Three years ago, when Cavan footballer Alan O'Mara was twenty-two, he spoke out about his battle with depression which led him to contemplate suicide. Only the thought of his parents and the pain that they would experience in his death prevented him from taking his own life. Now, in *The Best is Yet to Come*, he tells his story. From the role the GAA played in his life, to the decision he made to share his journey, this is an account of an ordinary young man, a GAA star, who found a way to move past the dark thoughts that beset his mind during his worst days, and who discovered that the only way out of the darkness is to ask for help. 'In summoning his courage and becoming the first active inter-county player to speak of his experiences with depression, Alan O'Mara gives a much needed voice to an aspect of human experience that has been cloaked in silence and stigma. This book, which is needed now more than ever, gives a rare glimpse into the complex inner world of depression and will give hope to those suffering in silence, guidance to those seeking solutions and inspiration for families and friends supporting loved ones.' The best verse hasn't been rhymed yet, The best house hasn't been planned, The highest peak hasn't been claimed, The mightiest rivers aren't spanned; Don't worry and fret, faint-hearted, The chances have just begun For the best jobs haven't been started, The best work hasn't been done. 'THE BEST IS YET TO BE' Berton Braley The Author adds: Whatever has happened in your life Whom so ever you may have come across Which ever direction you may have taken Always look ahead, just glance at the back once or twice. or there is still time for you to make it. Always keep in mind and walk. 'THE BEST IS YET TO BE' When a person achieves a certain amount of fame, he thinks that everything is over and that he has come to the end of the road. He must realise that there is a lot more to do as 'THE BEST IS YET TO BE'. Winning or losing is not in the hands of fate, it is in our own hands. We can win if we think we can, no body can stop us from doing that.

Sr. Anne Bryan Smollin (1943-2014) was a beloved storyteller with an unforgettable sense of humor. In her final book, *The Best Is Yet to Come*, Smollin--the author of five books, a gifted motivational speaker, and a trusted counselor--warmly encourages readers to live each moment fully, to discover the sacred in the ordinary, and to remember that the best is yet to come, affirming Christian hope. In what was to be the last chapter of the book, Sr. Anne Bryan Smollin wanted to tell the story of a woman who wanted to be buried with a fork in her hand. The woman told her husband that at the many potluck church dinners she attended, she was

always told to hold onto her fork after the main dish because there was still one more course--dessert. The best was yet to come! Sr. Anne possessed an uncanny gift to inject new life into familiar words and simple lessons such as "life is a precious gift," "don't take yourself too seriously," and "little things mean a lot." She reminds us in her final work that no matter how difficult some moments in life can be, the best is yet to come. In the tradition of her popular books *Tickle Your Soul* and *Live, Laugh, and Be Blessed*, Sr. Anne's down-to-earth wisdom and warm sense of humor once again break through the mundane routine of life, inviting you to wake up and take a fresh look around. Twenty-seven brief chapters will take you on a delightful tour through topics such as keeping perspective, living in the present moment, seeing the connections, and appreciating the past. The book was written just before Sr. Anne's untimely death and is being published posthumously in honor of her work and inspiration. Lifelong friend Sr. Patricia St. John, C.S.J., put the finishing touches on this manuscript. In her foreword, Sr. Patti recalls some of Sr. Anne's personal qualities--her wide-open heart to anyone in need, her delight in simple things, her ability to lovingly focus on each person she met--the same qualities she imparts as you read this book.

This saga is a life alert when heeded, it will inform the reader to be prepared to recognize the delusional events predicted as this world experiences a radical change in preparation of a one world government. Remember that only you can establish priorities in your family life. Spend time with your loved ones, because they are not going to be around forever. Say a kind word to someone who looks up to you in awe, because that little person soon will grow up and leave your side. Give a warm hug to the one next to you, because that is the only treasure you can give with your heart, and it doesn't cost a cent. Say "I love you" to your partner and your loved ones, but most of all, mean it. A kiss and an embrace will mend hurt when it comes from deep inside you. Hold hands and cherish the moment, for some day that person will not be there again. Make it a priority to set aside time to study God's word and pray, and share the thoughts in your mind.
