Remarkable Road Trips collects over 50 of the most spectacular, dangerous, and thoroughly memorable road trips from around the world. Entries range from the shortest – the Guoilang Tunnel hewn into the side of a cliff face in China, to the longest, the Dempster Highway in desolate stretches of Arctic Canada. For the adrenaline rush, there is even the old Nurburgring circuit in Germany. Songs for the Open Road

Policing the Open Road examines how the rise of the car, that symbol of American personal freedom, inadvertently led to ever more intrusive policing--with disastrous consequences for racial equality in our criminal justice system. When Americans think of freedom, they often picture the open road. Yet nowhere are we more likely to encounter the long arm of the law than in our cars. Sarah Seo reveals how the rise of the automobile transformed American freedom in radical ways, leading us to accept--and expect--pervasive police power. As Policing the Open Road makes clear, this expectation has had far-reaching political and legal consequences.--

Can ' t find no satisfaction? There ' s no shortage of prescriptions for restlessness out there: Seek

adventure. Live your life. Don ' t hold back. Sound familiar? The Road Trip that Changed the World is a book challenging the contemporary conviction that personal freedom and self-fulfillment are the highest good. Like the characters in a Jack Kerouac novel, we ' ve dirtied the dream of white picket fences with exhaust fumes. The new dream is the open road—and freedom. Yet we still desire the solace of faith. We like the concept of the sacred, but unwittingly subscribe to secularized, westernized spirituality. We ' re convinced that there is a deeper plot to this thing called life, yet watered-down, therapeutic forms of religion are all we choose to swallow, and our personal story trumps any larger narrative. This is the non-committal culture of the road. Though driving on freely, we have forgotten where we ' re headed. Jesus said His road is narrow. He wasn ' t some aimless nomad. He had more than just a half tank of gas—He had passion, objectives, and a destination. Do you?
