Never Look a Polar Bear in the Eye

"The Life Story of a Black Bear" by Harry Perry Robinson. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Where the Crawdads Sing

"When she embarks on a charade of exchanged identities one night to save the family tea plantation, spirited Rose Chesterfield gets more than she bargained for: marriage to the deliciously notorious rake, Viscount Rampton. Unwittingly implicated in a series of high-profile jewel robberies, Rose must outwit a jealous adversary in order to clear her blackened name. But can she regain the love and respect of her husband?"--Publisher description.

Bear Can't Sleep

Forest and Stream

When winter's snow creates a soft blanket of silence, nothing is more comforting than curling up under a cozy quilt. Whether slumber awaits in a warm bed, a rocking hammock, or a nest of leaves, the feeling of comfort and the infinite world of dreams are universal. This reassuring lullaby will calm any child to sleep, while Brooke Dyer's

gentle illustrations show that the little details in everyone's niche truly make a place into a home.

Sleep Tight, Sugar Bear and Grayson, Sleep Tight!

This book is personalized in Ava's name. If you would like to order in a different child's name, go to estorytime.com BEFORE you order to let us know your little one's first name. Thanks so much!" -- Suzanne Tags: personalized children's books, personalized gifts, personalized baby gifts, personalized, bedtime stories, bedtime story, Ava, 1st birthday gifts

The Bear Who Couldn't Sleep

There are times in life we face things not of our own doing or choosing. We are at the mercy of our own feelings. We look at things and still can't see what lies beyond. Sometimes those who are blind have the greater vision. They can touch what we don't perceive. They hear what others can't. Most people who are blind do not become the cynic, rather the acceptor of the spirit. To them rain is thirst. To them the ground they walk on is their foundation. They seek rather than retreat. They question life's hypocrisies. They are the true believers. While some turn their back on the truth, they welcome it. They show a strength that we cannot fathom. Meet Debra Lee Diggins, she is all of this and more. Join her on her journey-take her hand and walk with her. Sometimes the Bullfrogs Sing is a story of a young girl's transcendence from girl-child to womanhood. It is also the story of Thaddeus Morgan, a troubled black man who has been on the run

most of his adult life. From the time they meet each other, a bond is formed that will last a lifetime. Debra has a unique gift, even though blind, she is able to reach inside of people. She brings out the best in him and shows him how to trust again and, yes, believe there truly is a good side of life. They guide each other through personal tragedy and prove the total hypocrisy of racism. To Debra, you are how you represent yourself. To her, you are every man, every woman, every child. This story is about the true triumph of the spirit. Join her on her journey from the town of Viola, Alabama, to the city of Farley, Illinois, where an adult woman and an attorney fight for a young wife on trial for a capital crime. A scene from Sometimes the Bullfrogs Sing The setting, where Debra, her Aunt Lucy, Thaddeus, his girlfriend Geneva, and Debra's friend Nancy are all sitting on a blanket down by the creek. "Why do the bullfrogs make that sound?" Debra asked. Geneva stood up and pointed in the direction of the sounds that they were making. She replied in a soft, seductive voice, "That's them singing, singing to each other. The women singing to their menfolk, come on over, get to know me. Once you meet me, we're gonna get along real good." Debra replied, "Bullfrogs can't sing." Geneva turned to Debra. "Yes, they do, honey. You just have to listen the right way. Everyone in life, all God's creatures, needs someone special to spend good times with, so you can put the bad ones behind. Times so bad you get knocked down and don't want to get up."

Our Young People

Join Mika, a cute little bear on secret quest to avoid hibernation so that she can see the beauty of the Northern Lights for herself! Mika is a little bear who loves to run and play all over the forest, but she soon learns that winter is on its way, and she is supposed to spend these long, cold months hibernating with her mother and father. When the Old Owl tells Mika about the Northern Lights that appear every winter, she can't stand the thought of missing something so beautiful, and so she sets out on a secret, snowy adventure to find them!

The Blackest Night

Church has become a commodity, a business with a community of controlled people called a colony, the people will then become without knowing a product of charismatic charm, hypnotic goods with flattery services that only attracts a "marsupial spirit" the confinement that limits the freedom of one serving as a true receptacle. Be not deceived God is not mocked! God's ways are exceedingly intricate, any attempt to formulate or to stamp a doctrine on His itinerary becomes a sham, burdened with pretension. In The Verdict, Author Anita Snowden draws attention concerning God and His order, so the Church can wake up out of her sleep.

How Could a Bear Sleep Here?

If you find yourself in severe personal trials, wondering where God is, this book is for you. Do you have a pile of insurmountable problems, a tragedy about to happen, or maybe a pattern in your life that goes on and on, never seeming to change or improve? It's another trip around the mountain, and the mountain is getting steeper and rockier every time. Huge obstacles keep blocking your way; death lurks around the next bend; a black cloud follows you wherever you go. What are we willing to endure in order to be changed by God? While the disciples expected to see greater victory, comfort, and excitement from their Master, Jesus talked more and more about dying, giving all, and taking up your cross. While they wanted to celebrate and make Him king, He told them He was going to suffer and die, and they were too. Why? Because suffering is the scriptural price of drawing closer to Him.

Can't You Sleep, Little Bear?

Another body in a string of ritualistic murders. A serial killer who's getting cocky. Detective Derek Childress thinks this day just can't get any worse. And then he meets his new partner. Investigator Kayle Perrine is a Variant: one of several races of once-thought mythical creatures who now live among and lord-over humankind. Led by a group of vampires called the Clan Gentry, the Variants protect their own, just as they did when Derek's previous partner was killed by one, nearly a year ago. Now that Perrine's on the case, Derek expects a cover-up. Kayle Perrine has worked his whole life to prove himself, but being paired up with a boorish mundane like Derek Childress is feeling more like punishment than reward. Derek is so blinded by his prejudice against Variants, that he refuses to see the evidence Kayle finds blatantly obvious. The sooner Kayle can close this case, the sooner he can go back home and forget about the infuriating human detective. A brutal attack forges a fragile truce between the two men, driving them together. Derek and Kayle must learn to trust and depend on each other while tempers flare and passions of every kind run hot between them. Yet as they begin to grow closer, one fact continues to keep them apart: they are from different worlds. With time running out to solve this case, Derek and Kayle understand that love may not be enough to overcome prejudice, politics, and murder.

Why Do Bears Sleep All Winter?

As winter comes and Big Bear prepares to hibernate, he keeps thinking he hears Old Man Winter giving him exhausting orders that prevent him from sleeping.

Silas Marner

"When Bear can't sleep, he goes on an adventure and discovers the wonders of New York City--a parade, Central Park, hot dogs, and more! But when he finally gets tired and looks for a place to rest, he learns why it's called the city that never sleeps"--Dust jacket flap.

Sometimes the Bullfrogs Sing

Thirteen years ago, a wrongful conviction sent an innocent man to prison. Still mentally and physically scarred six years after his release, William Law believed the darkest days of his life were behind him, until the night he is attacked in a dark alleyway. As Law tries to deal with the outcome and struggles to understand the reasons behind the encounter, a more troubling presence begins to make itself known. Meanwhile, a missing teenager's disappearance is being treated as a murder investigation. Homicide inspector Mac Jackson is leading the inquiries. With no contact, no ransom demand, and all the leads exhausted, his case soon grows cold. Then Jackson receives an anonymous phone call from a tipster with some startling information. As Jackson follows up on the new lead, he unearths clues connecting one crime to another, and learns that the most unconventional path might be the only one that leads to the truth.

Why We Sleep

This book is uniquely original and can be personalized with any boy's name. How fun is that? Over 500 book names already published on Amazon! Think of the possibilities: baby or shower gifts, birthdays, a special something from grandma, and more. You can purchase the book's title as shown (this book is in GRAYSON'S NAME), OR you can request a new book be published in the name you desire. It's easy to order in 3 steps: 1. Go to estorytime.com BEFORE placing your Amazon order to let Melissa know the name you want personalized on your book. 2. Click on the "Personalize It" tab and add the name and book title you would like. Send this information to Melissa. 3. Melissa will take care of the rest. She will publish your new book title on Amazon, and once published, will get a link from Amazon to email to you. Once you receive this link, you can order your book just like any Amazon product. Easy! We've taken the worry out of the process and your child will be thrilled with the final product. Who doesn't like to see their name on the cover or hear it related throughout the story? The author, Melissa Ryan, is the mother of five children and knows the importance of reading to your little ones. It instills a love of books and fosters an active imagination in the youngest of readers. Help start them on a path of discovery with Melissa's stories. The tale of Grayson is perfect for bedtime, especially when unleashing the child's wonder by using his own name. This is a book that can be enjoyed over and over again, and will be remembered long after the last page is read and the lights turned out. Sleep Tight, Sugar Bear and Grayson is beautifully written and will hold your child's attention while you share this delightful tale. Help your child discover the beauty behind

each season, as Grayson experiences a lazy winter snowfall and the warmth of his cozy bed. Frolic with him in the puddles of a springtime shower or splash in a pool under the summer sun. Grayson will capture your heart, and the moments spent reading it together will build fond memories that will be cherished throughout the years. Your little boys grow up all too fast; make lasting impressions while you can. This is just one of several books offered by Melissa in her ever-expanding children's book series. You'll learn to love and appreciate the extra attention that goes into each volume. Special care is taken to keep the child's heart at the center of each story, helping them build character and learn something along the way. Encourage that special child in your life to embrace all that is warm, cuddly, and good. Spend a few minutes with Sugar Bear, making bedtime the best part of his day, and build a binding relationship with the power of reading you'll look back in awe at the foundations you've built. Please customize and purchase this book for a special little boy in your life today. Shh! Bears Sleeping

Diana Walsh, descended of an Avalon priestess, has inherited a treasured piece of amber and the responsibility of keeping it safe for Sir Kay, its rightful owner. She's studied the history with an eye to the future so she can support and assist Sir Kay, should he return in her lifetime in the 21st century. Since making a vow to King Arthur during his first life in the sixth century, Sir Kay has been chasing his nemesis Mordred through time. When he wakes in a strange new world, he knows the evil sorcerer is making another attempt to restore a powerful immortality talisman. In his pursuit of Mordred, he discovers an unexpected ally in Diana. Knowing there is no hope for humanity if Mordred succeeds, Diana and Kay must unravel a wealth of long-buried secrets and magics before evil grows out of control.

Little Cutie

As winter comes and Big Bear prepares to hibernate, he keeps thinking he hears Old Man Winter giving him exhausting orders that prevent him from sleeping.

Goodnight Moon

"Provides an explanation of what hibernation is including why animals hibernate, and how they do it."

Sera's Dreams Come True

Little Bear can't sleep. He's frightened of the dark, even with the

Biggest Lantern of Them All at his bedside. But Big Bear finds an ingenious way to reassure him.

Goldilocks and the Three Bears

A sizzling romance and a romp with subatomic particles at CERN. Love, discovery and adventure in the city where nations meet and beams collide. Life in a large laboratory. As always, the challenges are the same. Who leads? Who follows? Who succeeds? Who gets the credit? Who gets the women or the men? Young Jeremy arrives in CERN and joins the quest for green energy. Coping with baffling jargon and manifold dangers, he is distracted by radioactive rats, lovely ladies and an unscrupulous rival. Full of doubts and hesitations, he falls for a dazzling Danish girl, who leads him astray. His brilliant idea leads to a discovery and a new route to cold fusion. But his personal life is scrambled. Does it bring fame or failure? Tragedy or triumph?

Oh Charlie

In the fall When leaves turn red Bears know soon It's time for bed Comes winter Comes snow Bears are ready Bears go In their cave Warm and deep Winter is time For bears to sleep A lilting read-aloud text and stunning pictures combine to make an irresistibly appealing picture book that follows these fascinating animal friends through the cycle of the year. A page of facts about bears will answer young readers' questions as they begin to explore the wonders of the natural world.

When Does It Get Easier?

Bear's many animal friends try to help him get to sleep in time for winter hibernation in this companion story to Bear Snores On. It's winter, and deep in the forest, Bear should be fast asleep. But when his friends come by to check on him, they realize that Bear is still awake! They brew him hot tea and sing him lullabies, but nothing seems to work. Can Bear get to bed? Or will he be up all winter?

Body, Mind and Spirit

In this humorous mix of travelogue and memoir, a writer temporarily moves his California family north to Canada's Polar Bear Capital of the World. Welcome to Churchill, Manitoba. Year-round human population: 943. Yet despite the isolation and the searing cold here at the arctic's edge, visitors from around the globe flock to the town every fall, driven by a single purpose: to see polar bears in the wild. Churchill is "The Polar Bear Capital of the World." And for one unforgettable "bear season," Zac Unger, his wife, and his three children moved from Oakland, California, to make it their temporary home. But they soon discovered that it's really the polar bears who

are at home in Churchill, roaming past the coffee shop on the main drag, peering into garbage cans, scratching their backs against fence posts and front doorways. Where kids in other towns receive admonitions about talking to strangers, Churchill schoolchildren get "Let's All Be Bear Aware" booklets to bring home. (Lesson number 8: Never explore bad-smelling areas.) Zac Unger takes readers on a spirited and often wildly funny journey to a place as unique as it is remote, a place where natives, tourists, scientists, conservationists, and the most ferocious predators on the planet converge. In the process he becomes embroiled in the controversy surrounding "polar bear science"—and finds out that some of what we've been led to believe about the bears' imminent extinction may not be quite the case. But mostly what he learns is about human behavior in extreme situations . . . and also why you should never even think of looking a polar bear in the eye.

A Mind to Mind Conversation

Elijah is a clever little ghost in this adorable, not scary, Halloween book for young children. Elijah's story includes plenty of Halloween characters: friendly vampires, helpful jack-o-lanterns, silly mummies, batty black cats, cute bats and witty witches! Told with colorful illustrations and lighthearted rhymes, children have fun developing essential pre-reading skills necessary for success in school. It makes a great gift for any child, but especially for an "Elijah" because he is the star of this book, and his name is featured throughout. Note that this book is available with many other popular names!

A Little Deception

Mika

It's time for Shelby to hibernate, but how could a bear sleep in this noisy forest? The woodpeckers are rat-tat-tatting, the squirrels are cracka-cracka-crunching--there's too much noise! When Shelby spies the perfect cave, only too late does he realize he's hopped aboard a tour bus bound for the beach. Coupled with hysterically expressive illustrations by Stephanie Laberis, Julie Gonzalez's lively text and familiar refrain sings as Shelby, after several attempts to snooze in the tropics with increasing exhaustion, finally discovers the perfect solution to his noise problem. This is a great read-aloud for young readers who will recognize the refrain ("How could a bear sleep here?") and the silliness of Shelby's predicament

Catalysed Fusion

The story of the humble and mysterious figure of the linen weaver Silas Marner, on his journey from solitude and exile to the warmth and

joy of family life.

Timeless Changes

When Goldilocks sneaks into the three bears' cottage, no one seems to be home. But the bears soon return from their walk Will they catch that naughty little girl? My First Fairy Tales are a magical introduction to the well-loved stories that are a key part of every childhood. With fresh and fun illustrations, these simple re-tellings of classic fairy tales make a perfect bedtime read for three to six year olds. Make sure you collect The Three Billy Goats Gruff and Jack and the Beanstalk, too!

Sleep, Big Bear, Sleep!

Sera's Dreams Come True is a book about continuing to dream, no matter what. The author, a seven-year-old girl, is full of dreams and believes that everyone should continue dreaming.

Teddy, the Sleepy Bear

He was famous for telling stories. He could always make the story interesting. He had a way of seeing the best or funniest of every situation. He wrote down over 180 of his best stories in his last few years for all his family and friends. You will laugh, and relate to the stories of childhood, school years, and growing up during the depression. From his northern New Jersey, small town home he shares what it was like growing up in the 20's and 30's. From logging to working with horses, the stories provide a great view of the life style from that time period.

Sleep, Big Bear, Sleep!

Do you ever feel like you could do more with your life, but you don't know where to start? Do great ideas keep going through your mind, barely changing from year to year? Do you need the tools to get you going in the right direction? This book has one purpose: To help you make your dream come true, no matter how big that dream might be. To change your life you need the desire to change and the commitment to make that change possible through action. Mind to Mind Conversations will help start you on the path to a new life.

Goodnight Ava and the Moon, It's Almost Bedtime

This deceptively simple bedtime book helps your child understand the lakeshore environment of Michigan and Sleeping Bear Dunes. As children say goodnight to the animals that call the beach home, they form lasting connections to the real-world environments and ecosystems around them. Even the most reluctant sleeper can't resist the lyrical

rhymes and soothing illustrations. Sure to become your child's favorite bedtime story, Goodnight Sleeping Bear travels through the dunes at sunset to lull your little one to sleep. With sturdy pages and rounded corners, this book is durable enough for lots of learning fun.

A Summer Without Flowers

The author presents his personal weight loss and management program that emphasizes permanent nutrition and lifestyle changes to achieve long-lasting changes in health and wellness.

Elijah & the Grand Prize Halloween Pumpkin

The Verdict

#1 New York Times Bestseller A Reese Witherspoon x Hello Sunshine Book Club Pick "I can't even express how much I love this book! I didn't want this story to end!"--Reese Witherspoon "Painfully beautiful."--The New York Times Book Review "Perfect for fans of Barbara Kingsolver."--Bustle For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life--until the unthinkable happens. Perfect for fans of Barbara Kingsolver and Karen Russell, *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

The Black Bear

In this classic of children's literature, beloved by generations of readers and listeners, the quiet poetry of the words and the gentle, lulling illustrations combine to make a perfect book for the end of the day. In a great green room, tucked away in bed, is a little bunny. "Goodnight room, goodnight moon." And to all the familiar things in the softly lit room--to the picture of the three little bears sitting on chairs, to the clocks and his socks, to the mittens and the kittens, to everything one by one--the little bunny says goodnight. One of the most beloved books of all time, *Goodnight Moon* is a must for every bookshelf and a time-honored gift for baby showers and other

special events.

Sleep, Black Bear, Sleep

"Sleep is one of the most important but least understood aspects of our life, wellness, and longevity. An explosion of scientific discoveries in the last twenty years has shed new light on this fundamental aspect of our lives. Now neuroscientist and sleep expert Matthew Walker gives us a new understanding of the vital importance of sleep and dreaming"--Amazon.com.

How to Lose Weight in Your Sleep

Long ago, the Morrigan, legendary Celtic goddess of war and death, foresaw a grim future for the human race, and she has watched and waited as the world has become tainted by excess and greed, finally blighting even her sacred space. Enraged, she vows to give humanity a world as desolate as their empty hearts, carpeted with their bones and blood. The Dagda, father of life, stays her hand temporarily and sends Tristan, an immortal Sidhe prince, to enlist the aid of two humans the Dagda knows well, although they've never given a thought to the possibility of his existence. History professor Brianna Sheffield's biologist husband Paul is a fugitive hiding on the Hopi reservation. Plagued by apocalyptic nightmares, Paul is reminded of Hopi prophecy by his cousin Bear: when man loses belief in himself and respect for the earth he inhabits, disaster will result. Uneasy, Paul heads home to Brianna, but their reunion is shortlived when Tristan tells them that indeed, the doomsday clock is ticking. A love story not only between people, but their devotion to the worlds they vow to protect, this is an epic fantasy adventure of what could happen when climate change and environmental degradation are intertwined with supernatural vengeance and a foretold fate. Provocative and timely, *A Summer Without Flowers* packs an unforgettable punch.

The Life Story of a Black Bear

Goodnight Sleeping Bear

Teddy the sleepy bear is a delightful children's story about a small cub that is always sleepy. He tries to fit in with his new-found forest friends but simply can't do what they can do. Then he discovers that he has an amazing gift to offer to all. He can teach them how to go to sleep and have a good night's rest. Come follow his adventures along with his friends, Tad the frog, Freckles the fawn, Flutters the butterfly, and Dash the rabbit. They will lead you to a peaceful land of lullabies and dreams.

Their Precious Own

Little Cutie is a ragged red and white teddy bear who goes on a vision quest to find out who he is and where he belongs. Along the way, Little Cutie gets advice from a number of woodland animals (all with Ojibwe names) about life, living with humans, and how to find the Great Spirit.
