A guide to co-creating a healing vision for humanity and the Earth through nature-connected shamanic rituals • Explains the Earth Spirit Dreaming process for rebirthing inherent shamanic abilities with dozens of practices in three categories: Earth-connecting practices, Spirit-connecting practices, and Dream-connecting practices • Provides experiential exercises to foster interactions with the intelligences and elemental energies of nature and the Spirit realm, realign you with the rhythms and flow of life, and co-create a healing dream for humanity and all of life on our planet • Contains step-by-step directions for connecting with the light guides of the planet for guidance and healing Humanity has become profoundly disconnected from the web of life on Earth as well as from nature as a whole. In this practical guide, Elizabeth E. Meacham details her field-tested method of shamanic ecotherapy practices to resolve this centuries-long trend toward disconnection. Through these practices, you will learn how to reconnect to Earth's systems and help restore health and balance to people and the planet. Translating transformative ideas from visionary environmental thinkers into engaging shamanic rituals for profound

spiritual growth, Meacham offers dozens of practices in three categories: Earth-connecting practices, Spirit-connecting practices, and Dream-connecting practices. Building on one another, the exercises open channels to allow you to directly experience the intelligences of the Earth and Spirit realms, rebirth your inherent shamanic abilities, realign you with the rhythms and flow of life, and reclaim your ancestral power for co-creating a healing dream for our species and all of life on our planetary home. Guiding the reader through a progressively deepening journey toward connection with ourselves, each other, and the consciousness of our biosphere, the practices also invite profound mindfulness, as we work to hold a vision of connection with the Earth and Spirit realms, while choosing consciously to focus on joy, beauty, gratitude, love, and healing. Illuminating a shamanic awakening within Western culture at the dawn of an ecological age, Earth Spirit Dreaming reveals how the birth of a global consciousness of healing depends upon our commitment to individual and collective spiritual evolution. Calling us back to our shamanic heritage of a living nature spirituality, this manual offers much needed guidance on the essential journey back to an intimate love of Earth.

In Nahuatl yolqui is the idea of a warrior brought back from the dead. For author and activist Roberto Cintli Rodríguez, it describes his own experience one night in March 1979 after a brutal beating at the hands of L.A. sheriffs. Framed by Rodríguez's personal testimony of police violence, this book offers a historia profunda of the culture of extralegal violence against Red-Black-Brown communities in the United States. In addition to Rodríguez's story, this book includes several short essays from victims and survivors that bring together personal accounts of police brutality and state-sponsored violence. This

wide-ranging work touches on historical and current events, including the Watts rebellion, the Zoot Suit Riots, Operation Streamline, Standing Rock, and much more. From the eyewitness accounts of Bartolomé de las Casas to the protestors and allies at Standing Rock, this book makes evident the links between colonial violence against Red-Black-Brown bodies to police violence in our communities today. Grounded in the stories of the lives of victims and survivors of police violence, Yolqui, a Warrior Summoned from the Spirit World illuminates the physical, spiritual, and epistemic depths and consequences of racialized dehumanization. Rodríguez offers us an urgent, poignant, and personal call to end violence and the philosophies that permit such violence to flourish. Like the Nahuatl yolqui, this book is intended as a means of healing, offering a footprint going back to the origins of violence, and, more important, a way forward. With contributions by Raúl Alcaraz-Ochoa, Citalli Álvarez, Tanya Alvarez, Rebekah Barber, Juvenal Caporale, David Cid, Arianna Martinez Reyna, Carlos Montes, Travis Morales, Simon Moya Smith, Cesar Noriega, Kimberly Phillips, Christian Ramirez, Michelle Rascon Canales, Carolyn Torres, Jerry Tello, Tara Trudell, and Laurie Valdez.

In your walk with God, you may have experienced a vision or dream designed to instruct or warn you of things to come. The Bible tells us to expect such experiences and to write them down for future reference. As a visionary, I have experienced both with frequency. Recently, I was made privy to what I have come to know as dream visions. These encounters with the Holy Spirit allow us to travel through space, in and out of time as He teaches us who we are in Christ. During these encounters, we experience the transcendence of Father God. In this state, we discover the hidden mysteries of God's expectations of us and how Christ must take us through the refiner's fire to present us as the long awaited sons all creations longs to behold. As you read this book, you will understand how many of the things we experience during these times of training are mysteriously locked away in our spirits until the time of unveiling by the Lord. Come with me on this spirit-natural journey known as dream-visions as we experience God in a way we never dreamt possible

## **Songs of the Spirit**

A guide to co-dreaming with animals for personal and planetary evolution • Presents lucid dream encounters with living polar bears and teachings from polar bear spirits • Explores ways to consciously engage with dreams, co-dream with animals through shared awareness, and form human-animal dream relationships • Reveals the role of human-polar bear dreaming in the Earth's planetary evolution  
Dreams speak to us on deep levels. Through dreaming we open a gateway to our inner world. Through lucid dreaming we open to conscious interaction with the surroundings, happenings, and living beings within the dreamscape. Over many years, animal communicator Dawn Baumann Brunke dreamed of polar bears. One night, a lucid dream triggered the realization that not only was she dreaming of a living

polar bear but also that the polar bear was dreaming of her. Through shared dream encounters, Brunke became adept at connecting with the bear both while asleep and awake. Together, they explored nonphysical locales where lucid dreamers meet to join in consciousness and co-dream together. Recounting the dreams she had with polar bears as well as with a council of spirit bears, Brunke presents techniques she learned to enter shared dreamscapes and form meaningful dream relationships with other species. Brunke also examines how our assumptions about polar bears, or any animal, can teach us about ourselves. As we awaken to the wisdom of our dreams, we begin to heal ourselves and our Earth. Sharing ways to recall dreams and engage lucid dream awareness, Brunke shows how dreamwork can help us forge deeper connections with the natural world and move more consciously in planetary evolution with all beings. Guided by the polar bears in her dreams, the sacred guardians of North Pole evolutionary energy, Brunke reveals how we can each dream ourselves awake and, with animal companions and guides, help dream a new world into being.

TRANSLATORS NOTE, The difficulties which Kants style presents to the translator into English need not be dwelt upon wjth tkosc who are familiar with his works. My main endeavour has been to produce a readable translation. I have, therefore, laid stress on the faithful and lucid representation of the authors thought, while the preservation of the periodic constructions of the original was of secondary interest, I am, however, conscious that it have not in dl places succeeded in sailing with even keel between the extremes of strictly literal translation and paraphrase.

## **Understanding Your Dreams**

Understanding Your Dreams is a Christian educative book, which tries to explain the subject dream as a spiritual entity in a human being. It brings into light the various misconceptions people have about dreams based on the backgrounds they speak from. This book also outlines the importance of dreams to mankind. The book defines dream in the writer's perspective based on the Bible and insight based on experience, revelation, and divine inspiration. It also categorizes dreams into three, depending on the way they happen and the characters involved. It further provides both scriptural and practical examples of the various types of dreams for easy and complete understanding. Again, this book looks at the various steps involved in dream interpretation, and finally, it has a list of some common symbols in our modern dreams and their probable meaning.

### **Yolqui, a Warrior Summoned from the Spirit World**

“How the enemy uses dreams to corrupt and manipulate your life!” Are you having evil dreams that you cannot explain? Are you feeling powerless over dream attacks? Does the enemy have access into your dream life? Are you tired of bondage? The dream world is acknowledged by both the Bible and science. It is a mysterious world that human beings have never mastered. There is a lot that happens in the night. It is your responsibility as a child of God to know how to monitor your dreams. To know the difference between when God speaks to you or when the devil speaks to you through dreams. A lot of lives are targeted at this time and the enemy unfortunately has access to the minds of both the saved and unsaved. If discerned and prayed against dream attacks are powerless, but if left unchecked they can destroy lives, marriages and even destinies.

### **The Spirit of Missions**

Should we attach any importance to our dreams? Can we teach ourselves to dream? We dream almost every night, but we often fail to grasp the importance of the message being downloaded to us from the spiritual realm. Dreams carry personal messages to us and offer us opportunities to better understand our lives to achieve greater inner harmony. Dreams help us to solve practical personal problems and show us a way forward in times of trials and persecutions. We should seek to understand dreams and ask the Lord for the meaning of each dream, aligning them to the Word of God.

## **Earth Spirit Dreaming**

It is said that; human beings spend most of their life dreaming, in fact statistics show that by the age of 60 years, you would have spent 20 years of your live dreaming. Meaning 1/3rd of your life is just spend on dreams. So what are dreams? •Dreams according to Gods plan were designed to convey a divine message from God to man. Job 33:15-16 explains this; In a dream, in a vision of the night, when deep sleep falls upon men, while slumbering on their beds. Then He opens their ears of men, and seal instruction. •Dreams are a natural way in which the spirit world is open to the natural. •Dreams are a channel or means of communicating from the supernatural world into the natural. •Dreams are a doorway into the destiny of man. •Dreams are a Godly natural way that God has set to speak to man, but is also being used by the devil to manipulate and program all kinds of evil to man.

On October 2, 2013, Dave Rearick began an epic solo voyage around the world. Onboard his specifically built Class 40 racing sloop appropriately named "Bodacious Dream," Dave sailed from Newport, Rhode Island. He sailed the length of the Atlantic Ocean to Cape Town, South Africa, a distance of 8,000 miles. From Cape Town, Dave sailed to Wellington, New Zealand where "Bo" was originally built, and then onto the fabled Galapagos Islands, one of the earth's great nature preserves. On the final leg, Dave returned to Newport, Rhode Island by way of the Panama Canal. The full circumnavigation took 256 days to complete, leaving an indelible memory of the challenges and rewards

of being at one with nature, the solitude of the open sea and the ever-changing landscape of life. At the age of 12, Dave Rearick was introduced to sailing on a small boat. By the age of 14, he was captivated by the stories of legendary sailors who raced or sailed single-handed around the world. Forty years later, in 2011, now age 54, Dave finally began his quest to race on-board in the Singlehanded Global Ocean Race. When the race was canceled, Dave, undaunted, continued his quest and embarked on the long-dreamed adventure that became a challenging journey of learning and discovery. Join Dave and Bodacious Dream as they navigate the oceans of the world alone and the personal challenges met along the way.
