The Elements of Boat Strength: For Builders, Designers

The Elements of Boat Strength has all the formulas, tables, illustrations, and charts you need to judge how heavy each piece of your boat should be in order to last and be safe. With this book, an inexpensive scientific calculator, and a pad of paper, you'll be able to design and specify all the components necessary to build a sound, long-lasting, rugged vessel.

Trojans outlast Grizzlies in extras - Sports - Morning Sun

ALTAMONT - It was a rainy day at the ballpark Monday in Altamont, but the Girard High School baseball team preserved through the elements to outlast Labette County 2-0 after 12 innings. Neither team was able to gain much offensive momentum until the Trojans broke the scoreless tie in the 12th on the strength of a sacrifice fly by Evan Troike followed by an RBI double to left-center field off
