fitness secrets and teaches women how to achieve an A-list body using her fun and unique strength training and cardio workouts. Considered the "next Tracy Anderson," Simone De La Rue has created a total body workout—a unique fusion of Pilates, bar method, strength training, and cardio dance moves—for women looking to lose weight, tone up, change up their routine, lose baby weight, or exercise while recovering from an injury. Her workouts are fast-paced, fun, and targeted for the muscle groups women most want to tone: arms, abs, glutes, and thighs. Filled with nearly 200 gorgeous color photos, *Body By Simone* features Simone's eight-week plan that incorporates her dance-based cardio workouts and signature strength training moves. Here are workouts for all levels—beginning, intermediate, and advanced—and a self-assessment test to choose the right plan for you. Simone offers a breakdown for each week and a schedule for each day, including an overview of the week's goals and challenges. Each week builds on the next to keep you challenged and engaged, and see the results you want. To boost weight loss and metabolism as well as naturally detox the body, Simone also provides a 7-day kick-start cleanse complete with recipes for simple meals, juices, and smoothies.

the blood of too many American men, with studies showing declines in average testosterone levels over the past 20 years. Today's men need a major adjustment of alpha attitude, and "Alpha Male Challenge" is the 10-week plan for reclaiming the masculine, competitive edge guys need to be on top of their game in every aspect of their lives. It's the new blueprint for the "true" Alpha Male--the ideal of masculine excellence today. More than just another fitness book, this three-part exercise, diet, and mind-set overhaul features: the revolutionary MaleScale assessment questionnaire that measures the physical and mental traits that define the true Alpha Male; a step-by-step regimen to develop the Four C's of Alpha Attitude: commitment, confidence, courage, and conscience; the Alpha Wave Basic Training program to build muscle, burn fat, and produce testosterone; the Work Heart/Play Heart cardio system; and the Alpha Fuel Solution, a convenient approach to food and supplements with simple Fuel Rules based on what the human body was designed to eat over the past 2.5 million years, tweaked with cutting edge innovations. This is a straightforward instruction manual to build the kind of man these hard times demand: ruggedly powerful and supremely confident. It will help guys become more successful in their workouts, in their careers, and even in their relationships, as they learn to embody the everyday heroism of the true Alpha Male.

Save time on your workouts and look better than ever! Unlike traditional dumbbells, the kettlebell's center of mass is extended beyond the hand. Because more muscle groups are utilized in the swinging and movement of a kettlebell than during the lifting of dumbbells, a kettlebell workout is more effective, and yields better results in less time. The momentum generated by the kettlebell also reduces stress on the joints and minimizes the chance for injury. While the general public is starting to catch on to the power of the kettlebell, many kettlebell books on the market merely feature exercises for dumbbells, substituting the dumbbells with a kettlebell. This approach fails to maximize the efficacy and fun of the kettlebell as a workout tool. For the first time ever, *Body Sculpting with Kettlebells for Women* provides a female audience with kettlebell-specific workouts. *Body Sculpting with Kettlebells for Women* will teach you:

- The differences between dumbbells and kettlebells
- How the kettlebell's shape enables endless variety of movement patterns
- Sport-specific exercises to enhance performance
- Uniquely designed exercise programs to benefit all fitness levels
- Where to buy kettlebells and which kettlebells are best for your fitness level
- Basic nutritional guidelines for a more

The World's Most AUTHORITATIVE Guide to Building Your Body You probably know a lot about building muscle. You know which curl is the best for your biceps, you do every possible exercise for your abdominals, and your 20-set bench-press routine is the envy of everyone in the gym. So why haven't you gotten the results you want? This book has the answer. In fact, it probably answers every question you've ever asked about how your muscles work: What makes them grow? What makes them show? Why didn't that champion bodybuilder's routine work for you? But The Book of Muscle does more than just explain how your muscles work. It also gives you comprehensive muscle-building programs from a world-class trainer. Ian King has spent 2 decades as strength coach to world-champion and Olympic athletes. He is in wide demand as a lecturer on athletic preparation and physique development, and he is a popular contributor to Men's Health magazine and T-mag.com, the most popular bodybuilding Web site on the planet. Now, for the first time, he brings his extraordinary knowledge and unique muscle-building systems

to a book meant for regular guys who like to work out and want to see better results than they've gotten from conventional programs. Here's what you get from The Book of Muscle that you can't get from any other book:

- Three complete 6-month, progressive workout programs created by Ian King to optimize muscle growth by juxtaposing opposing muscle actions
- Ian King's revolutionary training-age system to help you determine which program is right for you
- Complete abdominal training that ensures you'll not only get that coveted six-pack but also develop the muscles that prevent injuries and produce better performance on the field--any field
- Vital advice on warming up, stretching, and recovering between workouts
- The latest and best information on how you need to eat to make your muscles grow

If you've never before bought a workout book, this should be your first. And if you've tried all the others, this is the one that finally delivers everything you have ever wanted to know but couldn't find in one place.
