Zander Donovan is a racing champion but too much excess in his personal life forces him to step away. Getty Caster is running away from an abusive past but a stranger has rented her beach house. Can Zander and Getty help each other heal?

About Love

"File this book under A for Amazing." -Jay Kristoff, New York Times bestselling author Discover book two in the sci-fi space trilogy that Bustle described as "The 100 meets Illuminae" and Marie Lu called, "a high-octane thriller." Emmett Atwater thought Babel's game sounded easy. Get points. Get paid. Go home. But it didn't take long for him to learn that Babel's competition was full of broken promises, none darker or more damaging than the last one. Now Emmett and the rest of the Genesis spaceship survivors must rally and forge their own path through a new world. Their mission from Babel is simple: extract nyxia, the most valuable material in the universe, and play nice with the indigenous Adamite population. But Emmett and the others quickly realize they are caught between two powerful forces-Babel and the Adamites-with clashing desires. Will the Genesis team make it out alive before it's too late? Praise for Book 1 in The Nyxia Triad: "A high-octane thriller . . . Nyxia grabs you from the first line and never lets go." -Marie Lu, #1 New York Times bestselling author of the Young Elites series "Brilliant concept meets stellar execution in this fast-paced deep space adventure. I was hooked from page one." -Victoria Schwab, #1 New York Times bestselling author

Miami Indian Language Shift and Recovery

Cosega Shift, the thrilling conclusion of the Cosega Sequence trilogy, begins with an unexpected twist that forces Gaines to question, who is the real enemy? Close to cracking the meaning of the Cosega Sequence, he has gone beyond proving that modern humans did not create Earth ' s first technologically advanced civilization. The Eysen has revealed secrets that exceed the most fantastical imaginings. But the combination of knowledge and destiny are dangerous. As the world ' s strongest powers move in on him, Gaines learns his enemies are nearer than his friends. They will do anything to obtain the Eysen and silence him. With time running out, the lost Clastier Papers may hold the key. Who were the Cosegans? What did they want us to see? And, what did they need us to know? Destroy enough of the past . . . you may just dictate the future.

Teacher Education in Transition: An experiment in change. v. 2. Emerging roles and responsibilities

Hope for spiritual refugees, church burnouts, and freedom seekers. After years of participating in a comfortable faith tradition, many find themselves in a spiritual wilderness, feeling disillusioned with church, longing for more freedom and less religion in their lives. If that describes you, you ' re in good company. Countless men

Read Book Shift Move From Frustrated To Fulfilled

and women are in the middle of a shifting faith—and aren't sure where to turn. But losing beliefs doesn't mean you have to lose your faith. Pastor, friend, and spiritual director Kathy Escobar has journeyed with many who have experienced significant shifts in the faith they once considered unchangeable. Through their stories and her own, Kathy has discovered that growth and change are natural parts of life in our relationship with God. Filled with honest stories and practical insights, Faith Shift gives language to what many experience as their faith evolves. With an inviting blend of vulnerability and hope, it addresses the losses that come with spiritual shifts and offers tangible practices for rebuilding a free and authentic faith after it unravels. Includes personal reflection and group discussion questions at the end of each chapter.

Life Shift

Twenty-three great minds were asked to "tune in" to the planetary consciousness and write about the coming global shift in human consciousness. Contributors include Shakti Gawain, Jean Houston, Neale Donald Walsch, Barbara Hand Clow, Robert Anton Wilson, Sirona Knight, and others. The resulting experiment in consciousness is both a beautiful road map to the coming changes and a guide to flowing with them.

Nyxia Unleashed

Know who you are and what you stand for—and use that knowledge to become a truly great leader! Four great books help you become a more focused, honorable, successful leader! In *Identity: Your Passport to Success*, Stedman Graham reveals why success in life flows from establishing your authentic identity: first, within yourself, and then outside, in the world. Graham provides a working definition of identity, shares powerful insights about why it 's so important, offers a process and structure for your own journey, and introduces his patented 9 Step Plan for Success™. In *Leading at a Higher Level, Revised and Expanded Edition*, the legendary Ken Blanchard and his colleagues bring together everything they 've learned about world-class leadership. Discover how to create targets and visions based on the “triple bottom line,” and make sure people know who you are, where you 're going, and the values that will guide your journey. In *Winners Never Cheat*, Jon M. Huntsman shows how to succeed at the top, without sacrificing principles that make life worth living. Huntsman personally built a \$12 billion company from scratch, the old-fashioned way: with integrity. Now, he tells you how he did it, and how you can, too. Finally, in *Moral Intelligence 2.0*, Doug Lennick and Fred Kiel demonstrate why sustainable optimal business performance requires superior moral and emotional competencies. Using new case studies, they identify connections between moral intelligence and higher levels of trust, engagement, retention, and innovation. Readers will find specific guidance on moral leadership in both large organizations and

Haitian Frustrations

Business Week

A discerning Washington bureaucrat (there are a few) once professed that an accurate appraisal of government policies, laws, and procedures requires a thorough examination of the intent and context surrounding their enactment in the first place. A sage and logical deduction, right? Yet this guidance is so often ignored by the impatient. The inimitable national security events described herein occurred over

Read Book Shift Move From Frustrated To Fulfilled

twenty years ago, a lifetime to some, just yesterday to others. The #1 national security concern of the United States government during the early '90s was the domestic threat posed by the illicit international drug trade. By comparison, the threat of foreign terrorism was considered a distant third or fourth on the priority scale. It was during this period of time that a mid-level Drug Enforcement Administration field Special Agent was detailed to the National Security Council staff and given the lofty title of Director for Counternarcotics. The assignment was designed to enhance DEA's influence at the policy level while providing policy-makers with valuable "real world" background information. The one year duty lasted four years and took the author, now the sole Director of Counternarcotics and Counterterrorism on the NSC staff, through a maze of inter-agency squabbles and national security policy inefficiencies. The author's last two years were the first two years of the William J. Clinton presidency and involved an unprecedented shift between the previous national security priority and a new emerging threat to the US. The account is a compelling narrative of the events that led to this shift and the often unmeasured consequences of inexperienced executives leading the development of national security policy. The lessons not-learned, admittedly with the invaluable assistance of hindsight, continue to effect the world we live in today.

Cosega Shift

Best selling author Dutch Sheets will inspire and encourage readers with this clear,

Read Book Shift Move From Frustrated To Fulfilled

revelatory study of God's appointed times and seasons. Going beyond the basic definitions of kairos and chronos, Dutch brings fresh insight to the subject, examining Scripture to show how kairos (strategic) times and chronos (general) times are not two separate and unrelated seasons in our lives but rather, are often simply different phases of the same process. Dutch looks at how God brought about His divine shift in the lives of men and women throughout the Bible, and the many ways in which God used these seasons of change to deepen His people's understanding of Him.

Making it on Your Own

What's your next move? Every day, we move in one direction or another. We're free to choose from endless possibilities. Only you can choose the direction for the rest of your life. In *Leading at a Higher Level*, Updated Edition, Blanchard and his colleagues bring

Read Book Shift Move From Frustrated To Fulfilled

together everything they've learned about world-class leadership. You'll discover how to create targets and visions based on the "triple bottom line" and make sure people know who you are, where you're going, and the values that will guide your journey. From start to finish, this book extends Blanchard's breakthrough work on delivering legendary customer service, creating "raving fans," and building "Partnerships for Performance" that empower everyone who works for and with you. Updated throughout, this new edition contains two powerful, important new chapters: one on coaching to create higher-level leaders, and another on creating a higher-level culture throughout your organization. It also offers the definitive, most up-to-date techniques for leading yourself, individuals, teams, and entire organizations. Most importantly, it will help you dig deep within, discover the personal "leadership point of view" all great leaders possess—and apply it throughout your entire life. In *Helping People Win at Work*, WD-40 Company President/CEO Garry Ridge reveals how his company has used Blanchard's techniques to "Partner for Performance" with every employee, and achieve unprecedented levels of employee engagement and commitment. Ridge introduces WD-40's performance review system, explaining its goals, its features, and the cultural changes it required. Next, Ridge shares his "leadership point of view": what he expects of people, what they can expect of him, and where his beliefs about leadership and motivation came from. Finally, in Part IV, Ken Blanchard explains why WD-40's Partnering for Performance program works so well and how it can work for you, too. This book isn't about cheerleading: it's about transforming performance review one step at a time and reaping record-breaking
