a native, and he accomplished that in six months. In this book, Ken is going to teach you how to completely get rid of your accent and develop an American or British accent to speak English just like a native speaker, and he'll teach you how to accomplish that in just six months. In this book, you'll: *learn to speak like a native in six months or less*learn to do that on a busy schedule*learn to speak English without translating it first*learn grammar without memorizing grammar rules*learn to build a vocabulary that lasts*learn to pronounce English words like native American or native British*learn to speak English fluently, correctly, naturally, effectively, effortlessly*and more to speak English like a native speaker. You have studied English for years, yet you still can't speak English well. The reason is simply: The methods you used were ineffective. Change your

approach now. Learn from the success who has walked in your shoes before and is getting the result you want. Effortlessly follow the step-by-step instructions in the book to achieve the highest level of fluency to help you speak English like a native speaker. Add to Cart

The Athenæum

The challenge that English-language speakers face if they want to speak German well, is to accurately map German nouns to one of three grammatical genders: masculine, feminine or neuter. Native German speakers acquire their knowledge of the grammatical gender of German nouns from early on. They are not given formal instruction at school about matching nouns to their correct gender, and the topic is not covered in standard German grammar books. For the same reason, native speakers who give German language lessons to foreigners do not teach their students how to match nouns to their gender: One cannot teach what one has not been taught. This book fills that gap in that it explains, in plain English, the principles that map German nouns to a specific gender. This allows foreign students of German to unlock the gender of entire categories of nouns, thereby enabling students to speak German more confidently.

English Grammar For Dummies

You'll discover what "Immersion" is and how it can painlessly take you to a supreme status in your studies. You'll also learn about a related method of learning to pronounce English fearlessly. It's called the "Shadowing." Once you try it you'll realize why so many people praise its effectiveness. ?English is not an easy language to learn.
