We've organized the book by types of transport, so whether you're an avid hiker, cyclist, or driver, or love to be on the water or on the rails, we've got you covered.

Unforgettable Journeys

Get to know the most atmospheric open-air cinemas and drawn up walks around Athen's neighborhoods - one a leafy suburb, another by the sea. Think of Athens and the first things that spring to mind are ancient ruins and camera-toting crowds (before they hotfoot it to the island-bound ferries at the port of Piraeus, that is). It's true, the Acropolis is ever present and during summer the city thrums with schools of holidaymakers. But there's much more to the Greek capital than temples and tourists. We've looked beyond the admittedly awe-inspiring Parthenon and explored the city's modernist marvels, from

circular school to colonnaded embassy. We've combed the cobbled streets for independent boutiques offering straw hats, hand-thrown ceramics and golden jewellery - all proudly "Made in Greece." When you're feeling peckish, choose between traditional family-run tavernas and contemporary restaurants spicing up classic Greek dishes. Attica is a region of riches and, of course, some of the nearby islands are simply too good to miss - so we've included a short and sharp list of our top stopovers. For now, though, strap up your sandals and allow us to introduce you to this chaotic but ever-so-charismatic city.

Paris: the city of love, the city of light --the city everyone thinks they know from movies and books. But there's more to this vigorous new-old metropolis than Notre Dame and the Eiffel Tower. Along its winding streets and hidden in picturesque views along the Seine, there's so much more to do and discover, to taste and see, than what you imagine. The Monocle team is your guide as you explore the nouvelle cuisine in the city's up and coming restaurants that are revitalizing classic dining. Step off the
