I Am the Lonely Sea

Once upon a time in the Kingdom of Sonas, the finest kingdom out of all the kingdoms in the land, everyone was so very happy since King Kindely and his wife Queen Caroline were so very, very good. But one day King Kindely lost his wife and very young daughter, Princess Priscilla. Upon returning to the Kingdom of Sonas, the King's finest ship carrying the Queen and the Princess was swallowed up by the biggest fish anyone had ever seen on the Salty Sea. The King was very sad and for years cried and cried. Soon, the Salty Sea began to rise and with it many, many islands that were as big as mountains too. Also, the fish were found no more. On the land the driest drought anyone had ever experience was taking the only fresh water left leaving the people worrying that one day it would all be gone and they would perish. But one day the King

cried his last tear and came to his senses. He believed if the fish could be found the Queen and Princess could be rescued from its belly and the Kingdom of Sonas would once again be the happiest kingdom in all the lands. He sent out a plea asking all to help. And the story begins when the plea reaches the hands of a son of a simple farmer. The son reads the plea and decides to help The Lonely King.

The Old Man and The Sea

The Lonely Beast

A new moving novel of three men, each searching for something they have lost, from the award-winning and Man Booker nominated author Donal Ryan. For Farouk, family is all. He has protected his wife and daughter as best he can from the war and hatred that has torn Syria apart. If they stay, they will lose their freedom, will become lesser persons. If they flee, they will lose all they have known of home, for some intangible dream of refuge in some faraway land across the merciless sea. Lampy is distracted; he has too much going on in his small town life in Ireland. He has the city girl for a bit of fun, but she's not Chloe, and Chloe took his heart away when she left him. There's the secret his mother will never tell him. His granddad's little sniping jokes are getting on his wick. And on top of all that, he has a bus to drive; those old folks from the home can't wait all day. The game was always the lifeblood coursing through John's veins: manipulating people for his enjoyment, or his enrichment, or his spite. But it was never enough. The ghost of his beloved brother, and the bitter disappointment of his father, have shadowed him all his life. But now that lifeblood is slowing down, and he's not sure if God will listen to his pleas for forgiveness. Three men, searching for some version of home, their

lives moving inexorably towards a reckoning that will draw them all together.

The Lonely Sea and Sky

Soon to be a major motion picture! Now in Paperback: The harrowing adventure-at-sea memoir ("Terrific."-Daniel James Brown) recounting the 2013 search-and-rescue mission for lost Montauk fisherman John Aldridge. 5:14 a.m. I am floating in the middle of the night, and nobody in the world even knows I am missing. Nobody is looking for me. You can't get more alone than that. You can't be more lost. I've got too many people who love me. There's no way I'm dying like this. In the dead of night on July 24, 2013, John Aldridge was thrown off the back of the Anna Mary while his fishing partner, Anthony Sosinski, slept below. As desperate hours ticked by, Sosinski, the families, the local fishing community, and the U.S. Coast Guard in three states mobilized in an unprecedented search effort that culminated in a rare and exhilarating success. A tale of survival, perseverance, and community, A Speck in the Sea tells of one man's struggle to survive as friends and strangers work to bring him home. Aldridge's wrenching first-person account intertwines with the narrative of the

massive, constantly evolving rescue operation designed to save him.

The Octonauts and the Only Lonely Monster (Read Aloud)

Bolger's spellbinding novel is based on a real-life rescue in 1943, when the MV Kerlogue's crew risked their lives to save 168 drowning German sailors. The story is seen through the eyes of Jack, a boy who followed his father to sea, and finds himself rescuing the men who killed his dad. This is a brilliant portrayal of the unarmed Irish ships that sailed alone through hazardous waters, of young romance, and of a boy encountering a world where every experience is intense and dangerous.

The Lonely Ones

Every day, in a house by the sea, a little boy watches his father leave for work. One night, a storm washes a small whale onto the beach. The boy discovers the whale is a good listener, and the father discovers the boy is lonely. Together, they return the whale to the sea, and the boy realizes his father can be a good listener, too. Full color.

The Lonely Sea and the Sky

Witty and ironic, this novel follows an intriguing return to the family home on the lonely margins of the sea. Stephanie was always the outsider - never allowed to play with the china dolls on the staircase landing, always on the edge of family events, shut out of the important secrets. Now, after many years, she returns to the family house, on the lonely margins of the sea, to care for her cousin Louise. But now it is her immediate past, too, that haunts her - the time she has spent locked away for a crime she dare not recall. With consummate skill, insight and poignancy, Shonagh Koea weaves her magic once again in this memorable novel.

The Sea Beast Takes a Lover

The lonely fish of the sea is a book that shows the struggles of a

little fish in an enormous world, from finding a new home all the way to dealing with a dangerous shark. So dive in and follow this brave little fish on his great big adventure.

The Lonely Sea

The complete autobiography of the great adventurer Sir Francis Chichester, the first and fastest man to singlehandedly circumnavigate the globe Aged 18 and with a taste for adventure, Francis Chichester emigrated to New Zealand with ten pounds in his pocket. He tried his hand at a number of ill-fated careers—a boxer, shepherd, lumberjack, and gold prospector, to name a few—before returning to England. Having qualified as a pilot, in 1929 he embarked on his most famous solo flight in the de Havilland Gipsy Moth from England to Australia. Shortly afterward, he survived a near-death catastrophe in an attempt to fly solo around the world. Turning to sailing, he won the first single-handed transatlantic yacht race in Gipsy Moth III, despite having been diagnosed with cancer two years previously. In 1967, he became the first person to sail around the world solo from west to east via the great capes. Here, his entire life—including his greatest failures and successes—are told by the man who experienced it all firsthand. A foreword from his son, Giles Chichester, is also included.

Jim Davis

The Lonely Sea Lion recounts the adventures of Skully, a sea lion who has reached the age of maturity and must leave his home at the Sea Lion Cave. Swimming north up the Oregon coast, he reaches the Columbia River Bar, which changes the course of his destiny. Two teenage boys, Caleb and Sergio, traveling with their grandmother, discover Skully at the moment his adventure begins.

This is the story of how their lives intertwine. Visiting distant lands has always held a great fascination for the author. This story is set in the beautiful state of Oregon. Each state has its own uniqueness with its own cast of characters. Each one also has its own lessons to teach, if one would but listen and learn. The author has always loved writing, but her life weaved across many paths before reaching a place where writing could be prioritized. She feels fortunate to have spent much of her life serving children in the public schools in Arizona.

The Rime of the Ancient Mariner

After she discovers The Terrible Thing, Easter Deetz goes looking for her sister but ends up pinned under a giant boulder with her legs crushed into tomato paste. Bored, disappointed, and thoroughly dismembered, Easter lies in The Woods with only sinister squirrels to keep her company, making it very difficult for her to think in

peace.

A Long Petal of the Sea

A short heroic novel by Ernest Hemingway is a story that centers on an aging fisherman who engages in an epic battle to catch a giant marlin. It was published in 1952 and awarded the 1953 Pulitzer Prize for fiction. Author: Ernest Hemingway Genre: Novel

The Storm Whale

Strange things begin to happen the minute young Kay Harker boards the train to go home for Christmas and finds himself under observation by two very shifty-looking characters. Arriving at his destination, the boy is immediately accosted by a bright-eyed old man with a mysterious message: "The wolves are running." Soon danger is everywhere, as a gang of criminals headed by the notorious wizard Abner Brown and his witch wife Sylvia Daisy Pouncer gets to work. What does Abner Brown want? The magic box that the old man has entrusted to Kay, which allows him to travel freely not only in space but in time, too. The gang will stop at nothing to carry out their plan, even kidnapping Kay's friend, the tough little Maria Jones, and threatening to cancel Christmas celebrations altogether. But with the help of his allies, including an intrepid mouse, a squadron of Roman soldiers, the legendary Herne the Hunter, and the inventor of the Box of Delights himself, Kay just may be able to rescue his friend, foil Abner Brown's plot, and save Christmas, too. At once a thriller, a romp, and a spellbinding fantasy, *The Box of Delights* is a great English children's book and a perfect Christmas treat.

The Lonely Fish of the Sea

The extraordinary story of how Sue Dockar survived two days and two nights lost alone at sea after being swept away during a spearfishing contest in shark-infested waters off the Queensland. Like the best books in this genre, including *The Perfect Storm*, it explores a largely unknown subculture (in this case spearfishing), bringing its eccentric and memorable characters vividly to life, and shows how a series of small and individually avoidable errors dominoed into inevitable disaster.

The Lonely Voyage

Selected Poems of John Masefield

From the New York Times bestselling author of *The House of the Spirits*, this epic novel spanning decades and crossing continents follows two young people as they flee the aftermath of the Spanish Civil War in search of a place to call home. “One of the most richly imagined portrayals of the Spanish Civil War to date, and one of the strongest and most affecting works in [Isabel Allende’s] long career.”—The New York Times Book Review

In the late 1930s, civil war grips Spain. When General Franco and his Fascists succeed in overthrowing the government, hundreds of thousands are forced to flee in a treacherous journey over the mountains to the French border. Among them is Roser, a pregnant young widow, who finds her life intertwined with that of Victor Dalmau, an army doctor and the brother of her deceased love. In order to survive, the two must unite in a marriage neither of them desires. Together with two thousand other refugees, they embark on the SS *Winnipeg*, a ship chartered by the poet Pablo Neruda, to Chile: “the long petal of sea and wine and snow.” As unlikely partners, they embrace exile as the rest of Europe erupts in world war. Starting over on a new continent, their trials are just beginning, and over the course of their lives, they will face trial after trial. But they will also find joy as they patiently await the day when they will be exiles no more. Through it all, their hope of returning to Spain keeps them going. Destined to witness the battle between freedom and repression as it plays out across the world, Roser and Victor will find that home might have been closer than they thought all along. A masterful work of historical fiction about hope, exile, and belonging, *A Long Petal of the Sea* shows Isabel Allende at the height of her powers. Praise for *A Long Petal of the Sea* “Both an intimate look at the relationship between one man and one woman and an epic story of love, war, family, and the search for home, this gorgeous novel, like all the best novels, transports the reader to another time and place,

and also sheds light on the way we live now.”—J. Courtney Sullivan, author of *Saints for All Occasions* “This is a novel not just for those of us who have been Allende fans for decades, but also for those who are brand-new to her work: What a joy it must be to come upon Allende for the first time. She knows that all stories are love stories, and the greatest love stories are told by time.”—Colum McCann, National Book Award–winning author of *Let the Great World Spin*
