Word Study and Phonics

A bestselling modern classic—both poignant and funny—about a boy with autism who sets out to solve the murder of a neighbor's dog and discovers unexpected truths about himself and the world. Nominated as one of America's best-loved novels by PBS's The Great American Read Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. He relates well to animals but has no understanding of human emotions. He cannot stand to be touched. And he detests the color yellow. This improbable story of Christopher's quest to investigate the suspicious death of a neighborhood dog makes for one of the most captivating, unusual, and widely heralded novels in recent years.

Spectrum Grade 2

Reading words is just the first step, help children comprehend the message by summarizing stories, drawing inferences, supporting answers with text, finding main ideas, and more using Spectrum (R) Focus: Reading for Main Ideas and Details in Informational Text for grade 5. --Spectrum Focus takes aim at specific areas of study and helps children gain mastery by honing one skill at a time.
