The Odd 1s Out: The First Sequel

A group of students goes through the gate to an unknown planet for a two-to-ten-day final exam in Advanced Survival only to realize, after a period of fighting the elements and wildlife, that something has gone wrong with the gate and what was a brief survival exam has become an endless struggle for life. Reprint. 10,000 first

Strange Adventures (2020-) #1

#1 New York Times Bestseller “Funny and smart as hell” (Bill Gates), Allie Brosh’s *Hyperbole and a Half* showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog *Hyperbole and a Half* the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, “The God of Cake,” “Dogs Don’t Understand Basic Concepts Like Moving,” and her astonishing, “Adventures in Depression,” and “Depression Part Two,” which have been hailed as some of the most insightful meditations on the disease ever written. Brosh’s debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn’t me wrote it—but I soon discovered that I’m not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things

Free Copy Stranger Planet Strange Planet Series

that happened to me Stories about things that happened to other people because of me Eight billion dollars* Stories about dogs The secret to eternal happiness*

*These are lies. Perhaps I have underestimated my sneakiness!

Stranger Planet Apple FF

A monumental, genre-defying novel that David Mitchell calls "Michel Faber's second masterpiece," *The Book of Strange New Things* is a masterwork from a writer in full command of his many talents. It begins with Peter, a devoted man of faith, as he is called to the mission of a lifetime, one that takes him galaxies away from his wife, Bea. Peter becomes immersed in the mysteries of an astonishing new environment, overseen by an enigmatic corporation known only as USIC. His work introduces him to a seemingly friendly native population struggling with a dangerous illness and hungry for Peter's teachings—his Bible is their "book of strange new things." But Peter is rattled when Bea's letters from home become increasingly desperate: typhoons and earthquakes are devastating whole countries, and governments are crumbling. Bea's faith, once the guiding light of their lives, begins to falter. Suddenly, a separation measured by an otherworldly distance, and defined both by one newly discovered world and another in a state of collapse, is threatened by an ever-widening gulf that is much less quantifiable. While Peter is reconciling the needs of his congregation with the desires of his strange employer, Bea is struggling for survival. Their trials lay bare a profound

Free Copy Stranger Planet Strange Planet Series

meditation on faith, love tested beyond endurance, and our responsibility to those closest to us. Marked by the same bravura storytelling and precise language that made *The Crimson Petal and the White* such an international success, *The Book of Strange New Things* is extraordinary, mesmerizing, and replete with emotional complexity and genuine pathos.

The Invisible Life of Addie LaRue

Why bother getting out of bed when you could stay bundled up with that special someone and a book of cozy, cute comics. From the author of the bestselling *Little Moments of Love* comes *Snug*, a collection of comics that perfectly captures the honest, playful, and relatable snapshots of romantic life. Chetwynd's second book has the same charming and inviting style as her first and includes 50 percent new, never-before-shared comics. *Snug* is a celebration of the quirks and peculiarities of every one of us—and the magic that happens when we find our matching puzzle piece.

Strange Planet

A blazingly funny, heartfelt memoir from the daughter of the larger-than-life woman who ran *Sticky Fingers Brownies*, an underground bakery that distributed

Free Copy Stranger Planet Strange Planet Series

thousands of marijuana brownies per month and helped provide medical marijuana to AIDS patients in San Francisco--for fans of Armistead Maupin and Patricia Lockwood During the '70s in San Francisco, Alia's mother ran the underground Sticky Fingers Brownies, delivering upwards of 10,000 illegal marijuana edibles per month throughout the circus-like atmosphere of a city in the throes of major change. She exchanged psychic readings with Alia's future father, and thereafter had a partner in business and life. Decades before cannabusiness went mainstream, when marijuana was as illicit as heroin, they ingeniously hid themselves in plain sight, parading through town--and through the scenes and upheavals of the day, from Gay Liberation to the tragedy of the Peoples Temple--in bright and elaborate outfits, the goods wrapped in hand-designed packaging and tucked into Alia's stroller. But the stars were not aligned forever and, after leaving the city and a shoulda-seen-it-coming divorce, Alia and her mom returned to San Francisco in the mid-80s, this time using Sticky Fingers' distribution channels to provide medical marijuana to friends and former customers now suffering the depredations of AIDS. Exhilarating, laugh-out-loud funny, and heartbreaking, Home Baked celebrates an eccentric and remarkable extended family, taking us through love, loss, and finding home.

NYC Basic Tips and Etiquette

New York Times Bestseller Living in New York City for five years as a transplant

Free Copy Stranger Planet Strange Planet Series

from Ohio, illustrator and T-shirt designer Nathan Pyle was fascinated by the unique habits and unspoken customs New Yorkers follow to make life bearable in a city with 8 million people (and seemingly twice the number of tourists). In NYC Basic Tips and Etiquette, Pyle reveals the secrets and unwritten rules for living in and visiting New York including the answers to such burning questions as, how do I hail a cab? What is a bodega? Which way is Uptown? Why are there so many doors in the sidewalk? How do I walk on an escalator? Do we need be touching right now? Where should I inhale or exhale while passing sidewalk garbage? How long should I honk my horn? If New York were a game show, how would I win? What happens when I stand in the bike lane? Who should get the empty subway seats? How do I stay safe during a trash tornado? Each tip is a little story illustrated in simple black and white drawings.

Dastardly & Muttley

AN INSTANT NEW YORK TIMES BESTSELLER The untold stories behind The Office, one of the most iconic television shows of the twenty-first century, told by its creators, writers, and actors When did you last hang out with Jim, Pam, Dwight, Michael, and the rest of Dunder Mifflin? It might have been back in 2013, when the series finale aired . . . or it might have been last night, when you watched three episodes in a row. But either way, long after the show first aired, it's more popular than ever, and fans have only one problem—what to watch, or read, next.

Free Copy Stranger Planet Strange Planet Series

Fortunately, Rolling Stone writer Andy Greene has that answer. In his brand-new oral history, *The Office: The Untold Story of the Greatest Sitcom of the 2000s*, Greene will take readers behind the scenes of their favorite moments and characters. Greene gives us the true inside story behind the entire show, from its origins on the BBC through its impressive nine-season run in America, with in-depth research and exclusive interviews. Fans will get the inside scoop on key episodes from "The Dundies" to "Threat Level Midnight" and "Goodbye, Michael," including behind-the-scenes details like the battle to keep it on the air when NBC wanted to pull the plug after just six episodes and the failed attempt to bring in James Gandolfini as the new boss after Steve Carell left, spotlighting the incredible, genre-redefining show created by the family-like team, who together took a quirky British import with dicey prospects and turned it into a primetime giant with true historical and cultural significance. Hilarious, heartwarming, and revelatory, *The Office* gives fans and pop culture buffs a front-row seat to the phenomenal sequence of events that launched *The Office* into wild popularity, changing the face of television and how we all see our office lives for decades to come.

Planet of the Apes

How to Be Like is a "character biography" series: biographies that also draw out important lessons from the life of their subjects. In this new book—by far the most exhaustive in the series—Pat Williams tackles one of the most influential people in

Free Copy Stranger Planet Strange Planet Series

recent history. While many recent biographies of Walt Disney have reveled in the negative, this book takes an honest but positive look at the man behind the myth. For the first time, the book pulls together all the various strands of Disney's life into one straightforward, easy-to-read tale of imagination, perseverance, and optimism. Far from a preachy or oppressive tome, this book scrapes away the minutiae to capture the true magic of a brilliant maverick. Key Features This is for the millions of Disney fans—those who admire his artistry or his business savvy or the products of his namesake company. The tone and style of the book will capture the imagination of younger readers, especially teens, in the same way as How to Be Like Mike. Support within the Disney world includes the daughter and grandson of Walt Disney; nephew and former vice chairman Roy Disney; and numerous Disney insiders who are already spreading the word.

Strange Planet: Existence Chronicle

Toward the end of the year 1920 the Government of the United States had practically completed the programme, adopted during the last months of President Winthrop's administration. The country was apparently tranquil. Everybody knows how the Tariff and Labour questions were settled. The war with Germany, incident on that country's seizure of the Samoan Islands, had left no visible scars upon the republic, and the temporary occupation of Norfolk by the invading army had been forgotten in the joy over repeated naval victories, and the subsequent ridiculous

Free Copy Stranger Planet Strange Planet Series

plight of General Von Gartenlaube's forces in the State of New Jersey. The Cuban and Hawaiian investments had paid one hundred per cent and the territory of Samoa was well worth its cost as a coaling station. The country was in a superb state of defence. Every coast city had been well supplied with land fortifications; the army under the parental eye of the General Staff, organized according to the Prussian system, had been increased to 300,000 men, with a territorial reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navigable seas, leaving a steam reserve amply fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the training of barristers; consequently we were no longer represented abroad by incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had swept away a great portion of the existing horrors. Streets had been widened, properly paved and lighted, trees had been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new government buildings and barracks were fine bits of architecture, and the long system of stone quays which completely surrounded the island had been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own

Free Copy Stranger Planet Strange Planet Series

reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of Fine Arts, either his cabinet position or his portfolio. The Secretary of Forestry and Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the latest treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the new independent negro state of Suanee, the checking of immigration, the new laws concerning naturalization, and the gradual centralization of power in the executive all contributed to national calm and prosperity. When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native costume were substituted for the pitiable organizations tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself.

Greetings from Strange Planet

The original novel that inspired the films! First published more than fifty years ago, Pierre Boulle’s chilling novel launched one of the greatest science fiction sagas in motion picture history. In the not-too-distant future, three astronauts land on what

Free Copy Stranger Planet Strange Planet Series

appears to be a planet just like Earth, with lush forests, a temperate climate, and breathable air. But while it appears to be a paradise, nothing is what it seems. They soon discover the terrifying truth: On this world humans are savage beasts, and apes rule as their civilized masters. In an ironic novel of nonstop action and breathless intrigue, one man struggles to unlock the secret of a terrifying civilization, all the while wondering: Will he become the savior of the human race, or the final witness to its damnation? In a shocking climax that rivals that of the original movie, Boulle delivers the answer in a masterpiece of adventure, satire, and suspense.

downs of growing up, from a popular YouTube artist and storyteller. Like any shy teen turned young adult, YouTube star James Rallison ("The Odd 1s Out") is used to being on the outside looking in. He wasn't partying in high school or winning football games like his older brother. Instead, he posted comics on the Internet. Now, he's ready to share his hard-earned advice from his 21 years of life in the funny, relatable voice his fans love. In this illustrated collection, Rallison tells his own stories of growing up as the "odd one out": in art class with his twin sister (she was more talented), in the middle school locker room, and up to one strange year of college (he dropped out). Each story is filled with the little lessons he picked up along the way, serious and otherwise, like: * How to be cool (in seventh grade) * Why it's OK to be second-best at something, and * How to survive your first, confidence-killing job interviews Filled with fan-favorite comics and never-before-seen material, this tongue-in-cheek take on some of the weirdest, funniest parts of life is perfect for both avid followers and new converts.

Secret Warps

GOODREADS CHOICE AWARD WINNER FOR GRAPHIC NOVELS AND COMICS! These casually drawn, perfectly on-point comics by the hugely popular young artist Sarah Andersen are for the rest of us. They document the wasting of entire beautiful weekends on the internet, the unbearable agony of holding hands on the street with a gorgeous guy, and dreaming all day of getting home and back into pajamas. In other words, the horrors and awkwardnesses of young modern life. Oh and they are totally not autobiographical. At all. *Adulthood Is a Myth* presents many fan favorites plus dozens of all-new comics exclusive to this book. Sarah's frankness on personal issues like body image, self-consciousness, introversion, relationships, and the frequency of bra-washing makes her comics highly relatable and deeply hilarious, showcasing how she became one of the most influential voices in web cartoonists.

The Book of Strange New Things

The sequel to the #1 New York Times bestselling phenomenon *Strange Planet*, featuring more hilarious and poignant adventures from the fascinating inhabitants of Nathan W. Pyle's colorful world. In this eagerly awaited sequel, Nathan takes us back to his charming and instantly recognizable planet colored in bright pinks, blues, greens, and purples, providing more escapades, jokes, and p h r a s e s. Nathan mixes his most popular Instagram comics with more than thirty original works created exclusively for this second volume to explore four major topics: traditions, nature, emotions, and knowledge. He inducts new and longtime fans into a strangely familiar world and its culture, from “cohesion” (marriage) to “mild poison” (alcohol) to the full lyrics to “The Small Eight-Legged Creature” (sung to the tune of *The Itsy-Bitsy Spider*). Bright, colorful, and whimsical—yet charmingly familiar—*Stranger Planet* is out-of-this-world fun.

Solutions and Other Problems

Funny because it's true. From the creator of the viral sensation "10 Tricks to Appear Smart in Meetings" comes the must-have book you never knew you needed, *100 Tricks to Appear Smart in Meetings*. In it, you will learn how to appear smart in less than half the time it takes to actually learn anything. You know those subtle tricks your coworkers are all guilty of? The constant nodding, pretend concentration, useless rhetorical questions? These tricks make them seem like they know what they're doing when in fact they have no clue. This behavior is so ingrained, so subtle, and so often mistaken for true intelligence that identifying it, calling it out, or compiling it into an exhaustive digest has never been attempted. Until now. Complete with illustrated tips, examples, and scenarios, *100 Tricks* gives you actionable ways to use words like "actionable," in order to sound smart. Every type of meeting is covered, from general meetings where you stopped paying attention almost immediately, to one-on-one meetings you zoned out on, to impromptu meetings you were painfully subjected to at the last minute. It's all here. Open this book to any page and find an easy-to-digest trick with an even easier-to-digest illustration, guiding you on: how to nail the big meeting by pacing and nodding most effective ways to listen to your coworkers while still completely ignoring them the key to making your presentations "interactive." If you hadn't noticed these behaviors before, you will see them now—from your colleagues, your managers, and soon yourself. Each trick is a mirror to the reality of what happens in meetings, told in the form of hilariously bad advice—advice that you might just

want to take. But probably not. But maybe.

The Neverending Story

#1 AMAZON BESTSELLER. WARNING: THIS IS NOT A CHILDREN'S BOOK. 100 Grumpy Animals by BeastFlaps. It was only the first week of the new year, and I was already fed up and grumpy. I had a pile of paperwork to sort through, a backlog of work to get done and more than a few bills to pay. I was asked to stop everything and urgently draw a cute greeting card for a friend (as a favour of course) and before I knew it I had drawn an angry duckling saying QUACK F***ING QUACK. It made me laugh out loud and I shared it online. It quickly became apparent that it was making a few other people smile too, and so a promise was made. No matter what else life would bring in 2020, I would set aside enough time each day to draw and post a daily grumpy animal. This book is the unstoppable force of 100 days of grumpy animal drawings.

Lunarbaboon

Lunarbaboon shares life's parenting moments from the perspective of a 30-something dad/husband/chaos survivor. Together with the savvy, laid back Mom, wild child Moishe, baby Matilda, and a former Julliard student (their cat),

Free Copy Stranger Planet Strange Planet Series

Lunarbaboon must navigate the family and social dynamics of everyday life. Ranging from the hilarious (defeating closet monsters with a “stun” blaster that offers surprising facts about bears, Mars, and cats) to the sweet (the gray scale-to color transition out of depression at the touch of a loved one), this collection explores the bonds within a family and all the characters who bring both order and chaos to life. Lunarbaboon’s perfect meld of crabby humor and moments of impactful honesty give these comics a wide range and distinctive voice that’s both comical and sincere.

100 Grumpy Animals

"This book explains how astronomers discover new planets"--Provided by publisher.

Adulthood Is a Myth

In Barkman’s debut print collection, False Knees fans will find old favorites along with an abundance of all-new material. Featuring creatures found in the author’s native Ontario, this always sharp, sometimes head-scratchingly bizarre collection of comics offers a view into the secret, surprisingly insightful world of blue jays, squirrels, geese, wolves, and rabbits.

Home Baked

A year-long journal and planner based on the phenomenally popular #1 New York Times bestseller *Strange Planet*. The colorful inhabitants of *Strange Planet* are at it once again in this week-at-a glance planner that can be started in any month--the perfect gift for "beings" both organized and disorganized. *Strange Planner* includes sections for twelve months, each illustrated with popular *Strange Planet* characters and containing: A memorable saying from *Strange Planet* A month-at-a-glance overview page 4 week-long spreads broken down into 7-day entries Space for contact information and addresses A keepsake pocket with a page of *Strange Planet* stickers An elastic enclosure for convenient book transportation Designed with the signature *Strange Planet* palette of pinks, greens, blues, and purples, *Strange Planner* is an exciting way for *Strange Planet* fans to engage with their favorite characters every day.

The Odd 1s Out

The galaxy-spanning crossover epic continues in this sequel to the blockbuster *STAR TREK/GREEN LANTERN: THE SPECTRUM WAR!* Captain Kirk and Hal Jordan lead the combined might of Starfleet and the Lantern Corps on an all-new adventure against new foes!

How to Be Like Walt

Originally published in 1968, Ursula K. Le Guin's *A Wizard of Earthsea* marks the first of the six now beloved Earthsea titles. Ged was the greatest sorcerer in Earthsea, but in his youth he was the reckless Sparrowhawk. In his hunger for power and knowledge, he tampered with long-held secrets and loosed a terrible shadow upon the world. This is the tumultuous tale of his testing, how he mastered the mighty words of power, tamed an ancient dragon, and crossed death's threshold to restore the balance. This ebook includes a sample chapter of *THE TOMBS OF ATUAN*.

Stranger Planet

INSTANT #1 NEW YORK TIMES BESTSELLER For the first time in seven years, Allie Brosh—beloved author and artist of the extraordinary #1 New York Times bestseller *Hyperbole and a Half*—returns with a new collection of comedic, autobiographical, and illustrated essays. *Solutions and Other Problems* includes humorous stories from Allie Brosh's childhood; the adventures of her very bad animals; merciless dissection of her own character flaws; incisive essays on grief, loneliness, and powerlessness; as well as reflections on the absurdity of modern life. This full-color, beautifully illustrated edition features all-new material with

more than 1,600 pieces of art. *Solutions and Other Problems* marks the return of a beloved American humorist who has “the observational skills of a scientist, the creativity of an artist, and the wit of a comedian” (Bill Gates). Praise for Allie Brosh’s *Hyperbole and a Half*: “Imagine if David Sedaris could draw....Enchanting.” —People “One of the best things I’ve ever read in my life.” —Marc Maron “Will make you laugh until you sob, even when Brosh describes her struggle with depression.” —Entertainment Weekly “I would gladly pay to sit in a room full of people reading this book, merely to share the laughter.” —The Philadelphia Inquirer “In a culture that encourages people to carry mental illness as a secret burden....Brosh’s bracing honesty is a gift.” —Chicago Tribune

Astro Poets

From the online phenomenon the Astro Poets comes the first great astrology primer of the 21st century. Full of insight, advice and humor for every sign in the zodiac, the Astro Poets' unique brand of astrological flavor has made them Twitter sensations. Their long-awaited first book is in the grand tradition of Linda Goodman's *Sun Signs*, but made for the world we live in today. In these pages the Astro Poets help you see what's written in the stars and use it to navigate your friendships, your career, and your very complicated love life. If you've ever wondered why your Gemini friend won't let you get a word in edge-wise at drinks, you've come to the right place. When will that Scorpio texting "u up?" at 2AM

finally take the next step in your relationship? (Hint: they won't). Both the perfect introduction to the twelve signs for the astrological novice, and a resource to return to for those who already know why their Cancer boyfriend cries during commercials but need help with their new whacky Libra boss, this is the astrology book must-have for the twenty-first century and beyond.

oh no

The original uncut edition of STRANGER IN A STRANGE LAND by Hugo Award winner Robert A Heinlein - one of the most beloved, celebrated science-fiction novels of all time. Epic, ambitious and entertaining, STRANGER IN A STRANGE LAND caused controversy and uproar when it was first published and is still topical and challenging today. Twenty-five years ago, the first manned mission to Mars was lost, and all hands presumed dead. But someone survived Born on the doomed spaceship and raised by the Martians who saved his life, Valentine Michael Smith has never seen a human being until the day a second expedition to Mars discovers him. Upon his return to Earth, a young nurse named Jill Boardman sneaks into Smith's hospital room and shares a glass of water with him, a simple act for her but a sacred ritual on Mars. Now, connected by an incredible bond, Smith, Jill and a writer named Jubal must fight to protect a right we all take for granted: the right to love.

The Forever War

Jim Marlow and his strange-looking Martian friend Willis were allowed to travel only so far. But one day Willis unwittingly tuned into a treacherous plot that threatened all the colonists on Mars, and it set Jim off on a terrifying adventure that could save--or destroy--them all "From the Paperback edition."

False Knees

"Del Rey book." Battling the Taurans in space was one problem as Private William Mandella worked his way up the ranks to major. In spanning the stars, he aged only months while Earth aged centuries.
