SELF-HELP & PERSONAL DEVELOPMENT. Inspiration is for everyone! It isn't reserved for high-profile creative geniuses in the arts and sciences - it's our Divine birthright. In *Living an Inspired Life* (previously published under the title *Inspiration*), Dr Wayne W Dyer explains how to connect to the knowledge and understanding that we had in the spirit realm before we chose to incarnate in physical form. From this all knowing place of spirit, we choose our physical body, our parents and the nature of the life we would lead on the earth. We made these choices co-creatively with the Source and now here on earth if we can reconnect to that Source energy it can transform our lives. Living our lives inspired by Source energy is a powerful antidote to the feelings of emptiness that disconnection from our soul creates. As you read each chapter in this book, you'll find specific suggestions for living 'in-Spirit'.

Attracting Abundance

Heart Thoughts Cards

A gorgeously written novel in verse about three girls in three different time periods who grew up to become groundbreaking scientists. Maria Merian was sure that caterpillars were not wicked things born from mud, as most people of her time believed. Through careful observation she discovered the truth about metamorphosis and documented her findings in gorgeous paintings of the life cycles of insects. More than a century later, Mary Anning helped her father collect stone sea creatures from the cliffs in southwest England. To him they were merely a source of income, but to Mary they held a stronger fascination. Intrepid and patient, she eventually discovered fossils that would change people's vision of the past. Across the ocean, Maria Mitchell helped her mapmaker father in the whaling village of Nantucket. At night they explored the starry sky through his telescope. Maria longed to discover a new comet—and after years of studying the night sky, she finally did. Told in vibrant, evocative poems, this stunning novel celebrates the joy of discovery and finding wonder in the world around us.

Everyday Miracles

Super Attractor

A game-changing book offering a six-step approach on how to find and follow your true calling and redefine success from entrepreneur and soul coach Rha Goddess. Are you willing to believe in you? Every single one of us has a calling. For most it's the thing you have to force yourself not to do. When you try to ignore it, you can't stop thinking about. It is the thing that both terrifies you and brings you the most joy. Already living yours? Great! How do you make the most of

it? The Calling will provide readers with a road map, via 3 fundamental shifts, on how to stay true, get paid and do good. The steps that will help lead you there include: RECOGNIZING—it always begins with awareness. If you can't see it then you can't do anything about it. ACCEPTING—means embracing, and taking responsibility for yourself, your life, and the things that want or need to be changed. FORGIVING—yourself and others. AND MORE! The Calling will be the resource that people have been asking Rha to write for years, and there has never been a better time for her to share her proven method.

The revered Buddhist teacher and author of When Things Fall Apart presents the lojong teachings and the ways in which they can enrich our lives. Welcome compassion and fearlessness as your guide, and you'll live wisely and effectively in good times and bad. But that's easier said than done. In The Compassion Book, Pema Chödrön introduces a powerful, transformative method to nurture these qualities using a practice called lojong, which has been a primary focus of her teachings and personal practice for many years. For centuries, Tibetan Buddhists have relied on these teachings to awaken the deep goodness

that lies within us. The lojong teachings include fifty-nine pithy slogans for daily contemplation, such as "Always maintain only a joyful mind," "Don't be swayed by external circumstances," "Don't try to be the fastest," and "Be grateful to everyone." This book presents each of these slogans and includes Pema's clear, succinct guidance on how to understand them—and how they can enrich our lives. It also features a forty-five-minute downloadable audio program entitled "Opening the Heart," in which Pema offers in-depth instruction on tonglen meditation, a powerful practice that anyone can undertake to awaken compassion for oneself and others.

The Daly Dish

In this inspirational work, beloved best-selling author Dr. Wayne W. Dyer shows you how to restore balance in your life by offering nine principles for realigning your thoughts so that they correspond to your highest desires. Imagine a balance scale with one end weighted down to the ground, and the other end - featuring the objects of your desires - sticking up precariously in the air. This scale is a measurement of your thoughts. To restore the same balance that characterizes everything in our universe, you have to take up the weighty thoughts so that they match up to your desires. The seasons reflect the overall harmony of life. For example, winter passes and the blossoms emerge. This is balanced by a need to have the trees rest, so autumn arrives on time and helps the trees ready themselves for another period of repose. This book is dedicated to the idea that we're a vital component of this creative process and have within ourselves the wherewithal to create all that we want if we recognize and revise out-of-balance thoughts.

In her latest book, *The Universe Has Your Back*, New York Times best-selling author Gabrielle Bernstein teaches readers how to transform their fear into faith in order to live a divinely guided life. Each story and lesson in the book guides readers to release the blocks to what they most long for: happiness, security and clear direction. The lessons help readers relinquish the need to control so they can relax into a sense of certainty and freedom. Readers will learn to stop chasing life and truly live. Making the shift from fear to faith will give readers a sense of power in a world that all too often makes them feel utterly powerless. When the tragedies of the world seem overwhelming, this book will help guide them back to their true power. Gabrielle says, "My commitment with this book is to wake up as many people as possible to their connection to faith and joy. In that connection, we can be guided to our true purpose: to be love and

spread love. These words can no longer be cute buzz phrases that we merely post on social media. Rather, these words must be our mission. The happiness, safety, and security we long for lies in our commitment to love. " When readers follow this path, they 'll begin to feel a swell of energy move through them. They will find strength when they are down, synchronicity and support when they 're lost, safety in the face of uncertainty, and joy when they are otherwise in pain. Postcards from Spirit

"Gabrielle is the real thing. I respect her work immensely." -Dr. Wayne Dyer "A new role model." -The New York Times "I came to one of Bernstein's monthly lectures and got my first look at the woman I'd one day unabashedly refer to as 'my guru.'" -Elle From #1 New York Times bestselling author Gabrielle Bernstein comes a clear, proactive, step-by-step process to release the beliefs that hold you back from living a better life. This six-step practice offers many promises. Petty resentments will disappear, compassion will replace attack, the energy of resistance will transform into freedom and you'll feel more peace and happiness than you've ever known. I can testify to these results because I've lived them. I've never felt more freedom and joy than I have when writing and practicing these steps. My commitment to healing my own relationship to judgment has changed my life in profound ways. My awareness of my judgment has helped me become a more mindful and conscious person. My willingness to heal these perceptions has set me free. I have been able to let go of resentments and jealousies, I can face pain with curiosity and love, and I forgive others and myself much more easily. Best of all, I have a healthy relationship to judgment so that I can witness when it shows up and I can use these steps to quickly return to love. The Judgment Detox is an interactive six-step process that calls on spiritual principles from the text A Course in Miracles, Kundalini yoga, the Emotional Freedom Technique (aka Tapping), meditation, prayer and metaphysical teachings. I've demystified these principles to make them easy to commit to and apply in your daily life. Each lesson builds upon the next to support true healing. When you commit to following the process and become willing to let go, judgment, pain and suffering will begin

to dissolve. And the miracles will keep coming. Once you begin to feel better you start to release your resistance to love. The more you practice these steps, the more love enters into your consciousness and into your energetic vibration. When you're in harmony with love, you receive more of what you want. Your energy attracts its likeness. So when you shift your energy from defensive judgment to free-flowing love your life gets awesome. You'll attract exactly what you need, your relationships will heal, your health will improve and you'll feel safer and more secure. One loving thought at a time creates a miracle. Follow these steps to clear all blocks, spread more love and live a miraculous life.
