than when we're awake. When we're dreaming, we're actually problem solving—it's just in a different language. Our minds are speaking to us in codes: warning, helping, and guiding us through our constantly evolving situations in life. The mind, through dreams, is trying to alert us to problems it wants fixed. The truth is, our best thinking isn't done in the shower, it's done while we dream. In fact, when we say, "Let me sleep on it," what we're really saying is, "Let me dream on it." In this easy-to-use guide, renowned dream analyst Lauri Quinn Loewenberg gives you the tools to interpret the often confounding language of dreams. You will learn how to: *

- * unlock the hidden dream communications your mind wants you to know
- * understand commonly occurring people, places and animals as extensions of your personality
- * decipher the real meaning behind nightmares like falling, drowning, and being chased
- * discover the big messages in seemingly small dream elements as Lauri guides you through dozens of real-life dreams
- * use your dreams as a tool to solve your everyday problems and effect real change in your life and relationships
- * reference the most important dream symbols with a comprehensive dream dictionary

“This book will help you value dreams—and maybe set the stage for a child’s receptivity to God’s truths.” --Diane Jackson Wife of John Paul Jackson, founder of Streams Ministries and creator of the TV program *Dreams & Mysteries*

A child with regular nightmares can easily be dismissed by professionals as just overly imaginative or too sensitive. But for any parent at their wits' end over their child's suffering from dreams and nightmares, a deeper understanding is needed. Is it possible that a spiritual dimension is at play? // *A Parents' Guide to Understanding Dreams and Nightmares* by Recie Saunders offers help to concerned parents. With a clear, easy-to-read style, it is an invaluable resource for all parents who want to help their kids know whether a dream is from God, interpret their nightmares, find security in God’s control, and hear God’s voice in the night season as well as the day. // Drawing on his extensive research on the prophetic, visions, and dreams, Recie differentiates between dreams and visions, provides creative ideas for encouraging kids’ faith, explains lucid dreaming, and lists the most common images and symbols that come through dreams. Throughout this approachable book is Recie’s tender, fatherly passion that the kingdom of heaven belongs to the “little children.” Includes a Dream Dictionary and a Dream Journal.

You've got the best life coach imaginable talking to you in your sleep. "Dream work is a very personal process. There is no Rosetta Stone for interpreting dreams, no universal meaning for every dream symbol," says reddit.com dreams forum moderator DeBord. But don't let that scare you. With a few simple tools, you will soon be on your way to discovering just how much specific, guiding wisdom is packed into your dreams. This groundbreaking book takes you step-by-step through the process of learning the language of your dreams. It is a language like any other. It has nouns (characters and settings), verbs (actions and your reactions), and adjectives (symbols and feelings). At first you may only catch the simple words and phrases, then whole sentences and paragraphs, but soon enough you will get all the subtext, humor, irony, and slang. You will not only understand the language but speak it fluently. You'll see that we dream to help reconcile with the past, handle the present, and step into the future. Three steps: remember, interpret, and live your dreams. It's easier than you think.
