### **Reflections on the War. In answer to Reflections on Peace, addressed to Mr. Pitt and the French Nation by Madame de Staël . Translated from the original French**

The Fourth Reflection is really a dance - a thought-provoking tango between the romance of the present and the prevalent enchantment of the past. It's about chance and circumstance, rebellion and redemption, adventure and discovery, experimentation, revelation, and chaos and it's illuminating opposite. It's about making calculated leaps and attempting more than a handful of seemingly foolhardy hurdles - a beneficent tome intent not only on pushing the envelope but setting it on fire and mirthfully scattering its proverbial ashes across the balmy, sun-drenched, wind-swept landscape of the collectively creative unconscious - a tantalizing first-person confession that could be used as a kind of linguistic ballast for this crazy/beautiful ship we all find ourselves in. This is a book about breaking rules, shaping perspectives, and running red lights, metaphorically speaking. It's about being naked in public - soulfully exposed for the sake of starting from the heart of what really matters. Reading, venturing through The Fourth Reflection is a graceful and timeless adventure. LeVine's lyricism and prolific use of linguistic color paints vivid portraits and inviting landscapes across the screen of the reader's mind, reminiscent of hand-held mirrors harnessing sunlight for the sake of sending heartfelt messages from reflective hilltops; from writer to reader, traveler to traveler. Al Secunda, Author of The 15 Second Principle The Fourth Reflection is a gorgeous book, as much an act of faith to read as it was to write. Light-footed, aspirational, and sensual, Wayne's wordcraft exemplifies the idea of the "writerly" book: reading it is a relational experience with the author, best described as an intersubjective experience rather than a description of any particular time or place. Few authors are this adept at making wisdom so joyful. Dr. Matthew Bennett - [www.AeolianCenter.org](http://www.AeolianCenter.org) The Fourth Reflection is a jewel to add to the treasure trove of anyone who chooses to live a conscious life, with purpose and ever-deepening sense of meaning. Wayne Allen LeVine's timeless reflections and vignette stories go straight to the heart of what really matters. This gifted writer, mentors us on our life journey, through his insightful, sensitive and soulful writing. It is a rare and authentic gem! Mrinalini Singh, Artist

## **A Reply to Mr. Edwards's Brief Reflections on A Short Discourse of the True Knowledge of Christ Jesus, &c**

A RECOMMENDED SUMMER READ BY THE NEW YORK TIMES, USA TODAY, TIME, AND NEWSWEEK Longtime Jeopardy! host and television icon Alex Trebek reflects on his life and career. Since debuting as the host of Jeopardy! in 1984, Alex Trebek has been something like a family member to millions of television viewers, bringing entertainment and education into their homes five nights a week. Last year, he made the stunning announcement that he had been diagnosed with stage four pancreatic cancer. What followed was an incredible outpouring of love and kindness. Social media was flooded with messages of support, and the Jeopardy! studio received boxes of cards and letters offering guidance, encouragement, and prayers. For over three decades, Trebek had resisted countless appeals to write a book about his life. Yet he was moved so much by all the goodwill, he felt compelled to finally share his story. "I want people to know a little more about the person they have been cheering on for the past year," he writes in *The Answer Is...: Reflections on My Life*. The book combines illuminating personal anecdotes with Trebek's thoughts on a range of topics, including marriage, parenthood, education, success, spirituality, and philanthropy. Trebek also addresses the questions he gets asked most often by Jeopardy! fans, such as what prompted him to shave his signature mustache, his insights on legendary players like Ken Jennings and James Holzhauer, and his opinion of Will Ferrell's Saturday Night Live impersonation. The book uses a novel structure inspired by Jeopardy!, with each chapter title in the form of a question, and features dozens of never-before-seen photos that candidly capture Trebek over the years. This wise, charming, and inspiring book is further evidence why Trebek has long been considered one of the most beloved and respected figures in entertainment.

"Tender Buttons is a 1914 book by American writer Gertrude Stein consisting of three sections titled "Objects", "Food", and "Rooms". While the short book consists of multiple poems covering the everyday mundane, Stein's experimental use of language renders the poems unorthodox and their subjects unfamiliar. Stein began composition of the book in 1912 with multiple short prose poems in an effort to "create a word relationship between the word and the things seen" using a "realist" perspective. She then published it in three sections as her second book in 1914"

Talsy and Chanter return to the peaceful vale, where she gives birth to his son - a creature of the chaos. Travain has stunted Mular powers and a Trueman personality, making him dangerous and unpredictable, and he is also angry at his father's apparent neglect. Mular, however, do not care for their children, who are born fully formed and independent. Travain grows quickly, and is everything Chanter warned Talsy he might be. Chanter finds the last piece of the broken Staff of Law and makes it whole, but the laws are lost. His first son is born on the eastern continent they left behind so long ago, but he is blinded by strange golden lights in his mind. He names himself Law, and finds shelter in a hive of semi-ants. The next generation are manants, and attack him, forcing Law to flee into the chaos. In his search for shelter, he travels to the western continent, where Truemen capture him. The wind informs Chanter of his plight, and Talsy insists that they save him. That means venturing into the chaos once more, and now it is far worse than it was before.

Since the release of Volume 1 of Carolyn's Reflections, Carolyn has reached the enlightened state. For those who do not understand, she is practically "one" with her Inner God: "BEING". She has evolved from what was once an effort to access the infinite intelligence to where she is "one" with the infinite intelligence: totally in the NOW. Many of the poems in this book truly are "reflections" of that journey Carolyn has made to enlightenment. For the fortunate few who are on the path to enlightenment, these "reflections" will be the fuel to your next state of evolution..

Inspiring reflections and meditations to quiet the noise of our everyday lives and draw us closer to

Jesus—from Cardinal Timothy Dolan, one of the most compelling Catholic leaders of our time In the Gospels, Jesus asks what may be the most important question of our lives: “Who do you say I am?” In our bustling world, this can be a difficult question to answer; often we are distracted or believe we lack the time or presence of mind to fully explore how we feel. But just a few minutes devoted to God each day can go a long way toward keeping us centered and focused on what really matters. In *Who Do You Say I Am?*, Cardinal Timothy Dolan, Archbishop of New York, offers beautiful insights on the importance of Jesus and the Church in our day-to-day lives. With short daily reflections crafted to inspire anyone seeking to appreciate and deepen their faith, Cardinal Dolan explores the lessons of Jesus and offers fresh new understandings of the saints, prayer, the Bible, beauty, and the pursuit of God, especially in light of the often turbulent nature of faith itself. Meant to be read at the start of each day or before retiring to sleep each night over the course of a year, this book leads readers step-by-step to a deeper and more personal relationship with God, helping to reveal why Jesus is still vital to a fulfilling life.

The gripping true story of a murder on an Indian reservation, and the unforgettable Arikara woman who becomes obsessed with solving it--an urgent work of literary journalism. "I don't know a more complicated, original protagonist in literature than Lissa Yellow Bird, or a more dogged reporter in American journalism than Sierra Crane Murdoch."--William Finnegan, Pulitzer Prize-winning author of *Barbarian Days* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review \* NPR \* Publishers Weekly When Lissa Yellow Bird was released from prison in 2009, she found her home, the Fort Berthold Indian Reservation in North Dakota, transformed by the Bakken oil boom. In her absence, the landscape had been altered beyond recognition, her tribal government swayed by corporate interests, and her community burdened by a surge in violence and addiction. Three years later, when Lissa learned that a young white oil worker, Kristopher "KC" Clarke, had disappeared from his reservation worksite, she became particularly concerned. No one knew where Clarke had gone, and few people were actively looking for him. Yellow Bird traces Lissa's steps as she obsessively hunts for clues to Clarke's disappearance. She navigates two worlds--that of her own tribe, changed by its newfound wealth, and that of the non-Native oilmen, down on their luck, who have come to find work on the heels of the economic recession. Her pursuit of Clarke is also a pursuit of redemption, as Lissa atones for her own crimes and reckons with generations of trauma. Yellow Bird is an exquisitely written, masterfully reported story about a

search for justice and a remarkable portrait of a complex woman who is smart, funny, eloquent, compassionate, and--when it serves her cause--manipulative. Drawing on eight years of immersive investigation, Sierra Crane Murdoch has produced a profound examination of the legacy of systematic violence inflicted on a tribal nation and a tale of extraordinary healing.

No Daffodils, No Clouds, like Tom Lyford's earlier poetry books, is a compendium of baby boomer Americana. The table of contents listing, with everything from "Brat Packs" and "Idiots' Guide to Wormholes" to "A Terrible Thing to Waste" and "Poem Nazis," reads like the big board of Alex Trebeck's Jeopardy categories. Allow Tom Lyford to personally introduce you to his unwitting mentors Janis Joplin, Bob Dylan, Tom Waits, Leonard Cohen, Stephen King, J. D. Salinger, and Ray Bradbury. Accept the tokens he offers for passage back through the Twilight Zone turnstile to relive those sights and sounds and smells of your '50s and '60s drive-in movie theater and roller skating pavilion. Contemplate his long view as to where we've been, and where we're headed. But you'll discover no "wandering lonely as a cloud" or "host of daffodils" here. Why? Because legions of Wordsworth wannabes have been doing that since 1802. What you will find, however, is a lot of humor and heart. You'll find accessible poems that you can understand. And you'll even find creative illustrations...

### **Carolyn's Reflections**

This book begins with poetry written from a relationship perspective with the Lord. That is not all; the author offers various poetry genres, which may not mention the name of the Lord; however, as reminiscent of the book of Esther, where His name is absent, His Providential intervention can be seen as a common thread throughout Mosaic Reflections: In Poetic Context is a journey in poetry from the heart and mind of the poet (here) to the pages of this book (there); the rest of the journey is up to the reader.
