Writing Monsters

The massive destruction wreaked by the Hurricane of 1938 dwarfed that

of the Chicago Fire, the San Francisco Earthquake, and the Mississippi floods of 1927, making the storm the worst natural disaster in U.S. history. Now, R.A. Scotti tells the story.

The Eye of Ra

The Legend of Drizzt(R) comes to an end . . . For now! The mighty warhammer Aegis-fang has found its way into the hands of the wicked pirate captain Sheila Kree, and Wulfgar is hot on her trail. When Drizzt and his companions leave Mithral Hall in search of Wulfgar, they find themselves on the trail of the warhammer as well, a trail that will lead them to a startling reunion, and the last battle for the heart and soul of Wulfgar. From the Paperback edition.

RA The Book Vol 1

When you can no longer outrun your enemies, you have two choices. Turn and fight for your life, or give up.I've never been one for giving up. Unfortunately, running away from your problems only works for so long. Since I got pulled into the secret underworld of demons, Fae, and vampires, it's been one crisis after another. I've been dodging and

ducking, rather than hitting back. Reacting instead of acting. Ransley Thorpe and I have been gradually backed into a corner, and we're about to take the offensive. We may be punching way above our weight class, it's true. But if the alternative is death or captivity at the hands of our enemies, do we really have anything to lose? The good news is, the soul-bond I share with my vampire lover means we can never be parted from each other-not even in death. With that reassurance in mind, it's time to make sure Hell and Dhuinne come to regret the day they ever decided to take us on. So yeah. A half-crazy vampire and an ex-waitress are about to go up against the toughest the paranormal world has to offer. I figure it'll either be totally badass or the most epic smackdown in history. * * * The Last Vampire is a steamy urban fantasy romance series from USA Today Bestseller R. A. Steffan and Jaelynn Woolf, co-authors of the Circle of Blood saga. Grab Book Six today, and enjoy the conclusion of Rans and Zorah's wild ride through a world populated by demons, fae, and vampires. Don't worry, though! There are more stories to tell in this world, starting with Vampire Bound: Book One, coming in early 2020.

The Ra Contact: Teaching the Law of One:

A contemporary couple journeys back in time to ancient Ireland in this

delightful fantasy by the author of Tea with the Black Dragon. John Thornburn is an artist, mild-mannered and nonviolent. To make ends meet, he teaches some courses in Celtic design. And although his background is half Micmac Indian, he lives in Ireland for two reasons: his far more confrontational and warrior-like girlfriend, Derval O'Keane, and his fascination with the beautiful illuminated manuscript known as the Book of Kells. But he's about to take a journey to a far more distant place, one that he could not have imagined. Along with Derval, John will find himself in an ancient Celtic realm, where a Viking attack begs to be avenged and a fantastic—and sometimes terrifying—adventure awaits . . . From a master of magical fantasy, the author of the Damiano Trilogy and a winner of the John W. Campbell Award, this is a tale of warriors, love, danger, and Irish history that will cast a spell on anyone who dreams of discovering treasures in long-lost worlds.

Human Design

Fans of The Kane Chronicles series will adore this gorgeous primer on the people, places, gods, and creatures found in Rick Riordan's #1 New York Times bestselling series. Featuring enough information and extras to satisfy avid followers and budding Egyptologists alike, this

lavishly illustrated guide will cast a spell on readers of all ages.

The Lion Mistress

Scientific consultant Penny Yee has barely drawn breath before Detective Inspector Tanner assigns her another suspicious death, with Matiu tagging along for the ride. That's fine as long as he stays outside the crime scene tape, but when one of Matiu's former cronies turns up dead, Penny wonders if her brother might be more than just an innocent bystander. While she's figuring that out, the entire universe conspires against her, with a cadaver going AWOL, her DNA sequencer spitting the dummy, and the rent due any day. Even the weather has it in for her. But that's not the worst of it; Penny's parents have practically announced her nuptials to Craig Tong! Still spitting the taste of sand from his mouth, Matiu's back on the case with Penny, and wouldn't you know it, his big sister is in over her head again, not that she has a clue. There's a storm brewing dark through the heat-haze on the horizon, and Makere isn't the only one of Matiu's friends from another life dogging his steps. Is this all because of what Mārama was trying to tell him earlier? About his heritage? Meanwhile, Cerberus is only making things worse by losing his rag every time they cross paths with the elusive killer. Can the dog taste the hot sour

reek of something trying to push through the veil and run its tongue and teeth across this world? What's calling them? What has changed? Matiu should probably check that out, if only his probation officer would quit calling

Sudden Sea

Tor Essentials presents science fiction and fantasy titles of proven merit and lasting value, each volume introduced by an appropriate literary figure. Acclaimed as one of the most original voices in modern literature, a winner of the World Fantasy Award for lifetime achievement, Raphael Aloysius Lafferty (1914-2002) was an American original, a teller of acute, indescribably loopy tall tales whose work has been compared to that of Avram Davidson, Flannery O'Connor, Flann O'Brien, and Gene Wolfe. The Best of R. A. Lafferty presents 22 of his best flights of offbeat imagination, ranging from classics like "Nine-Hundred Grandmothers" (basis for the later novel) and "The Primary Education of the Cameroi," to his Hugo Award-winning "Eurema's Dam." Introduced by Neil Gaiman, the volume also contains story introductions and afterwords by, among many others, Michael Dirda, Samuel R. Delany, John Scalzi, Connie Willis, Jeff VanderMeer, Kelly Robson, Harlan Ellison, Michael Swanwick, Robert Silverberg, Neil

Gaiman, and Patton Oswalt. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Last Threshold

"I am Ra. We came to your peoples to enunciate the Law of One. We wished to impress upon those who wished to learn of unity that in unity all paradoxes are resolved; all that is broken is healed; all that is forgotten is brought to light." For thousands of years those of Ra have sought to teach the Law of One to seekers of truth on Earth who wished to learn of the unity or oneness of all things. This basic law of all creation is buried deep within each of our hearts because we really are one in love and in light, the building blocks of the universe. We are all manifestations of the One Infinite Creator. We are the Creator. We are not learning this law for the first time but are remembering it yet again as all mystics have taught throughout Earth's history. Our journey of self-realization is the discovery or remembrance of this essential truth, our essential identity. A waking up, as some have called it, within an illusion of separation. Don Elkins and Carla L. Rueckert worked together for 12 years to perfect the channeling process and receive philosophical inspiration and guidance from extraterrestrial sources. When Jim McCarty joined them

in 1980 they began to receive a new and unique type of channeling contact from those of Ra. Through this contact, Ra shared information to help seekers of truth deepen their awareness and acceptance of self and other, and to help Earth move into the emerging fourth density of love and understanding. This book is the transcript from the recording of that conversation between the Questioner and Ra. Through questions & answers, the metaphysical blueprint of spiritual evolution is explored, from the microcosm to the macrocosm, from the particulars of life on this planet to the life of the cosmos, to the possibilities of healing, transformation, and self-realization for spiritual seekers and wanderers. * * * * * * * * * The Ra Contact: Teaching the Law of One Volume 2 contains Ra contact sessions 57-106. As with all L/L Research material, this book can be read for free in PDF form on the archive website www.llresearch.org.

Song of the Risen God

One of them is going home. One of them is leaving the only home he's ever known. One of them is returning to a place that wants him dead. Kathrael, Favian, and Ithric are traveling back to Rhyth-a city in the grip of chaos and rioting, teetering on the verge of full-blown rebellion. There, they hope to make a difference by lending their unique talents to the mysterious leaders of the slave underground. But with Favian having prophetic dreams, Ithric fighting his inner lion, and Kathrael questioning her sanity as the ghostly voices around her grow ever more consuming, can their fragile new relationship survive in a city that takes no prisoners * * * Haunting and uplifting, The Lion Mistress: Book 2 explores themes of loyalty, and the ways in which love must co-exist with a broader destiny. Pick up your copy today, and get a front row seat to this sensual, inspiring adventure through exotic, magic-filled lands. Author's note: The Lion Mistress series contains graphic violence and graphic sex, including sex

between men and sex with multiple partners. It is intended for a mature audience.

The Book of Ra

His great battles against the sea raiders in the Nile Delta have left Pharaoh Tuthmosis II weak and frail, but he finds solace in victory and the welcome he is sure to receive on his return to Thebes. Across the river from the Egyptian capital, however, not all take pleasure in his homecoming. Reunited with his wife, Hatusu, and his people, Tuthmosis stands before the statue of Amun-Ra, the roar of the crowd and the fanfare of the trumpets ringing in his ears. But within an hour the Pharaoh is dead, and his unfinished tomb ritually polluted by a witch. The people of Thebes cannot forget the murder and the desecration any more easily than they can forget the frightful omen of wounded doves flying overhead. Rumor runs rife, speculation sweeps the royal city, and Hatusu vows to uncover the truth. With the aid of Amerotke, a respected judge of Thebes, she embarks on a path destined to reveal the great secrets of Egypt. The Mask of Ra is a compelling and dramatic novel set against the background of Egypt's eighteenth dynasty--a time of great change, as warlike Pharaohs fought to control not only the tribes on their western and southern borders, but to

bring their subjects firmly under their rule.

The Book of Kells

A brilliant atmospheric thriller, set in Cairo and the surrounding tombs and deserts, involving the threat of the past entwined with present deaths and future machinations. Omar Ross, a maverick archaeologist, is disturbed by the death at the foot of the pyramids of Giza, of his old colleague, a famous Egyptologist, Richard Cranwell. Cranwell had become obsessed by his search for the legendary lost city of Zerzura. Ross's suspicions become further aroused by documents left referring to other deaths, of Carnarvon, of Wingate, of Carter, all linked by the inscription for the god Thoth. It seems as if Cranwell had been on the verge of a great discovery; but every contact, every informant, disappears: Cranwell's body itself is lost and Ross, threatened, beleagured and friendless, turns to his mother's family, of the Bedouin tribe. This is a first novel with a difference. Written with great confidence, it is rich with Egyptian mythology and history, its new discoveries are plausible and convincing, the secret organizations and believers complex and frightening, and the cast of characters lively and varied.

Teeth of the Wolf

This book contains the first published results of Schwaller's 12 years of research at the temple of Luxor and its implications for interpreting the symbolic and mathematical processes of the Egyptians through their sacred architecture.

The Book of Knowing the Manifestations of Ra Again

RA:The Book - The Recording Architecture Book of Studio Design was first published as a single, hardcover volume in 2011 and which has sold in over fifty countries to critical acclaim. A necessarily large format dictated by the detailed drawings it contained, RA:The Book was unavoidably heavy and costly to produce and ship. This iBook version is the first of three stand alone volumes which will hopefully make this essential guide to recording studio design more accessible. It includes a new introduction with previously unavailable photographs. The following description is for the original hardcover: Established by Roger D'Arcy and Hugh Flynn on April 1st 1987 Recording Architecture has risen to become one of the premier recording studio design companies in the world. First Commissioned by ex Def Leppard

guitarist Pete Willis for Blue Room studios In Sheffield swiftly followed by projects such as Hulgrave Hall, for composer Keith Hopwood the company has grown to design key installations around the world. Now for the first time they will be publishing a history of these ground breaking designs covering all aspects of architectural, acoustic and interior design of these studios and spaces specifically related to sound on a project by project basis. In a Career spanning Three decades Recording Architecture has virtually unrivalled experience in the design of studios which range in size and purpose from classical orchestral, residential, mixing, mastering, post production, film dubbing, video editing and rehearsal studios over 40 countries worldwide. Stating his desire to expand awareness with the new book Roger D Arcy states Over the years, and perhaps surprisingly, the only available books on recording studio design seem to have been written by individuals with little or no qualified background in Architecture or design in the field - we are trying show the detailed architectural/acoustic input behind a successful design with each studio study showing drawings in large format . This is not a theoretical guide but a detailed presentation of tried and tested techniques as applied to real, built projects in many of the case studies, the actual drawings issued for construction are reproduced. The examples illustrate not only what we think should be done but what

was in fact physically (and successfully) implemented in a wide variety of situations from small, private project studios to large, commercial land mark studios such as Lansdowne and CTS. Examples range in scope from individual spaces and rooms to multi studio facilities and cover the two principal strands of recording and mixing: MUSIC studios recording (tracking), mixing and mastering (including cutting) project to orchestral in scale examples have been taken from the private, commercial and educational sectors. POST PRODUCTION studios voice over (dubbing), FX recording (Foley), film mix studios (dubbing theatres) from small voice over studios for TV to large Dolby Premier Certified film mix theatres. Contents include hundreds of photographs together with detailed plans and construction drawings - including comprehensive specifications of materials and techniques - showing exactly how these environments were created.

Eye of Ra

Monsters are more than things that go bump in the night Monsters are lurking in the woods, beneath the waves, and within our favorite books, films, and games--and there are good reasons why they appear so often. Monsters are manifestations of our fears and symbols of our society--not to mention they're a lot of fun--but each should serve a

purpose and enhance the themes and tension in your fiction. In Writing Monsters, best-selling author Philip Athans uses classic examples from books, films, and the world around us to explore what makes monsters memorable--and terrifying. You'll learn what monsters can (and should) represent in your story and how to create monsters from the ground up. Writing Monsters includes: • In-depth discussions of where monsters come from, what they symbolize, and how to best portray them in fiction • Informative overviews of famous monsters, archetypes, and legendary creatures • A Monster Creation Form to help you create your monster from scratch • An annotated version of H.P. Lovecraft's chilling story "The Unnamable" Whether you write fantasy, science fiction, or horror, your vampires, ghouls, aliens, and trolls need to be both compelling and meaningful. With Writing Monsters, you can craft creatures that will wreak havoc in your stories and haunt your readers' imaginations--and nightmares.

Tutankhamun and the Daughter of Ra

The thrilling conclusion to the Coven Trilogy from New York Times bestselling author, R. A. Salvatore. War has come to Fireach Speur. The once forgotten Xoconai Empire has declared war upon the humans west of the mountains, and their first target are the people of Loch

Beag. Lead by the peerless general, Tzatzini, all that stands in the way of the God Emperor's grasp of power is Aoelyn, Talmadge, and their few remaining allies. But not all hope is lost. Far away from Fireach Speuer, an ancient tomb is uncovered by Brother Thaddeus of the Abellican Church. Within it is the power to stop the onslaught of coming empire and, possibly, reshape the very world itself. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Book of R

Ankhesenamun has never been safe in all her short life - not even with her beloved husband and half brother Tutankhamun. Daughter of the Pharaoh Akhenaten and the fabled Nefertiti, and married at one time to her father, Ankhesenamun is made to marry Tutankhamun by the powerful General Horemheb at a time of bitter political and religious division - she is the delicate link between scheming factions. But on the death of her husband, Ankhesenamun is forced into one last extraordinary and desperate bid for life and happiness

Ra

Book Three of the Law of One builds on the information presented in Books One and Two, continuing the exploration of the nature and balancing of the energy centers or chakras, sexual energy transfers, healing, reincarnation, meditation, and Wanderers. The nature of psychic prophecy is explored in Book Three, as are the nature and ramifications of what are usually called psychic attacks. A good deal of information is given on the principles of ritual magic in general and white magic in particular, and a beginning is made in the study of the archetypical mind, which is the mind of the Logos and serves as a kind of blueprint for our evolutionary process and which serves as the foundation concept for each of our individual minds.

Gravity's Rainbow

This novel asks, "Could a modern day prophet change the course of history?" "Adrenaline-packedyou feel like you have been on a rollercoaster ride that takes you all over the world." Dr. R Hill. ""BreathtakingGrippingIt grabs you on the first page and takes many twists and turns that keep you turning the pages" C. Miller "a sweeping epicFive Stars" P. Whittman. "an exciting, fascinating, and an intelligent compelling story that will keep you entranced. The tale takes many unexpected turns and in the end, it left me breathlessFIVE

STARS." D. Goodman. Five years in the making, this epic trilogy is now published. Be prepared for magnificent spectacle on the grandest scale. You'll find that it abounds with lavish unimagined pageantry and ceremonies that will touch your heart. Share in the intimate moments of a family that loves and sacrifices for each other and then extends that love to encompass the world. ~*~ God sees that much of his creation has withered and died. His last hope is that Earth can be saved and is perhaps all that can be salvaged. He sets upon a plan in which he sends seeds to Earth that are mankind's hope for survival. He sends an archangel to assist the four seeds, the three generations of the Lancaster family. The Lancaster's are unaware of their celestial powers or that they are "seeds" with a godly mission. They go about their lives believing they are ordinary American citizens in a modern day world. Each Lancaster experiences life quite differently and it is only with age, that each begins to understand their unique relationship with a higher power. The stories of self-discovery show the struggles that each encounter as they make their way in a world that is challenging them at every turn. On the surface they were an ordinary family-a typical family that went about living their lives struggling to build a life for themselves in an average American modern-day town. Raymond Lancaster's archeologist father disappeared when he was a child and his mother now gone found himself alone in an

indifferent world. From impoverished beginnings he propelled himself to modest wealth building RL Enterprises into an international conglomerate. He lived peacefully, blissfully with his loving wife Susan, his college sweetheart, and his son and daughter never anticipating that everything would come crashing to an abrupt end. ~*~ Paperback/ Large Print/ and eBook editions are available at Createspace and Amazon.com

The Adventures of Nanny Piggins

Did the ancient Egyptians believe in many gods, or was it one god in many guises? The answer lies in the special relationship between the sun god Ra and the king, in his central title "Son of Ra". Stephen Quirke draws together recent advances in our understanding of the cult of Ra, from the third millennium B.C. to the Roman conquest of Egypt and the rise of Christianity. He explores the Egyptian sources for the character of Ra, his pivotal role in creation, and the way in which the Egyptians expressed the world as physical matter unfurling from the sun. Through select inscriptions and manuscripts the reader enters the closed world of the king as he carried out his principal function, to maintain life itself. With prayer, sacrifices, and the power of knowledge, Pharaoh ensured the smooth passage of the sun hour by hour

through the sky. The epicenter of the cult was the temple of Ra at Iunu (the Heliopolis -- "city of the sun" -- of the ancient Greeks). All but inaccessible within the urban spread of modern Cairo, the sacred precinct of Iunu formed the greatest religious complex of ancient Egypt. Excavations at the site offer a glimpse of vanished magnificence, echoed in displaced monuments within Egypt and around the globe, and in better-preserved sites inspired by the solar city, such as Karnak and Tanis. Pyramids and obelisks represent the outstanding architectural and engineering achievements of ancient Egypt, and here their precise links to the sun cult are examined. The book closes with an account of Akhenaten, the most exclusive son of Ra, who transformed the Ra cult into the royal worship of the sun-disk, Aten. From this richly rewarding and provocative book we learn justhow central the sun and its cult were to ancient kingship and personal belief in the Valley of the Nile.

Public Roads

The Book of R is a comprehensive, beginner-friendly guide to R, the world's most popular programming language for statistical analysis. Even if you have no programming experience and little more than a grounding in the basics of mathematics, you'll find everything you

need to begin using R effectively for statistical analysis. You'll start with the basics, like how to handle data and write simple programs, before moving on to more advanced topics, like producing statistical summaries of your data and performing statistical tests and modeling. You'll even learn how to create impressive data visualizations with R's basic graphics tools and contributed packages, like ggplot2 and ggvis, as well as interactive 3D visualizations using the rgl package. Dozens of hands-on exercises (with downloadable solutions) take you from theory to practice, as you learn: -The fundamentals of programming in R, including how to write data frames, create functions, and use variables, statements, and loops -Statistical concepts like exploratory data analysis, probabilities, hypothesis tests, and regression modeling, and how to execute them in R -How to access R's thousands of functions, libraries, and data sets -How to draw valid and useful conclusions from your data -How to create publication-quality graphics of your results Combining detailed explanations with real-world examples and exercises, this book will provide you with a solid understanding of both statistics and the depth of R's functionality. Make The Book of R your doorway into the growing world of data analysis.

Wherever I Wind Up

The epic conclusion to the best-selling Blood of Ra Trilogy TWO HEIRS. AN AGE-OLD BATTLE. ONE TRUE LEGACY. The Rathadi, defeated and ravaged by illness, are in hiding. Alyssa must awaken Horus's last memory to unlock her potential and claim her birthright as his Legacy. Can she overcome her greatest challenges and fears, both from outside and within, and lead the Rathadi to victory in their fight against Nephthys? Praise for the Blood of Ra Trilogy: "fast-paced and enthralling marvelous plot thought-provoking and ingenious well-written and engaging story Heir of Ra is most highly recommended." -Readers' Favorite (5/5 Stars) "Sasinowski creates captivating action and an empowered central character engaging adventure combining fantasy, history, mystery, and a touch of romance." -Kirkus Reviews "A thrilling adventure for explorers of all ages." -Bestsellersworld.com

The Kane Chronicles Survival Guide

Winner of the 1974 National Book Award "A screaming comes across the sky. . ." A few months after the Germans' secret V-2 rocket bombs begin falling on London, British Intelligence discovers that a map of the city pinpointing the sexual conquests of one Lieutenant Tyrone Slothrop, U.S. Army, corresponds identically to a map showing the V-2

impact sites. The implications of this discovery will launch Slothrop on an amazing journey across war-torn Europe, fleeing an international cabal of military-industrial superpowers, in search of the mysterious Rocket 00000, through a wildly comic extravaganza that has been hailed in The New Republic as "the most profound and accomplished American novel since the end of World War II."

Sea of Swords

Relates the author's unlikely journey to the big leagues after his athletic dream was nearly destroyed and how he was sustained by his Christian faith and the love of his family before emerging as one of the National League's premier pitchers.

The Best of R. A. Lafferty

The Cult of Ra

New York Times-bestselling author: The much-awaited story of master assassin Artemis Entreri and the first installment in a new series set

in the Forgotten Realms universe Surrounded by dark elves, Artemis Entreri tightens his grip on the streets of Calimport. While he urges caution, his sponsor grows ever more ambitious. The assassin will soon find himself on a path his most hated enemy has walked before him—a path that leads to a place where someone like Entreri would never be welcome. Drow leader Jarlaxle has ascended from dark Menzoberranzan with only civil intentions. The malevolent Crystal Shard's influence on him intensifies until even the drow agents he brought with him grow fearful. When his own company begins to turn on him, Jarlaxle will be forced to find a savior in the man he's come to enslave. Servant of the Shard is the first book in the Sellswords trilogy and the fourteenth book in the Legend of Drizzt series.

The Last Vampire

This second book in New York Times bestselling author R. A. Salvatore's all-new Forgotten Realms trilogy—full of swordplay, danger, and imaginative thrills—features one of fantasy's most beloved and enduring characters, Drizzt Do'Urden. Split between time and two worlds, Zaknafein had always been conflicted. That inner turmoil was magnified by his inferior position as a male dark elf in the matriarchal drow society. Only his status as one of the greatest

warriors—as well as his friendship with the mercenary Jarlaxle—kept him sane. When he finally perished, he was content knowing he left behind a legacy as substantial as his son Drizzt. Except . . . someone isn't ready for Zaknafein to be dead. And now he's back, hundreds of years later, in a world he doesn't recognize. His son's companions are not the prideful—and bigoted—males the drow warrior was accustomed to in his previous life. Drizzt's circle includes dwarves, elves, and, perhaps worst of all, a human wife. Struggling to navigate this transformed new world, Zaknafein realizes that some things have not changed: the threat of demons and the machinations of a drow matron no longer content with her family's position in the ranks of Houses. Though he has been displaced in time, Zaknafein is still a warrior. And no matter what prejudices he must overcome, he knows he will do his duty and fight by Drizzt's side to stem the tide of darkness that threatens the Realms.

The Eye of Ra

Established by Roger D'Arcy and Hugh Flynn on April 1st 1987 Recording Architecture has risen to become one of the premier recording studio design companies in the world. First Commissioned by ex Def Leppard guitarist Pete Willis for Blue Room studios In Sheffield swiftly

followed by projects such as Hulgrave Hall, for composer Keith Hopwood the company has grown to design key installations around the world. Now for the first time they will be publishing a history of these ground breaking designs covering all aspects of architectural, acoustic and interior design of these studios and spaces specifically related to sound on a project by project basis. Seeds from Heaven

Offers a comprehensive guide to Human Design, a practice that goes beyond horoscopes to render a unique personality reading for each person, with the aim of empowering him or her to make the correct decisions, choose the best professions and create relationships with ease and success. Original.

Legacy of Ra: Blood of Ra Book Three

Magic is real. Discovered in the 1970s, magic is now a bona fide field of engineering. There's magic in heavy industry and magic in your home. It's what's next after electricity. Student mage Laura Ferno has designs on the future: her mother died trying to reach space using magic, and Laura wants to succeed where she failed. But first, she has to work out what went wrong. And who her mother really was. And whether, indeed, she's dead at all

The Mask of Ra

The Ancient Egyptian gods have defeated all the other pantheons and claimed dominion over the earth, dividing it into warring factions. Lt. David Westwynter, a British soldier, stumbles into Freegypt, the only place to have remained independent of the gods' influence. There, he encounters the followers of a humanist leader known as the Lightbringer, who has vowed to rid mankind of the shackles of divine oppression. As the world heads towards an apocalyptic battle, there is far more to this freedom fighter than it seems

Boundless

Exploring a mysterious cave in the mountains behind their house, John and his sister Sarah are shocked to discover they've time traveled to Ancient Egypt! Now they must work together to find a way back home from an ancient civilization of golden desert sand and a towering new pyramid, without parents to save them. The adventures abound--cobras, scorpions, a tomb robber, and more! The two kids have to trust each other, make friends who can help, and survive the challenges thrown at them . . . or be stuck in ancient Egypt forever. For readers graduating from the Magic Tree House series and ready for intense action, dive into this middle grade novel rich with meticulous historical detail.

Servant of the Shard

Three children and their hilariously subversive nanny pig embark on zany adventures in this award-winning middle grade debut illustrated by Caldecott winnter Dan Santat. The three Green children are cared for by a nanny pig. Yes, a pig--a fabulously sassy and impeccably dressed pig, as a matter of fact! With her insatiable urge to eat chocolate (and feed chocolate to everyone she loves), her high-flying spirit, and her unending sense of fun, Nanny Piggins takes Derrick, Samantha, and Michael on a year of surprises, yummy treats, and

adventures they'll never forget. It's no surprise that Booklist proclaimed, "Mary Poppins, move over--or get shoved out of the way." Nanny Piggins is a refreshing and dynamic addition to favorite classic nannies: Amelia Bedelia, Mrs. Piggle Wiggle, and, of course, Mary Poppins. Read more books in the series: Nanny Piggins and the Wicked Plan and Nanny Piggins and the Runaway Lion.

The Horse Mistress

"The Book of Knowing the Manifestations of Ra Again is an introduction to one of the world's greatest spiritual processes, AmenRa enlightenment and its accompanying spiritual energy management system, A Ra (pronounced Aw Ra). From out of ancient Kamit, A Ra, meaning to become one with life! health! strength!, became the basis for so many of the body and spirit management systems the world has known."--Back cover.

The Ra Contact: Teaching the Law of One:

Carivel, Andoc, and Senovo have defied convention by declaring their love for each other. Carivel is a pariah-a female who has been quietly

living as a man. Senovo has been hiding his shape-shifting curse, believing the wolf inside him to be a vicious killer. When their secrets are finally revealed to the village elders, they fear dragging Andoc down with them. Next in line to become Draebard's tribal chieftain, Andoc risks his position by continuing with such an unorthodox relationship. When Senovo and Carivel are captured by the enemy, though-to save their lives, he'll have to risk everything. Suspenseful and steamy, The Horse Mistress: Book 2 tells the story of forbidden love and loyalty against a rich backdrop of magic, history, and impending war. Author's note: This book contains descriptions of violence and graphic sex, including sex between men, sex with multiple partners (MMF), and elements of fully consensual BDSM within an established, loving relationship. Additionally, it deals with issues of gender identity and gender fluidity. It is intended for a mature audience.

Ra: the History and Legacy of the Ancient Egyptian God of the Sun

In the final book of the #4 New York Times best-selling Neverwinter Saga, Drizzt Do'Urden navigates a winding path littered with secrets

and lies. Tangled up in his companion Dahlia's dark secrets, the ties that once held her close to Drizzt threaten to tear as her bonds to his former foe, Artemis Entreri, continue to grow. Meanwhile, in the caverns of Gauntlgrym, the drow Tiago Baenre enlists the help of Bregan D'aerthe in his quest to destroy Drizzt. While making promises they may not keep, the agents of the elite drow mercenary group hide plans of their own. Determined to stand for what's right in the Realms once again, Drizzt forges a new road north—toward Icewind Dale. Will his new companions follow? Can he fight the darkness alone? Either way, he knows now where he's headed—back to the only place that's ever felt like home. Praise for the Neverwinter Saga: "Absolutely profound." —Paul Goat Allen, BarnesandNoble.com "Masterfully written, thrillingly unpredictable, and everything a Drizzt Do'Urden fan could hope for. You'll be hanging on the words till the very end . . . and then begging for more." — GamesFiends.com "Emotional, respectful of its characters, intelligently written and structured, and finally summons a sense of nostalgic sorrow throughout"–Fantasy Book Review on Gauntlgrym, Neverwinter Saga Book I "Full of excitement. Salvatore has mastered the art of showing a beautiful fight scene, and he is at the top of his game in this one. We meet many characters with many different fighting styles, and Salvatore does a great job of distinguishing between them. He manages to take these scenes from so

much more than just a fight scene, to an integral part of the story."—The SFF Hub on Gauntlgrym, Neverwinter Saga Book I "A quick read with some very satisfying fight scenes. It's also deeply layered with emotional atmosphere" —California Literary Review on Gauntlgrym, Neverwinter Saga Book I

RA, the Book

Before The First, there was the Eye of Ra. Laurence Danjuma was a young man on the straight and narrow with hopes and dreams of making a better life for himself and the father who raised him. Fate and circumstance had a different idea in mind, breaking not just his body, but his will. Now on the brink of death, an ancient power within his family's legacy awakens to both save his life and place him on the path to his destiny. As Laurence unlocks secrets about his true bloodline, he will stumble upon a dark one that will not only put his life on the line again, but also that of the entire human race. Will Laurence find the strength to take up the mantle handed down to him in order to stand against the looming threat that could bring about the extinction of every single human on the planet Earth? Can he be the hero he never expected to be? From the mind of Kipjo Ewers, author of The First and EVO Uprising, comes another chapter in the EVO Universe

lore. Prepare for action and adventure that is not only out of this world, but on a god-like level. The anticipated wait is over Here comes the Eye of Ra.

The Temple in Man

*Includes pictures *Includes ancient accounts *Includes online resources and a bibliography for further reading Africa may have given rise to the first human beings, and Egypt probably gave rise to the first great civilizations, which continue to fascinate modern societies across the globe nearly 5,000 years later. From the Library and Lighthouse of Alexandria to the Great Pyramid at Giza, the Ancient Egyptians produced several wonders of the world, revolutionized architecture and construction, created some of the world's first systems of mathematics and medicine, and established language and art that spread across the known world. With world-famous leaders like King Tut and Cleopatra, it's no wonder that today's world has so many Egyptologists. Although the Egyptians may not have passed their civilization directly on to later peoples, the key elements that comprised Egyptian civilization, including their religion, early ideas of state, and art and architecture, can be found among other civilizations. For instance, civilizations far separated in time and

space, such as China and Mesoamerica, possessed key elements that were similar to those found in ancient Egypt. Indeed, since Egyptian civilization represented some fundamental human concepts, a study of their culture can be useful when trying to understand many other pre-modern cultures. To the ancient Egyptians, as was the case with any society made up of inquiring humans, the world was a confusing and often terrifying place of destruction, death and unexplained phenomena. In order to make sense of such an existence, they resorted to teleological stories. Giving a phenomenon a story made it less horrifying, and it also helped them make sense of the world around them. Unsurprisingly, then, the ancient Egyptian gods permeated every aspect of existence. Given the abundance of funerary artifacts that have been found within the sands of Egypt, it sometimes seems as though the Ancient Egyptians were more concerned with the matters of the afterlife than they were with matters of the life they experienced from day to day. This is underscored most prominently by the pyramids, which have captured the world's imagination for centuries. Ra's name was all but ubiquitous in ancient Egyptian texts, to the point that many people today have come across it in history classes. Amun-Ra, Atum-Ra, and Ra-Harakhti have been used in modern cinema and literature for decades, yet isolating "Ra" as a single character, for all its preeminence in the concept of Egyptian mythology, is

frustratingly difficult. People familiar with Egyptian mythology know Ra as a sun god, which would seem to explain Ra's centrality in ancient Egyptian religion, but there is so much more to his being a solar entity than a simple manifestation of this awe-inspiring, daily phenomenon for early humans. Ra was a king and tyrant, a lover and friend. It is only through the understanding of this deity as such that people today can fully appreciate the richness of his character and the roles he played in ancient Egyptian religious thought. Ra: The History and Legacy of the Ancient Egyptian God of the Sun looks at the god that had such a decisive impact on the Egyptians' concepts of life. Along with pictures depicting important people, places, and events, you will learn about Ra like never before.

Teach Me

The Age of Ra

Teach Me invites readers inside an experience that fascinates everyone—an affair between a teacher and student—and gives an up-close-and-personal answer to the question: How does this happen? The

hardcover edition of Teach Me was a Booksense Fall 2006 Kid's Pick, a TeenReads.com Best Book of 2005, and a selection for the 2006 NYPL Books for the Teen Age.
