She goes there to heal—and to help her brother, Keith, a deeply troubled man who's asked her to come home. But she refuses to stay in the family house. The last person she wants to see is the wealthy, controlling mother she escaped years ago. Instead, she finds herself living next door to someone else she'd prefer to avoid—Rafe Romero, the wild, reckless boy to whom she lost her virginity at sixteen. He's back on the island, and to her surprise, he's raising a young daughter alone. Maisey's still attracted to him, but her heart's too broken to risk... Then something even more disturbing happens. My Sister Jodie

The second novel in a brilliant fantasy trilogy from the international bestselling author of *Prince of Thorns*. Behind its walls, the Convent of Sweet Mercy has trained young girls to hone their skills for centuries. In *Mystic Class*, Novice Nona Grey has begun to learn the secrets of the universe. But so often even the deepest truths just make our choices harder. Before she leaves the convent, Nona must choose which order to dedicate herself to--and whether her path will lead to a life of prayer and service or one of the blade and the fist. All that stands between her and these choices are the pride of a thwarted assassin, the designs of a would-be empress wielding the Inquisition like a knife, and the vengeance of the empire's richest lord. As the world narrows around her, and her enemies attack her through the system she is sworn to, Nona must find her own path despite the competing pulls of friendship, revenge, ambition, and loyalty. And in all this only one thing is certain: there will be blood.

The Sister Souljah Collection #1

Combining the social commentary of *The Handmaid's Tale* with the white-knuckled thrills of *Red Rising*, this epic space opera follows a comfort woman as she claims her agency, a soldier questioning

his allegiances, and a non-binary hero out to save the solar system. First Sister has no name and no voice. As a priestess of the Sisterhood, she travels the stars alongside the soldiers of Earth and Mars—the same ones who own the rights to her body and soul. When her former captain abandons her, First Sister's hopes for freedom are dashed when she is forced to stay on her ship with no friends, no power, and a new captain—Saito Ren—whom she knows nothing about. She is commanded to spy on Captain Ren by the Sisterhood, but soon discovers that working for the war effort is so much harder to do when you're falling in love. Lito val Lucius climbed his way out of the slums to become an elite soldier of Venus, but was defeated in combat by none other than Saito Ren, resulting in the disappearance of his partner, Hiro. When Lito learns that Hiro is both alive and a traitor to the cause, he now has a shot at redemption: track down and kill his former partner. But when he discovers recordings that Hiro secretly made, Lito's own allegiances are put to the test. Ultimately, he must decide between following orders and following his heart. A stunning and sweeping debut novel that explores the power of technology, colonization, race, and gender, *The First Sister* is perfect for fans of James S.A. Corey, Chuck Wendig, and Margaret Atwood.

The Half Sister

The Silent Sister

"Jane fans rejoice! . . . Exceptional storytelling and a true delight." —Helen Simonson, author of the New York Times bestselling novels *Major Pettigrew's Last Stand* and *The Summer Before the War* Mary, the bookish ugly duckling of *Pride and Prejudice's* five Bennet sisters, emerges from the shadows and transforms into a desired woman with choices of her own. What if Mary Bennet's life took a different path from that laid out for her in *Pride and Prejudice*? What if the frustrated intellectual of the Bennet family, the marginalized middle daughter, the plain girl who takes refuge in her books, eventually found the fulfillment enjoyed by her prettier, more confident sisters? This is the plot of Janice Hadlow's *The Other Bennet Sister*, a debut novel with exactly the affection and authority to satisfy Jane Austen fans. Ultimately, Mary's journey is like that taken by every Austen heroine. She learns that she can only expect joy when she has accepted who she really is. She must throw off the false expectations and wrong ideas that have combined to obscure her true nature and prevented her from what makes her happy. Only when she undergoes this evolution does she have a chance at finding fulfillment; only then does she have the clarity to recognize her partner when he presents himself—and only at that moment is she genuinely worthy of love. Mary's destiny diverges from that of her sisters. It does not involve broad acres or landed gentry. But it does include a man; and, as in all Austen novels, Mary must decide whether he is the truly the one for her. In *The Other Bennet Sister*, Mary is a fully rounded

character—complex, conflicted, and often uncertain; but also vulnerable, supremely sympathetic, and ultimately the protagonist of an uncommonly satisfying debut novel.

The Sister Circle

The former first daughters share intimate stories and reflections from the Texas countryside to the storied halls of the White House and beyond. Born into a political dynasty, Jenna and Barbara Bush grew up in the public eye. As small children, they watched their grandfather become president; just twelve years later they stood by their father's side when he took the same oath. They spent their college years watched over by Secret Service agents and became fodder for the tabloids, with teenage mistakes making national headlines. But the tabloids didn't tell the whole story. In *Sisters First*, Jenna and Barbara take readers on a revealing, thoughtful, and deeply personal tour behind the scenes of their lives, as they share stories about their family, their unexpected adventures, their loves and losses, and the sisterly bond that means everything to them.

The Savior's Sister

A Publishers Weekly Best Book of the Year *A Barnes & Noble Best YA Book of the Year* Frey, Ovie, Juniper, and Runa are the Boneless Mercies—girls hired to kill quickly, quietly, and mercifully. But Frey is weary of the death trade and, having been raised on the heroic sagas of her people, dreams of a bigger life. When she hears of an unstoppable monster ravaging a nearby town, Frey decides this is the

Mercies' one chance out. The fame and fortune of bringing down such a beast would ensure a new future for all the Mercies. In fact, her actions may change the story arc of women everywhere. Full of fierce girls, bloodlust, tenuous alliances, and unapologetic quests for glory, this elegantly spun tale challenges the power of storytelling—and who gets to be the storyteller. Perfect for fans of Maggie Stiefvater, V.E. Schwab, and Heidi Heilig.

Sister Sable

A warrior woman and her dark twin are destined to remake the world in this “powerful” tale, the first in a trilogy by a World Fantasy Award winner (Newsweek). Legend foretold the child named Jenna, who was three-times orphaned before she could crawl, a fate that would leave her in the hands of women who worshipped the benevolent goddess Great Alta. In this world without men, Jenna comes of age, learning quickly the skills of close combat. But her most powerful gift lies elsewhere: a mirror sister who emerges only in the darkness—a twin named Skada—and shares the soul of the young, white-haired warrior who might well be the goddess reborn. But if Jenna is, in truth, the one whose coming is awaited, there is cause for great alarm among those who rule the Dales, for the prophecy speaks of upheaval and change, and a devastating end of all things. An incomparable world-builder and one of America’s premier fantasists, the remarkable Jane Yolen begins a three-part saga as inventive, intelligent, and exciting as anything that has ever been produced in the literature of the fantastic. Brilliantly contrasting the “true” story of Jenna with the later myths, poetry, and so-called scholarship that her coming engendered, Yolen creates a culture as richly imagined as those found in the acclaimed novels of Ursula K. Le Guin. A truly magnificent work, *Sister Light, Sister Dark* takes fantasy fiction to

wondrous places it has never gone before.

Big Sister, Little Sister, Red Sister

They were the most famous women in China. As the country battled through a hundred years of wars, revolutions and seismic transformations, the three Soong sisters from Shanghai were at the center of power, and each of them left an indelible mark on history. Red Sister, Ching-ling, married the 'Father of China', Sun Yat-sen, and rose to be Mao's vice-chair. Little Sister, May-ling, became Madame Chiang Kai-shek, first lady of pre-Communist Nationalist China and a major political figure in her own right. Big Sister, Ei-ling, became Chiang's unofficial main adviser - and made herself one of China's richest women. Big Sister, Little Sister, Red Sister is a gripping story of love, war, intrigue, bravery, glamour and betrayal, which takes us on a sweeping journey from Canton to Hawaii to New York, from exiles' quarters in Japan and Berlin to secret meeting rooms in Moscow, and from the compounds of the Communist elite in Beijing to the corridors of power in democratic Taiwan. In a group biography that is by turns intimate and epic, Jung Chang reveals the lives of three extraordinary women who helped shape twentieth-century China.

Prophecy of the Sisters

In October 1928 Virginia Woolf was asked to deliver speeches at Newnham and Girton Colleges on the subject of ‘Women and Fiction’; she spoke about her conviction that ‘a woman must have money and a room of her own if she is to write fiction’. The following year, the two speeches were published as *A Room of One's Own*, and became one of the foremost feminist texts. Knitted into a polished argument are several threads of great importance – women and learning, writing and poverty – which helped to establish much of feminist thought on the importance of education and money for women's independence. In the same breath, Woolf brushes aside critics and sends out a call for solidarity and independence – a call which sent ripples well into the next century. 'Brilliant interweaving of personal

experience, imaginative musing and political clarity' — Kate Mosse, *The Guardian* 'Probably the most influential piece of non-fictional writing by a woman in this century.' — Hermione Lee, *The Financial Times*

The Last Sister

An epic and transporting novel, the latest installment of the “heart-wrenching, uplifting, and utterly enthralling” (Lucy Foley, author of *The Guest List*) *Seven Sisters* series, unravelling between the dazzling streets of modern-day New York City and the breathtaking plains of 1940s colonial Kenya. Electra d’Aplièse is a top model who seems to have it all: beauty, fame, and wealth. But beneath the glittery veneer, she’s cracking under all the pressure. When her father dies, she turns to alcohol and drugs to ease the pain. As friends and colleagues fear for her health, Electra receives a shocking letter from a stranger who claims to be her grandmother. In 1939, New Yorker Cecily Huntley-Morgan arrives in Kenya’s Lake Naivasha region for the exciting chance to stay with her godmother, the famous socialite Kiki Preston. But after a sheltered upbringing, she’s astounded by the hedonistic antics of the other ex-pats in the infamous Happy Valley set. Cecily soon grows to love her stunning but complicated new home, and she even accepts a proposal of marriage from an enigmatic older cattle farmer. After a shocking discovery and with war looming, Cecily feels isolated and alone. Until she meets a young woman in the woods and makes her a promise that will change the course of her life forever. Featuring Lucinda Riley’s “engaging and mesmerizing” (*Library Journal*, starred review) storytelling and filled with unforgettable and moving characters, *The Sun Sister* explores how love can cross seemingly impossible boundaries.

The Unspoken Name

The searing conclusion of the thrilling epic fantasy trilogy that saw a young girl trained by an arcane order of nuns grow into the fiercest of warriors. They came against her as a child. Now they face the woman. The ice is advancing, the Corridor narrowing, and the empire is under siege from the Scithrowl in the east and the Durns in the west. Everywhere, the emperor’s armies are in retreat. Nona Grey faces the final challenges that must be overcome if she is to become a full sister in the order of her choice. But it seems unlikely that she and her friends will have time to earn a nun’s habit before war is on their doorstep. Even a warrior like Nona cannot hope to turn the tide of war. The shiphearts offer strength that she might use to protect those she loves, but it’s a power that corrupts. A final battle is coming in which she will be torn between friends, unable to save them all. A battle in which her own demons will try to unmake her. A battle in which hearts will be broken, lovers lost, thrones burned.
