Then There Were None

"Then There Were None, by award-winning Honolulu writer and artist Martha H. Noyes, is a personal and emotional account, in words and pictures, of the effect of Western contact on the Hawaiian population. Drawing from a variety of sources, Noyes chronicles the effects, from the arrival of Capt. Cook to the present, of disease, written language, the missionaries, landownership, the overthrow of the monarchy, and the suppression of hula and Hawaiian language, concluding with a look at present-day activism. Photographs vividly contrast tourist images with scenes from the real Hawaii and highlight the contrast between a culture rooted in cosmology and the material culture of those who made Hawaii their own." -- Amazon.com viewed August 4, 2020.

Duke

The National Book Award-winning author of *The Woman Warrior* presents a series of versed observations on her experiences of aging, covering topics ranging from her literary activities and activist work to her views on her characters and a visit to China. Reprint.

Solomon Northup was born a free black man. He was kidnapped, tortured, and sold into slavery. For 12 years, he was kept in bondage as a slave in Louisiana--*Twelve Years a Slave* is his moving and raw account of survival and life as a slave. This edition includes the full book as well as a comprehensive companion with historical notes, character overview, themes overview, and chapter summaries.

Surfer Girls in the New World Order

From the peak of a mountain or the barrel of a wave, Patagonia has collected some of the most spectacular sports imagery in history. Relive the

achievements captured in Patagonia's history, as well as the joie de vivre fostered by nurturing a relationship with the great outdoors. Unique for a business enterprise, Patagonia's catalog devotes fully half its space to nonselling editorial content – to environmental and sport essays and above all to extraordinary photographs of wild places and active pursuits for which the company makes its clothes. Since 1980, Patagonia has invited customers and wilderness photographers to submit their best, most unexpected shots of life outdoors – of alpine climbing, bouldering in the desert, skiing untracked bowls, surfing secret spots, ocean crossings, first kayak descents and travel in unfamiliar places. The photos have poured in ever since (current rate: 60,000 per year), some from the famous (John Russell, Galen Rowell), others from respected photographers (Corey Rich) who had their first work published in these pages. Jane Sievert and Jennifer Ridgeway, Patagonia's current and founding photo editor, respectively, have been calling – and culling – the shots for three decades. This is their compendium of the 100-plus most compelling photos Patagonia has published – and a celebration of wilderness and outdoor-sport photography as an art and a practice.

I Love a Broad Margin to My Life

This collection of intimate and emotional reflections about legendary water woman Rell Sunn is truly inspirational. Sunn's renowned skills as a lifeguard, diver, spearfisher, and bodysurfer and her role in pioneering the world of women's surfing has touched people both in Hawaii and internationally. At the heart of Rell Sunn was her spirited enthusiasm and passion for life, but it was her extension of aloha that really, truly made an impact on everyone she met. This book includes stories from such renown water sport enthusiasts as Rabbit Kekai, Fred Hemmings, Bonga Perkins, Kathy Terada, Sunny Garcia, Jeannie Chesser, Mark Cunningham, Kalani Robb and many others.

Stories of Rell Sunn

Here, nine years after his death at the age of 38, is the full story of how a local Hawaiian boy rose to unrivaled celebrity on the strength of his one-in-a-million voice and a four-string ukulele. It is a story about fame and celebrity and triumph over adversity, about a boy who rose from humble origins, overcame drugs, youth gangs, and the loss of his parents and his only brother to give hope to others. It is the story of a man who stood up for his people at a critical junction in Hawaiian history to demand justice and sovereignty and became the voice of a nation. It is the story of the Hawaiian singer who attracted a worldwide audience with a single song about a rainbow. Featuring many never-before-published photos and based on scores of personal interviews, articles, and anecdotes from family, friends, recording artists, and fans, this definitive chronicle examines the life and times of Israel Kamakawiwoole, one

of Hawaii's greatest musicians.

Islamic Concept of Prophethood

Twelve Years A Slave (Full Book and Comprehensive Reading Companion)

In the 1970s, a decade before bumper stickers and T-shirts bearing the phrase Eddie Would Go began popping up all over the Hawaiian islands and throughout the surfing world, Eddie Aikau was proving what it meant to be a "waterman." As a fearless and gifted surfer, he rode the biggest waves in the world; as the first and most famous Waimea Bay lifeguard on the North Shore, he saved hundreds of lives from its treacherous waters; and as a proud Hawaiian, he sacrificed his life to save the crew aboard the voyaging canoe Hokule'a. Eddie Would Go is the compelling story of Eddie Aikau's legendary life and legacy, a pipeline into the exhilarating world of surfing, and an important chronicle of the Hawaiian Renaissance and the emergence of modern Hawaii.

Ain't Life an Artichoke?

This is the first introductory textbook intended for transgender/trans studies at the undergraduate level. The book can also be used for related courses in LGBTQ, queer, and gender/feminist studies. It encompasses and connects global contexts, intersecting identities, historic and contemporary issues, literature, history, politics, art, and culture. Ardel Haefele-Thomas embraces the richness of intersecting identities—how race, ethnicity, sexual orientation, class, nation, religion, and ability have cross-influenced to shape the transgender experience and trans culture across and beyond the binary. Written by an accomplished teacher with experience in a wide variety of higher learning institutions, this new text inspires readers to explore not only contemporary transgender issues and experiences but also the global history of gender diversity through the ages. Introduction to Transgender Studies features: -A welcoming approach that creates a safe space for a wide range of students, from those who have never thought about gender issues to those who identify as transgender, trans, nonbinary, agender, and/or gender expansive. -Writings from the Community essays that relate the chapter theme to the lived experiences of trans and LGB people and allies from different parts of the world. -Key concepts, film and media suggestions, topics for discussion, activities, and ideas for writing and research to engage students and serve as a review at exam time. -Instructors' resources that will be available that include key teaching points with discussion questions, activities, research projects, tips for using the media suggestions, PowerPoint presentations, and sample syllabi for various course configurations. Intended for introductory transgender, LGBTQ+, or gender studies courses through upper-level electives related to the expanding field of transgender studies, this text has been successfully class-tested in community colleges and public and private colleges and universities.

Introduction to Transgender Studies

“It’s a challenge to create transformative moments with books, but [Masson] does it.”—Susan Salter Reynolds, Los Angeles Times In this revelatory work, Jeffrey Moussaieff Masson shows how food affects our moral selves, our health, and our planet. Masson investigates how denial keeps us from recognizing the animal at the end of our fork and urges readers to consciously make decisions about food.

Goin' Off

A former champion surfer explores the culture and history of surfing, focusing on the sport's Hawaiian roots, and recalls his own long association with surfing

Odes of Anacreon

UNEXPECTED

"Staying away from the usual politics, Queen Lili'uokalani, the Dominis family, and Washington Place, their home, starts with the personal story of Queen Lili'uokalani, tells of her husband and his family, and finishes with the story of a great house that has always been an important social and political hub. There is much new information about the Queen- such as bio's of her three hanai children, her own comments about her husband and their marriage, her late life almost-romance, her always precarious financial situation, her ability to mix Hawaiian and western cultural and religious beliefs, her kindness and caring along side her unpleasant comments about people."--Publisher's Web site.

Murder Ballads

Jane's Addiction's 1988 breakthrough album, *Nothing's Shocking*, had a seismic impact. With a bracing combination of metal, punk, and psychedelia, coupled with lead singer Perry Farrell's banshee-ina- wind-tunnel vocals, Jane's Addiction helped put alternative music on the map. The band helped pave the way for the mainstream success of bands like Pearl Jam, Soundgarden, and Nirvana. Along the way, Jane's Addiction released another classic album, *Ritual de lo Habitual* (with the hit "Been Caught Stealing"), founded the Lollapalooza festival, and openly celebrated a bacchanalian lifestyle that blurred all lines of gender and sexuality. Drawn from original interviews with the band, their friends, and their musical colleagues, *Whores* takes readers through Farrell's early sonic experiments with Psi-Com and the formative days of Jane's Addiction to their drug-addled break-up and controversial reunion with 2003's *Strays*. Along the way it provides a candid, often disturbing glimpse into the dynamic alternative rock scene of Los Angeles in the '80s and '90s.

Fierce Heart

Surfing, punk rock, Dawson's Creek, teen movies, MTV and S. E. Hinton's *The Outsiders* are among the many popular cultural landmarks examined in

American Youth Cultures. It considers themes such as race, class, gender, power, sexuality and authority and presents innovative and challenging analyses of texts from the post-war period. Key questions are raised about the significance of youth within American culture. Contributing to the necessary and important debate over the meanings of youth representation within American culture, the ideological nature of youth and its centrality to a complex reading of popular culture are emphasised. In particular the issues of gender, race and sexuality are considered as central to the construction of youth identity and to other significant relationships between youth and authority. The contradictions in youth representation are asserted, denying any easy definitions that might serve to compound stereotypes or sustain vested interests. The authors show how the cultural politics of youth are no longer only about being young but rather associated with both personal and public values, aspirations and ideologies that extend way beyond any simple consideration of the self. Key Features: * The only available book on the subject * Youth is shown to be central to contemporary American culture * Contributors bring a range of approaches to bear on representations of youth in American culture

Shark Bites

Eddie Would Go

For everyone who loved Surf Girls and Blue Crush--an inspirational guide for women who want to catch that wave.

Greg Noll

16 close encounters with the ocean's most feared predator.

Immigrant World of Ybor City

Pidgin to Da Max

In Surfer Girls in the New World Order, Krista Comer explores surfing as a local and global subculture, looking at how the culture of surfing has affected and been affected by girls, from baby boomers to members of Generation Y. Her analysis encompasses the dynamics of international surf tourism in Sayulita, Mexico, where foreign women, mostly middle-class Americans, learn to ride the waves at a premier surf camp and local women work as manicurists, maids, waitresses, and store clerks in the burgeoning tourist economy. In recent years, surfistas, Mexican women and girl surfers, have been drawn to the Pacific coastal town's clean reef-breaking waves. Comer discusses a write-in candidate for mayor of San Diego, whose political activism grew out of surfing and a desire to protect the threatened ecosystems of surf spots; the owners of the girl-focused Paradise Surf Shop in Santa Cruz and Surf Diva in San Diego; and the observant Muslim woman who started a business in her Huntington Beach home, selling swimsuits that fully cover the body and

head. Comer also examines the Roxy Girl series of novels sponsored by the surfwear company Quiksilver, the biography of the champion surfer Lisa Andersen, the Gidget novels and films, the movie Blue Crush, and the book Surf Diva: A Girl's Guide to Getting Good Waves. She develops the concept of "girl localism" to argue that the experience of fighting for waves and respect in male-majority surf breaks, along with advocating for the health and sustainable development of coastal towns and waterways, has politicized surfer girls around the world.

Fierce Heart

"LEGENDARY SURFERS Volume 3: 1930s" details the surf world of the 1930s, including California, Florida, Hawaii, Australia and Britain. This is not a coffee table book. It is specifically written for surfers who want to know the details of the heritage we are blessed to share, as told by those who lived it.

Queen Lili'uokalani, the Dominis Family, and Washington Place, Their Home

Kungadgee, Victoria, Australia. A weekend in late November, 2014. At Hugh and Christine Cleary's new vineyard, Whipbird, six generations of the Cleary family are coming together from far and wide to celebrate the 160th anniversary of the arrival of their ancestor Conor Cleary from Ireland. Hugh has been meticulously planning the event for months - a chance to proudly showcase Whipbird to the extended clan. Some of these family members know each other; some don't. As the wine flows, it promises to be an eventful couple of days. Comic, topical, honest, sharply intelligent, and, above all, sympathetic, Robert Drewe's exhilarating new novel tells a classic Australian family saga as it has never been told before.

Economic Co-Operation Among Negro Americans

Why Were the Teachings of the Original Christians Brutally Suppressed by the Roman Church? • Because they portray Jesus and Mary Magdalene as mythic figures based on the Pagan Godman and Goddess • Because they show that the gospel story is a spiritual allegory encapsulating a profound philosophy that leads to mythical enlightenment • Because they have the power to turn the world inside out and transform life into an exploration of consciousness Drawing on modern scholarship, the authors of the international bestseller The Jesus Mysteries decode the secret teachings of the original Christians for the first time in almost two millennia and theorize about who the original Christians really were and what they actually taught. In addition, the book explores the many myths of Jesus and the Goddess and unlocks the lost secret teachings of Christian mysticism, which promise happiness and immortality to those who attain the state of Gnosis, or enlightenment. This daring and controversial book recovers the ancient wisdom of the original Christians and demonstrates its relevance to us today. From the Trade Paperback edition.

The Soul of Surfing

The History and Traditions of Marblehead by Samuel Roads, first published in 1880, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and

enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

The Hovey Book

“The embrace of women’s sports sometimes feels almost like a political act Molly Schiot’s *Game Changers: The Unsung Heroines of Sports History* is so valuable.” —The Wall Street Journal “A thoughtful, exhaustively researched, and long-overdue tribute to the women who have paved the way for the likes of Serena Williams, Abby Wambach, Simone Biles, and more.” —espnW Based on the Instagram account @TheUnsungHeroines, a celebration of the pioneering, forgotten female athletes of the twentieth century that features rarely seen photos and new interviews with past and present game changers including Abby Wambach and Cari Champion. Two years ago, filmmaker Molly Schiot began the Instagram account @TheUnsungHeroines, posting a photo each day of a female athlete who had changed the face of sports around the globe in the pre-Title IX age. These women paved the way for Serena Williams, Carli Lloyd, and Lindsey Vonn, yet few today know who they are. Slowly but surely, the account gained a following, and the result is *Game Changers*, a beautifully illustrated collection of these trailblazers’ rarely-before-seen photos and stories. Featuring icons Althea Gibson and Wyomia Tyus, complete unknowns Trudy Beck and Conchita Cintron, policymaker Margaret Dunkle, sportswriter Lisa Olson, and many more, *Game Changers* gives these “founding mothers” the attention and recognition they deserve, and features critical conversations between past and present gamechangers—including former US Women’s National Soccer Team captain Abby Wambach and SportsCenter anchor Cari Champion—about what it means to be a woman on and off the field. Inspiring, empowering, and unforgettable, *Game Changers* is the perfect gift for anyone who has a love of the game.

The Love Book

Provides a biographical profile of legendary surfer Greg Noll and his award-winning designs for innovative and unusual surfboards, accompanied by a concise history of the evolution of surfboards and construction techniques, from ancient Hawaii to the present day, a gallery of Greg Noll surfboards, and step-by-step photo sequences of the construction process.

The Encyclopedia of Surfing

Hawai'i's Ambassador of Aloha, Duke Kahanamoku, is remembered for his Olympic medals and as the Father of International Modern Surfing. But those who place leis on his statue in Waik k equally honor him for his strength of character and the Hawaiian ideals he represented. In this moving tribute, filled with photos of Duke, his story and Hawai'i's are intertwined.

Jesus and the Lost Goddess

Whores

In the 1970s, a decade before bumper stickers and T-shirts bearing the phrase Eddie Would Go began popping up all over the Hawaiian islands and throughout the surfing world, Eddie Aikau was proving what it meant to be a "waterman." As a fearless and gifted surfer, he rode the biggest waves in the world; as the first and most famous Waimea Bay lifeguard on the North Shore, he saved hundreds of lives from its treacherous waters; and as a proud Hawaiian, he sacrificed his life to save the crew aboard the voyaging canoe Hokule'a. The History and Traditions of Marblehead

Murder Ballads is a truly unique package, A Graphic Novel with an accompanying soundtrack by Dan Auerbach and Robert Finley. It deftly weaves the music into a narrative that is a meditation on music, race, obsession, and how far someone will go to see their vision become real, Murder Ballads follows the fall and reinvention of Nate Theodore, the dead-broke and deadbeat owner of a failed record label who is on a cross-country drive in the dead of winter with his wife Mary, fleeing the wreckage of their business and heading towards the destruction of their marriage. But Nate is given an unexpected chance to redeem himself when, during an unscheduled detour, he "discovers" Donny and Marvell Fontweathers, two African-American brothers who play a singular version of doom-laden country blues. Convinced that the brothers are the key to his salvation, Nate's desperate to make an album with the brothers before someone else finds out about them-but he needs money. Money he doesn't have and can't get through any conventional means. So he persuades Donny and Marvell to join him in a crazy scheme: they'll undertake a minor crime spree to raise the funds needed to produce their record. Naturally, complications arise for this wannabe modern-day Alan Lomax and his soon-to-be stars, and just like in the murder ballads the Fontweathers Brothers play, the body count starts to grow.. Music contributed by Dan Auerbach and Robert Finley."

American Youth Cultures

Surfing traces the history of the sport from its beginnings in ancient Hawaii through the mid 1960s. This revised edition of the 1966 classic features extensive illustrations, a new introduction, and articles by Mark Twain and Jack London recounting their observations on surfing. The book also explores the development of the surfboard and follows surfing's timeline from the earliest legends to the accomplishments of modern surfing heroes.

LEGENDARY SURFERS Volume 3: The 1930s

Goin' Off chronicles the rise and fall of Cold Chillin' and its partnership with Warner Bros. Records. It follows the careers of the label's recording artists through first-hand accounts of industry players, producers, MCs, and DJs: Roxanne Shanté was a 14-year-old battle rapper who spawned the diss record; MC Shan engaged in a legendary cross-borough feud with KRS-One; Kool G Rap was a foundational participant in what the media dubbed "gangsta rap";

Big Daddy Kane's quick-witted lyricism changed the way people rhyme; the collegiate Masta Ace sought to uplift his community during the height of the crack epidemic; The Genius (aka GZA) co-founded the rap dynasty Wu- Tang Clan; and the enigmatic Biz Markie had the world singing along to his hit anthem "Just a Friend." Plagued by corporate censorship and a landmark sample-related lawsuit in the 1990s, Cold Chillin' folded, leaving behind a legacy shrouded in controversy and a catalog that influenced multiple generations of rap artists.

Eddie Would Go

This indispensable guide to surfing, bodysurfing, bodyboarding, and windsurfing on O'ahu, Kaua'i, Maui, and Hawai'i has been updated and redesigned to provide you with accurate and entertaining information about swells, wind conditions, and special features at over 50 surf spots. Includes full-color photos and maps and a directory of surf shops and camping areas.

Iz

"Although Makaha is a small, isolated town on the Western coast of O'ahu, it has produced some of the most intriguing Hawaiians of the twentieth century: world-class surfers Buffalo Keaulana and his sons Rusty and Brian; beautiful skin diver and surfing pro Rell Sunn; and larger-than-life singer and songwriter Israel Kamakawiwo'ole. What connects them is a love for their culture, their people, and water sports. Fierce Heart combines stories of exciting surfing competitions, dramatic water rescues, and deep friendships with a look at the history and origins of one of the world's most thrilling extreme sports."

Surfer's Guide to Hawaii

The books in the Florida and the Caribbean Open Books Series demonstrate the University Press of Florida's long history of publishing Latin American and Caribbean studies titles that connect in and through Florida, highlighting the connections between the Sunshine State and its neighboring islands. Books in this series show how early explorers found and settled Florida and the Caribbean. They tell the tales of early pioneers, both foreign and domestic. They examine topics critical to the area such as travel, migration, economic opportunity, and tourism. They look at the growth of Florida and the Caribbean and the attendant pressures on the environment, culture, urban development, and the movement of peoples, both forced and voluntary. The Florida and the Caribbean Open Books Series gathers the rich data available in these architectural, archaeological, cultural, and historical works, as well as the travelogues and naturalists' sketches of the area in prior to the twentieth century, making it accessible for scholars and the general public alike. The Florida and the Caribbean Open Books Series is made possible through a grant from the National Endowment for the Humanities and the Andrew W. Mellon Foundation, under the Humanities Open Books program.
