Baby Blue

A look at the rebellious thinkers who are challenging old ideas with their insights into the ways countless elements of complex systems interact to produce spontaneous order out of confusion

Fire's Edge

In her bestselling books *Blue Gold* and *Blue Covenant*, world-renowned water activist Maude Barlow exposed the battle for ownership of our dwindling water supply and the emergence of an international, grassroots-led movement to reclaim water as a public good. Since then, the United Nations has recognized access to water as a basic human right—but there is still much work to be done to stem this growing crisis. In this major new book, Barlow draws on her extensive experience and insight to lay out a set of key principles that show the way forward to what she calls a “water-secure and water-just world.” Not only does she reveal the powerful players even now impeding the recognition of the human right to water, she argues that water must not become a commodity to be bought and sold on the open market. Focusing on solutions, she includes stories of struggle and resistance from marginalized communities, as well as government policies that work for both people and the planet. At a time when climate change has moved to the top of the national agenda and when the stage is being set for unprecedented drought, mass starvation, and the migration of millions of refugees in search of water, *Blue Future* is an urgent call to preserve our most valuable resource for generations to come.

The Edge of Never

For Torrin Ivanov, life is a bargaining table. Every planet is a new business opportunity. Legality is optional and supplying one side in a local civil war always adds up to profit. Jak Stowell is at war within a war. A woman hidden in the heart of a male-only army, her brother's murder has left her desperate for vengeance. Her skill as a sniper gives her both the disguise she needs and paves the way ever closer to her real goal. She kills efficiently, without remorse. Putting down an off-world smuggler will be no different. A moment's hesitation. A flicker of doubt. Two women on a collision course set off a chain reaction of intergalactic intrigue—and awaken a dangerous passion that could cost them their lives.

On the Edge

A New York Times, USA TODAY, LA Times, and Wall Street Journal bestseller! Brian Buffini, an Irish immigrant who went from rags to riches, shares his strategies for anyone who wants to achieve the American dream. Born and raised in Dublin, Ireland, Brian Buffini immigrated to San Diego, California

at the age of nineteen with only ninety-two dollars in his pocket. Since then, he has become a classic American rags-to-riches story. After discovering real estate, he quickly became one of the nation's top real estate moguls and founder of the largest business training company, Buffini & Co., in North America. But Brian isn't alone in his success: immigrants compose thirteen percent of the American population and are responsible for a quarter of all new businesses. In fact, Forbes magazine boasts that immigrants dominate most of the Forbes 400 list. So what are the secrets? In *The Emigrant Edge*, Brian shares seven characteristics that he and other successful immigrants have in common that can help anyone reach a higher level of achievement, no matter their vocation. He then challenges readers to leave the comfort of their current work conditions to apply these secrets and achieve the success of their dreams.

Ivory Shepard didn't want to be a pirate when she grew up but she didn't plan on being orphaned and alone at thirteen with her three cousins either. After a Spanish raid in Charles Towne left them with nothing, Ivory held her cousins together, trained them to fight for their lives and led them to a life of quiet refuge on the banks of the Ashley River. Out of reach of the hands of unscrupulous men, they found life on the farm a tolerable substitute for the traditional alternatives life would force onto them—until the night the pirates showed up. Setting foot on that first pirate ship was nothing compared to the life of freedom and adventure awaiting them, once Ivory and the girls were through playing nice. Only one man believes he can stop her and he won't need a ship full of guns to do it. If it were only that easy

The Blue Edge of Midnight

We sat at the kitchen table, across from each other. In the same spots we sat for dinner up till a month ago. The shadows on the table looked like prison bars again. This time it was Star being caged. Star, who thought leaving made her free. That life would be all hunky-dory shampooing heads and sweeping floors while Mama got slapped around—far enough away so she wouldn't have to hear the screams. That's when I knew for sure—I couldn't leave Mama. And Star couldn't make me any more than I could make her stay. A painfully beautiful novel that exposes the haunting world of spousal abuse Blue's family is coming apart at the seams. After Pa drowned in the river, Mama up and married Jinx, whom Blue and Star know is big trouble. And now Star has run away, leaving Blue behind. It was hard enough to watch Mama get knocked around when Jinx was in one of his "moods," but now, with Star gone, Jinx has spun out of control. It's up to Blue to find Star and get help for Mama, to piece the family back together again. But Blue is running out of time. With biting realism and poignancy, this compelling young-adult novel explores Blue's struggle to protect her family and stand up against what she knows is wrong.

Grant's Flame

From award-winning writer and former NPR reporter Alan Siporin comes a riveting novel of suspense and courage, where people, good and bad, are tested by hate in Oregon's skinhead underworld.

A Killing Night

The Edgar Award-winning debut of the bestselling Max Freeman mystery series: A tormented ex-cop's mission to solve a grisly murder and earn redemption for his dark past After a shootout during a

convenience store holdup led to the accidental death of a twelve-year-old, Max Freeman left behind the Philadelphia police department for a life in exile in the Florida Everglades. Since then, he has lived in seclusion, haunted by guilt, with the humid night and the nocturnal predators of the swamp as his only company. But everything changes when Freeman discovers a young girl's body floating in the muddy waters and becomes the prime suspect for her murder. To prove his innocence, Freeman must uncover the real murderer—and confront his own tortured soul—before it's too late. This ebook contains an illustrated biography of the author featuring never-before-seen photos.

The National Book Award Finalist from acclaimed New York Times bestselling author Francine Prose—now the major motion picture Submission “Screamingly funny ... Blue Angel culminates in a sexual harassment hearing that rivals the Salem witch trials.” —USA Today It's been years since Swenson, a professor in a New England creative writing program, has published a novel. It's been even longer since any of his students have shown promise. Enter Angela Argo, a pierced, tattooed student with a rare talent for writing. Angela is just the thing Swenson needs. And, better yet, she wants his help.

But, as we all know, the road to hell is paved with good intentions Deliciously risqué, Blue Angel is a withering take on today's academic mores and a scathing tale that vividly shows what can happen when academic politics collides with political correctness.

The Emigrant Edge

When a pregnant judge is abducted, a PI follows her trail into the Florida Everglades in this novel by “the master of the high-stakes thriller” (Michael Connelly). US district judge Diane Manchester has looked across the courtroom into the eyes of evil before. But today, as she presides over the extradition hearing of a notorious Colombian drug lord, she is also eight months pregnant. Her chair is uncomfortable, her robe is constrictive, and her due date is fast approaching. If she shows a single sign of weakness, Diane risks jeopardizing the biggest trial of her career and setting a vicious murderer free. In seconds, her situation takes a harrowing turn for the worse. Walking to her favorite lunch spot, Diane is grabbed off the street, thrown into the back of a white van, blindfolded, and threatened with death. She has no idea who her kidnapers are or what they want. Maintaining a strict code of silence, they refuse to give her even the smallest glimmer of hope. But Diane’s captors have overlooked a crucial detail: Her husband, Billy, is the employer and best friend of Max Freeman, Philadelphia cop turned South Florida private investigator. Tossing off the rule of law, Freeman sets out to determine which of a rogues’ gallery of suspects took Diane—and to save her and her unborn child before it’s too late. From the author of the Edgar Award winner *The Blue Edge of Midnight*, whose “descriptions of Florida’s backwaters put him right up there with James W. Hall and Randy Wayne White” (Chicago Tribune), this is a mystery with “the kind of clock-driven suspense seen in the best of Harlan Coben” (Booklist).

The Last of the Blue Water Hunters

Female bartenders are targeted by a killer in this PI novel by the author Michael Connelly calls “the master of the high-stakes thriller.” After three young bartenders are murdered in Miami, and another goes missing in Philadelphia, private investigator Max Freeman is hired—by his ex-girlfriend Sherry—to look into the deaths. He accepts the job grudgingly, especially since Sherry is convinced the prime suspect is a retired police officer who once saved Freeman’s life back in Philly. Heading from Florida up north to his old stomping grounds, Freeman races to solve the case before the killer can strike again. But looking at the evidence objectively as he wrestles with his personal feelings for Sherry and his former colleague will be more difficult than he expected, in this mystery that’s “compelling from start to finish” by an Edgar Award–winning author (The Miami Herald). This ebook contains an illustrated biography of the author featuring never-before-seen photos.

The Greatest Works: 200+ Titles in One Edition

Calli Crawford has given up too much in life, too many rules and regulations forcing her to become someone she can barely recognize. Such is the life of a woman in the witness protection program. With loneliness and fear as a constant companion, she's in search for solitude in hopes of making it to the trial date and getting back to her life. Captain John "Edge" Barker has served his final mission for the Navy Seals and the devastation of it has left its mark on the hard-bodied vet. His plan is to focus on his dogs and ignore the rest of the world, but when a raven-haired woman in need moves across the street, his world is turned upside down. Needing someone to protect, he goes against his better judgment and steps into her world and makes her fight his own. With the largest syndicate in New York searching high and low for them, the pair doesn't have the luxury of living in the present. They're forced to stay on the razor edge of tomorrow.

Postcards From the Edge

Shark's Edge

When Glory Corner’s father introduces her to ‘their’ new business partner, she’s appalled. Viking-like Rolf Johansson exudes the same alpha-intimidation that jocks used to torment her through high school. After nursing her mother the last several years, she’s trying to break out of her shell and secretly pursue a writing career, but Rolf insists she go through with the rotten deal her father struck with his brother to renovate an old chalet. Rolf envisions this mountain as a world-class resort for elite athletes and other jet setters. As a downhill champion and owner of a world-renowned sports equipment empire, he knows what it takes to get what he wants. Nothing will stop him, especially not a hotheaded wallflower who turns the ice in his veins to lava. Bonus Story! This book contains Glory’s novella Blessed Winter, a no-room-at-the-inn Christmas romance.

Shark's Pride

She's the flame in his heart... He's the heat she can't ignore... Dependable and loyal to a fault, sexy bachelor Grant Twombly doesn't usually find himself in the friend zone, but that's the predicament he's in now with headstrong and heartbroken Rio Gibson—who, with sexy sass and beguiling wit, hides

her hobby-level thrill of lighting fires from everyone who cares about her. On a private cruise from Southern California to Hawaii and back, Grant does everything in his power to heal Rio's mind, body, and soul. But Rio continues to reject his persistence, despite her own growing desire for their passion. Even though her worst enemy continues to be her tangled, tormented mind. When unexpected guests join the last leg of their journey, Rio must hold herself together long enough to bring everyone home safely. If she can't rise to the challenge, she's destined to watch all that her heart holds dear go up in smoke. Again.

English Reports Annotated, 1866-1900

Every great dream begins with a dreamer... Sebastian Shark is on the verge of realizing his dream. The Edge—the most luxurious Los Angeles skyscraper ever conceived—will be his legacy, an icon to dominate LA's skyline just as Shark dominates its boardrooms. Self-made businesswoman Abbigail Gibson is on a trajectory toward massive success, but to get there, she must navigate the egos of her demanding clients—particularly the driven and obstinate Shark, who possesses the special talent of aggravating and arousing her within the same breath. They are a collision of chemistry, but is their potent attraction toward each other worth losing sight of their ultimate goals? Taking a bite of passion has never carried more risk—or promised sweeter reward. Fate has other ideas, however, as Sebastian is targeted by unknown enemies and Abbi is caught in the fray. Will the danger draw them closer or drive them apart?

Faith on the Edge

The author returns to the bountiful Sea of Cortez he knew decades ago, and finds it empty.

The Blue Edge of Midnight

The long blue edge of summer

An extraordinary account of the author's apprenticeship with free-diving pioneers who stalk powerful game fish.

Leading Edge, Issue 65

When a dream is taken to the edge of destruction, what will it take to rise again? Abbigail Gibson has finally broken through Sebastian Shark's staunch defenses, erected through years of having to fight for his multimillion-dollar success and the skyscraper that will be his legacy. But as construction starts on the Edge, the foundations of Sebastian's world are crumbling. Security has been breached, lives have been taken, and Bas has no choice but to hide Abbi to secure her safety. But at what price? As each day goes by, Abbi's health drains away by frightening degrees. Has he kept her safe, only to sacrifice her vitality? Her light? Separated, miserable, and on the trail of bizarre clues that lead to dead-end shadows, Sebastian and Abbigail can't be sure of anything anymore...until destiny intervenes with a precious gift for them both. They must now decide between living in fear, letting enemies shatter their trust and destroy their bond, or defy the odds and believe in their love—and see just how high they can rise.

** THE NEW YORK TIMES-BESTSELLING CULT CLASSIC NOVEL ** ** In a new edition introduced by Stephen Fry ** 'I don't think you can even call this a drug. This is just a response to the

conditions we live in.' Suzanne Vale, formerly acclaimed actress, is in rehab, feeling like 'something on the bottom of someone's shoe, and not even someone interesting'. Immersed in the sometimes harrowing, often hilarious goings-on of the drug hospital and wondering how she'll cope – and find work – back on the outside, she meets new patient Alex. Ambitious, good-looking in a Heathcliffish way and in the grip of a monumental addiction, he makes Suzanne realize that, however eccentric her life might seem, there's always someone who's even closer to the edge of reason. Carrie Fisher's bestselling debut novel is an uproarious commentary on Hollywood – the home of success, sex and insecurity – and has become a beloved cult classic. 'This novel, with its energy, bounce and generous delivery of a loud laugh on almost every page, stands as a declaration of war on two fronts: on normal and on unhappy' STEPHEN FRY 'A single woman's answer to Nora Ephron's Heartburn . . . the smart successor to Joan Didion's Play It as It Lays' Los Angeles Times 'A cult classic . . . A wonderfully funny, brash and biting novel' Washington Post 'A wickedly shrewd black-humor riff on the horrors of rehab and the hollows of Hollywood life' People 'Searingly funny' Vogue

The Blue Edge

Dreams come at a price... Hidden enemies are tormenting Sebastian Shark. They're determined to see his reputation in shreds and his plans for building the Edge in ruins. To make matters worse, Abigail Gibson has written him off for good, choosing to believe their night of blistering passion was just another one of his playboy conquests. When an unexpected visitor arrives on Sebastian's doorstep, he can no longer ignore the danger Abigail is in because of him. Someone has declared war, and the woman he loves could become collateral damage. Unacceptable. But Abbi's not about to ditch the man of her dreams just because things get tough. His rules. Her trust. His world. Her safety. Their power struggle threatens to rip them apart again—but believing in their dream is the only way they'll survive.

The Blue Diamond

A thrilling, thought-provoking novel from one of young-adult literature's boldest new talents. January 29, 2035. That's the day the comet is scheduled to hit—the big one. Denise and her mother and sister, Iris, have been assigned to a temporary shelter outside their hometown of Amsterdam to wait out the blast, but Iris is nowhere to be found, and at the rate Denise's drug-addicted mother is going, they'll never reach the shelter in time. A last-minute meeting leads them to something better than a temporary shelter—a generation ship, scheduled to leave Earth behind to colonize new worlds after the comet hits. But everyone on the ship has been chosen because of their usefulness. Denise is autistic and fears that she'll never be allowed to stay. Can she obtain a spot before the ship takes flight? What about her mother and sister? When the future of the human race is at stake, whose lives matter most?

On the Edge of Gone

The National Book Award-winning novel of a young girl's coming of age, from the author of Send Me

Down a Miracle. Twelve-year-old Miracle McCloy never liked the story of her remarkable birth, but her grandmother Gigi has always loved telling it. An expert in occult magic, Gigi insists that when Miracle was saved from her dead mother's womb, it was an omen of greatness to come. But how can Miracle become a prodigy like her father when sometimes she feels like she doesn't even exist? When her father suddenly vanishes without a trace, Miracle's life starts feeling less miraculous by the day. The only time she feels whole is when she's dancing—an activity her grandmother strictly forbids. But shortly after her thirteenth birthday, a life-threatening incident puts her whole world in a harsh new light. And though she does not emerge unscathed, Miracle might finally see the truth about her past, her family, and herself. "Extraordinary . . . Nolan does a masterful job of drawing readers into the girl's mind and of making them care deeply about her chances for the future." —School Library Journal (starred review) "Elaborately drawn characters that will surprise readers at every turn . . . Compelling." —Booklist (starred review)

Blue Future

Blue Angel

"A haunting account of one man's determination and the struggles of a people living in a deeply troubled country."-Booklist When William Powers went to Liberia as a fresh-faced aid worker in 1999, he was given the mandate to "fight poverty and save the rainforest." It wasn't long before Powers saw how many obstacles lay in the way, discovering first-hand how Liberia has become a "black hole in the international system"-poor, environmentally looted, scarred by violence, and barely governed. Blue Clay People is an absorbing blend of humor, compassion, and rigorous moral questioning, arguing convincingly that the fate of endangered places such as Liberia must matter to all of us.
