### Life X 3

West Coast surfing legend Frosty Hesson shares his remarkable life story, the story of his extraordinary friendship with wunderkind Jay Moriarty, and his advice on how to be the best. When Richard “Frosty” Hesson was first approached by a young Jay Moriarty in 1990, the skinny kid with a sparkle in his eye only wanted one thing from the icon: his help in becoming a better surfer. Hesson, one of the first to conquer the huge waves off northern California known as Mavericks, recognized that the kid “had a vision.” Jay quickly demonstrated a resolve that reminded Frosty of his younger self, pursuing his goal with a seriousness far beyond his years. His attitude and work ethic earned Frosty’s respect and, eventually, his friendship. Making Mavericks is the inspiring story of their father-son bond and of the challenges that made each of them who they were—surf legends, and the subject of the upcoming film Chasing Mavericks. In Making Mavericks, Frosty talks about his turbulent youth spent under difficult circumstances, with parents who tried to find a positive way to handle a child with a passion for water and a disregard for his own safety. Throughout his life he developed principles to live by, principles that would become the core tenets of his teaching philosophy. Most significantly, Frosty talks about how one of his best students, Jay Moriarty, used his philosophy to become a surfing phenomenon, and whose life inspired the phrase, “Live like Jay.” Affecting and poignant, Making Mavericks is a celebration of Hesson’s determination to live with joy and purpose, and his desire to

### True Strength

Dear Friend, May I share a story that is very dear to my heart? It's a story of hillbillies and simple folk, net casters and tax collectors. A story of a movement that exploded like a just-opened fire hydrant out of Jerusalem and spilled into the ends of the earth: into the streets of Paris, the districts of Rome, and the ports of Athens, Istanbul, Shanghai, and Buenos Aires. A story so mighty, controversial, head spinning, and life changing that two millennia later we wonder: Might it happen again? Heaven knows we hope so. These are devastating times: 1.75 billions people are desperately poor; one billion are hungry. Lonely hearts indwell our neighborhoods and attend our schools. In the midst of it all, here we stand: you, me, and our one-of-a-kind lives. We are given a choice an opportunity to make a big difference during a difficult time. What if we did? What if we rocked the world with hope? Worth a try, don't you think? - Max Lucado One hundred

## Access PDF Soul Surfer A True Story Of Faith Family And Fighting To Get Back On The Board

The amazing story of the thirteen-year-old surfer girl who lost her arm in a shark attack but never lost her faith -- and of her triumphant return to competitive surfing. They say Bethany Hamilton has saltwater in her veins. How else could one explain the tremendous passion that drives her to surf? How else could one explain that nothing -- not even the loss of her arm in a horrific shark attack -- could come between her and the waves? That Halloween morning in Kauai, Hawaii -- a glorious part of the world, where it's hard to deny the divine -- Bethany responded to the shark's stealth attack with the calm of a girl with God on her side. Pushing pain and panic aside, she immediately began to paddle with one arm, focusing on a single thought: "Get to the beach." Rushed to the hospital, where her father, Tom Hamilton, was about to undergo knee surgery, Bethany found herself taking his spot in the O.R. It's the kind of coincidence that isn't mere coincidence to the Hamilton family, a clan whose motto could easily be "the family that surfs and prays together stays together." To them it was a sign someone had a greater plan than the one they'd been working on themselves -- which had been to scrape together whatever resources they could to help Bethany rise to the top of her sport. When the first thing Bethany wanted to know after surgery was "When can I surf again?" it became clear that her unfaltering spirit and determination were part of a greater story -- a tale of courage and faith that this modest and soft-spoken girl would come to share with the world. Soul Surfer is a moving account of Bethany's life as a young surfer, her recovery in the wake of the shark attack, the adjustments she's made to her unique surfing style, her unprecedented bid for a top showing in the World Surfing Championships, and, most fundamentally, her belief in God. It is a story of girl power and spiritual grit that shows that the body is no more essential to surfing -- perhaps even less so -- than the soul.
