In the Waves

The Journal of Prison Discipline and Philanthropy

It is 1740 and Louise Fletcher, a young dairymaid on an Essex farm, has been warned of the lure of the sea for as long as she can remember-after all, it stole away her father and brother. But when she is offered work in the bustling naval port of Harwich serving a wealthy captain's daughter, she leaps at the chance to see more of the world. There she meets Rebecca, her haughty yet magnetic mistress. Intertwined with Louise's story is that of fifteen-year-old Luke, who is beaten and press-ganged, sent to sea against his will on the warship *Essex* in the service of His Majesty's Navy. He must learn fast and choose his friends well if he is to survive the brutal hardships of a sailor's life and its many dangers, both up high in the rigging and in the dark belowdecks. *She Rises* brings to vivid life both land and sea in Georgian England, but explores a thoroughly modern and complex love story. Bold, brilliant, and utterly original, this

## Read Book *She Rises While It Is Still Night* Dreaming In The Four Worlds Of Kabbalah

debut novel is an accomplished and gripping search for identity and survival.

### *She Rises While it is Still Night*

#### Everything That Rises Must Converge

Where I Fall, Where She Rises is a novel that follows two women on opposite ends of a terrorist kidnapping. While one woman suffers and falls at the hands of her captors, the other exploits the fame of such a publicized event to secure a future for her unborn child. Lea Ironstone is a Canadian freelance journalist who recalls her time spent in the very dangerous red zone of Baghdad, after the 2003 U.S. invasion. A self-destructive addict, she refuses to relegate herself to the safer green zone, where most mainstream news journalists like Paul Shell are protected. Desperately seeking a more controversial story to re-establish his fame as a television journalist for GNN, Paul Shell contacts Lea and agrees to meet her in the red zone for a recent finding. They are kidnapped by an insurgent terrorist sect and tortured repeatedly. Carol Shell, Paul Shell's wife lives in New York. Eight months pregnant, Carol is approached by Timothy Abel, her husband's agent. Timothy wishes to represent her "victimhood," which he sees as a very marketable and exploitable asset. Her appetite for fame and celebrity eclipses her familial priorities and she is coerced into a lifestyle that hinges on personal promotion. Lea and Paul find themselves incarcerated in a basement dungeon expecting their next "artistic"

## Read Book *She Rises While It Is Still Night Dreaming In The Four Worlds Of Kabbalah*

torture, while Carol makes her next public appearance to further her star. Lea and Paul's relationship evolves into a mutual understanding of their united fate, while Carol, on the other side of the world, rises in public stature. The novel evolves into an emotional satire, which depicts two strong women who attack the consequences of war on two different fronts.

### The Dark Flood Rises

### Find Your Brave

Author Tamar Frankiel says, The dreams retold in this book come from nearly two decades of dream experiences. Most, but not all, come from my own dream journals. I don't usually distinguish between my dreams and those of others, however. One reason is to preserve privacy for the dreamers and their friends and loved ones who are dreamed. Another, however, is that dreams are not necessarily personal. Even a dream that clearly alludes to a personal situation of the dreamer may have meanings for other people, hints on how to read dreams, or teachings about mystical cosmology. As Kaplan teaches, dreams do not belong to us.<sup>4</sup> In that light, I also want to note that the dreams herein were chosen to illustrate specifics of the various mystical Worlds, so I focus on how a dream represents one type. Many dreams are a mixture of types, as a dreamer's psyche may be touched by different soul energies on the same night. So if your dreams seem more chaotic or scattered than the ones recorded here,

## Read Book *She Rises While It Is Still Night Dreaming In The Four Worlds Of Kabbalah*

don't be discouraged. We learn to sort them out and hear the soul's messages more clearly as we mature in dreaming together. From the perspective of Jewish mysticism, I write to re-introduce a particular spiritual cosmology known as the Four Worlds tradition, showing how the realities revealed in dreams and the Worlds described by kabbalistic tradition mutually reinforce each other. As I recognized when I first read Kaplan's work, the congruence between the four levels of dreaming and the kabbalistic tradition of the four "worlds" of consciousness is nothing short of amazing.<sup>2</sup> For me, it is both confirmation and expansion of our understanding of the hidden dimensions that are the roots of our manifest reality. By "hidden dimensions" I refer to the metaphor of the "tree of life" which, according to Jewish and other mystics as well as some archetypal psychologists, has its roots in heaven (God, Cosmos, Creator) while its branches reach down to produce fruits on earth. Our existence is patterned on that tree, and we cannot fully live unless we are connected to our heavenly roots. Moreover, each of our lives is a channel for the vitality of that tree. The Four Worlds is one way of describing the fundamental pattern, in four levels. The four types of dreaming are like four channels, within the vast consciousness of soul, that connect us to that pattern. Thus our dreams reflect those deeper dimensions of our very existence, once we begin to open their secrets.<sup>3</sup> The path of dreaming has led me to what I knew the mystical path must promise: fullness and wholeness in my life; greater surety, confidence, and faith; the blessings of communities of support, and the promise of future growth. May you find your own way on this path as well.

#### She Rises Late and Her Kids Make Her Breakfast

For the first time in modern history, women are making their way into strategic positions of influence and leadership within the church, public, corporate, charity and voluntary sectors, in unprecedented numbers. Women are called by God to flourish in these arenas. However, there are significant external and internal issues that hinder women in leadership in unique ways. But if you think this book is only for women, you are gravely mistaken. While women's entry onto the leadership arena may have been the catalyst to uncover deep-seated issues in leadership culture, the challenges addressed here are not unique to women in leadership alone. In *7 Deadly Sins of Women in Leadership*, Kate Coleman considers what lies at the root of the many challenges facing today's leaders--women and men--and proposes ways of dealing with them. Effective leadership starts with you and, based on her 35 years of leadership experience, Kate explains how you can: Overcome limiting self-perceptions Establish boundaries Develop a tailor-made personal vision Cultivate a healthy work/life rhythm Stop being a people-pleaser Learn to confront not collude Be intentional with your inner circle Written for every leader from any sector, this proven and practical book will enable you to identify and overcome self-defeating patterns of behavior, in ways that will radically transform

### The Holy Bible, Containing the Old and New Testaments

"I am Ana. I was the wife of Jesus." So begins the new novel from the number one New York Times bestselling author of *The Secret Life of Bees* and *The Invention of Wings*, an extraordinary story set in the first century about a woman who finds her voice and her destiny in a time of great despair and great hope. In her fourth work of fiction, Sue Monk Kidd brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family in Sepphoris with ties to the ruler of Galilee, she is rebellious and ambitious, a relentless seeker with a brilliant, curious mind and a daring spirit. She yearns for a pursuit worthy of her life, but finds no outlet for her considerable talents. Defying the expectations placed on women, she engages in furtive scholarly pursuits and writes secret narratives about

## Read Book *She Rises While It Is Still Night Dreaming In The Four Worlds Of Kabbalah*

neglected and silenced women. When she meets the eighteen-year-old Jesus, each is drawn to and enriched by the other's spiritual and philosophical ideas. He becomes a floodgate for her intellect, but also the awakener of her heart. Their marriage unfolds with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, James and Simon, and their mother, Mary. Here, Ana's pent-up longings intensify amid the turbulent resistance to the Roman occupation of Israel, partially led by her charismatic adopted brother, Judas. She is sustained by her indomitable aunt Yaltha, who is searching for her long-lost daughter, as well as by other women, including her friend Tabitha, who is sold into slavery after she was raped, and Phasaelis, the shrewd wife of Herod Antipas. Ana's impetuous streak occasionally invites danger. When one such foray forces her to flee Nazareth for her safety shortly before Jesus's public ministry begins, she makes her way with Yaltha to Alexandria, where she eventually finds refuge and purpose in unexpected surroundings. Grounded in meticulous historical research and written with a reverential approach to Jesus's life that focuses on his humanity, *The Book of Longings* is an inspiring account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place, and culture devised to silence her.

Suitable for age 16 years and over. As she rises above suspicion. As justice is served.

## Friends' Intelligencer

"She Rises" is a Christian daily devotional for women. It is filled with words of encouragement to strengthen believers in their faith in Jesus Christ. Life brings adversity, and the book challenges the reader to overcome in every circumstance. No matter what sorrow the reader may be struggling with, she is challenged to rise above. It will equip the Christian women to not just survive, but thrive. Readers will hear personal stories about the authors challenge of raising a child with special needs. While at the same time sharing how she personally overcame these challenges. She reached out to other moms with children of special needs and encourages others to do the same. The author uses metaphors to make spiritual analogies that bring their faith to life and challenge the reader to accept pain as a gift.

Make Time for God—and Ice Cream! Want a deeper relationship with God, but with the clock constantly ticking down the rounds, you can't seem to find the time? Kerri Pomaroli, a comedian and mom living life in LA, knows all about the never-ending search for more time. For time-crunched women longing for God, Kerri offers Devotions for the Proverbs 32 Woman. You will laugh and, perhaps cry, your way closer to the Savior through these 90 meditations. In her down-to-earth style, Kerri will teach you how to face mean girls, navigate social media, and stress eat ice cream with a fork—all while learning to put the Lord at the center of all you do.

### She Rises

### She Rises

Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world,

starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. Women Living Well is a clear and personal guide to making the most of these precious responsibilities.

### Women Living Well

Magdalena summons the soul of her friend, Lucia, who migrated north to find work and disappeared. She tells daughter Veronica how they yearned to be teachers. How poverty and gender roles stole away their dreams. Yet, each woman remained true to herself, Lucia as a Zapatista leader and curandera; Magdalena as a weaver and community organizer. But poverty is cruel.

Navigate Life's Storms and Discover a Courage Like No Other Have you ever found yourself in over your head, wondering how you would possibly get through with your faith and sanity intact? Life seems good and then--BOOM!--out of nowhere comes a storm that threatens to drown your hopes. Your storm might be a job loss, loneliness, a crumbling relationship, financial ruin, a serious illness, or the death of a loved one. Whatever it is, you have a choice: Will you cower in fear or will you rise to the challenge? Holly Wagner has endured her share of storms. In *Find Your Brave* she examines the dramatic shipwreck faced by the apostle Paul in Acts 27. There she uncovers profound truths that will guide you safely through life's most difficult moments. Through biblical teaching and personal stories, Holly offers a friendly voice in the midst of overpowering circumstances. She shows you how to anchor your trust in the God who remains faithful in every storm and in whose strength you can Find Your Brave. #RefuseToSink "Find Your Brave is the empowering message your heart needs." --Lysa Terkheurst, Proverbs 31 Ministries

### Up She Rises

Memorial Services Held in the House of Representatives and Senate of the United States, Together with Tributes Presented in Eulogy of Sala Burton, Late a Representative from California, One Hundredth Congress, First Session

From the great British novelist Dame Margaret Drabble comes a vital and audacious tale about the many ways in which we confront aging and living in a time of geopolitical rupture. Francesca Stubbs has an extremely full life. A highly regarded expert on housing for the elderly who is herself getting on in age, she drives "restlessly round England," which is "her last love . . . She wants to see it all before she dies." Amid the professional conferences that dominate her schedule, she fits in visits to old friends, brings home cooked dinners to her ailing ex-husband, texts her son, who is grieving over the shocking death of his girlfriend, and drops in on her daughter, a quirky young woman who lives in a flood plain in the West Country. Fran cannot help but think of her mortality, but she is "not ready to settle yet, with a cat upon her knee." She still prizes her "frisson of autonomy," her belief in herself as a dynamic individual doing meaningful work in the world. The Dark Flood Rises moves between Fran's

## Read Book *She Rises While It Is Still Night Dreaming In The Four Worlds Of Kabbalah*

interconnected group of family and friends in England and a seemingly idyllic expat community in the Canary Islands. In both places, disaster looms. In Britain, the flood tides are rising, and in the Canaries, there is always the potential for a seismic event. As well, migrants are fleeing an increasingly war-torn Middle East. Though *The Dark Flood Rises* delivers the pleasures of a traditional novel, it is clearly situated in the precarious present. Margaret Drabble's latest enralls, entertains, and asks existential questions in equal measure. Alas, there is undeniable truth in Fran's insight: "Old age, it's a fucking disaster!"

### With God She Rises

"For Christians who love a bit of sass, this delightful guide poignantly explains how to praise God while accepting the messiness that life brings."—*Publisher's Weekly* *God is Crazy About You—Hot Mess and All!* If you're anything like Kerri Pomarolli, you've read Proverbs 31 and thought, "Who is this woman? And what kind of magic unicorn, Energizer Bunny juice does she have on IV?" And you thought social media standards were hard to live up to! As a sought-after comedian living in LA, Kerri knows about impossible standards. "I don't plow, and I don't rise early. When it says she gathers her food from afar, does that mean takeout?" In *Confessions of a Proverbs 32 Woman*, Kerri fearlessly shares the messiness of her own life with wit and honesty. Join her as she delves into the struggles of the modern woman tired of trying and failing to live up to Pinterest-looking, air-brushed, and insta-filtered "real life" role models telling her she's not quite good enough. And learn the two things you can hold onto for longer than your smartphone: genuine self-awareness and humble God-awareness. Kerri is a

## Read Book She Rises While It Is Still Night Dreaming In The Four Worlds Of Kabbalah

self-proclaimed hot mess for Jesus who has learned that God never said our lives would be mess-less, but He also never intended for us to wallow forever without a way through. When you're at your most hopeless, God and His Word will meet you there, where you'll find, as Kerri has, that this #hotmess4Jesus thing really can be the best possible life to live.

### Where I Fall, Where She Rises

### 7 Deadly Sins of Women in Leadership

"One part science book, one part historical narrative, one part memoir . . . harrowing and inspiring."—The Wall Street Journal  
How a determined scientist cracked the case of the first successful—and disastrous—submarine attack  
On the night of February 17, 1864, the tiny Confederate submarine HL Hunley made its way toward the USS Housatonic just outside Charleston harbor. Within a matter of hours, the Union ship's stern was blown open in a spray of wood planks. The explosion sank the ship, killing many of its crew. And the submarine, the first ever to be successful in combat, disappeared without a trace. For 131 years the eight-man crew of the HL Hunley lay in their watery graves, undiscovered. When finally raised, the narrow metal vessel revealed a puzzling sight. There was no indication the blast had breached the hull, and all eight men were still seated at their stations—frozen in time after more than a century. Why did it sink? Why did the men die? Archaeologists and conservationists have been

## Read Book She Rises While It Is Still Night Dreaming In The Four Worlds Of Kabbalah

studying the boat and the remains for years, and now one woman has the answers. In the Waves is much more than just a military perspective or a technical account. It's also the story of Rachel Lance's single-minded obsession spanning three years, the story of the extreme highs and lows in her quest to find all the puzzle pieces of the Hunley. Balancing a gripping historical tale and original research with a personal story of professional and private obstacles, In the Waves is an enthralling look at a unique part of the Civil War and the lengths one scientist will go to uncover its secrets.
