The Lorax is a children's book written by Dr. Seuss and first published in 1971. It chronicles the plight of the environment and the Lorax, who "speaks for the trees" and confronts the Once-ler, who causes environmental destruction. As in most Dr. Seuss works, most of the creatures mentioned are original to the book. The story is commonly recognized as a fable concerning the danger of human

"A big thing we could do to help low-income families is to make it easier to live without a car," says Gil Penalosa of 8 80 Cities. "And it would help middle class families to switch from two cars to one." He adds that the average cost of owning and operating one car is still \$8,500 a year, even after the recent slide in gasoline prices. 8.
