DR. JOHN MCELROY Director of Southern Cross Association of Churches "Steve Cioccolanti has taken up a subject which I believe is a first His writing is very thought-provoking, creative and visionary I would imagine the laws in this book will be very close to the ones Yeshua will set up for the world when He comes to reign This much-needed book has come at a time with the Republic of the United States is fighting for its life." SHIRA SORKO-RAM Pioneer of the Jewish Messianic movement in Israel since 1967 "Trump's Unfinished Business will serve as a template for all leaders whether they are in the US, Australia or Korea. I would like to see it made available to voters before major elections. I am really amazed by Steve Cioccolanti's insights into the American cultural war. His coverage of many subjects is very deep. I find the techniques that American leftists use to distort facts and the truth are also used here in South Korea This book is a great opportunity to problem solvers to learn how God's principles work in human society." Praying for the Prophetic Destiny of the United States and the Presidency of Donald J. Trump from the Courts of Heaven

In November of 2016, the world witnessed the impossible. Nearly every household in America was tuned in to the election feeds, and every update pointed to a loss for the Republican Party. But when the map of the states flipped red in the final hour, there were a select few who weren't surprised. They had always known Trump was going to win. He was chosen for such a time as this. The prophecy had said so. This prophet, this reserved man of God, was retired firefighter Mark Taylor. The word given by the Holy Spirit was delivered on April 28, 2011, years before Trump's victory. The election, however, was only the beginning. In this UPDATED AND EXPANDED release of The Trump Prophecies, Defender Publishing revisits what the Lord revealed to Mark Taylor in both the celebrated "Commander-In-Chief Prophecy" that played such a key role in bolstering Trump's 2016 win, as well as many other messages the Holy Spirit inspired Taylor to write about what would transpire next for the most powerful nation on

earth today. Fast forward ½ Halfway into Trump's first term, have Taylor's prophecies come true? Is Trump who he said he was, and is he delivering on the promises he made during his campaign? And what of the other prophecies God gave Mark regarding economics, criminal justice, leadership turnover in the Supreme Court, and several other specific details? Have all of these inspired writings carried equal reliability as "Commander-In-Chief"? So far, Mark Taylor is batting a thousand.

Trump and the Future of America

A “masterful and meticulous” feat of reportage that explains one of the central mysteries of the Trump era: the unholy marriage of Trump and the evangelicals, as officiated by the alt-right. *Jane Mayer, author of *Dark Money* Why did so many evangelicals turn out to vote for Donald Trump, a serial philanderer with questionable conservative credentials who seems to defy Christian values with his every utterance? To a reporter like Sarah Posner, who has been covering the religious right for decades, the answer turns out to be far more intuitive than one might think. In this taut inquiry, Posner digs deep into the radical history of the religious right to reveal how issues of race and xenophobia have always been at the movement’s core, and how religion often cloaked anxieties about perceived threats to a white, Christian America. Fueled by an antidemocratic impulse, and united by this narrative of reverse victimization, the religious right and the alt-right support a common agenda – and are actively using the erosion of democratic norms to roll back civil rights advances, stock the judiciary with hard-right judges, defang and deregulate federal agencies, and undermine the credibility of the free press. Increasingly, this formidable bloc is also forging ties with European far right groups, giving momentum to a truly global movement. Revelatory and engrossing, *Unholy* offers a deeper understanding of the ideological underpinnings and forces influencing the course of Republican politics. This is a book that must be read by anyone who cares about the future of American democracy.

God's Chaos Candidate

Complete and unabridged with all original illustrations. The *Collected Works of Ingersoll Lockwood: The Baron Trump Novels & 1900; Or, The Last President*, have seen a resurgence in interest since Donald Trump's election to President of the United States in 2016. All of these titles were written before the turn of the 20th Century, but both contain eerie similarities with modern day political events. For the first time, all the works are presented in a single volume so readers can decipher for themselves whether Lockwood's words were a telling of things to come, or just a curious coincidence of American literature. In the 1890s, Ingersoll Lockwood authored a series of children's books about the escapades of his character, the young Baron Trump: *Travels and Adventures of Little Baron Trump* and his *Wonderful Dog Bulger*, and *Baron Trump's Marvellous Underground Journey*. The series followed a literary trend of the time, which had child protagonists adventuring to enchanted lands and encountering fantastic beings. Lewis Carroll's *Alice in Wonderland*, and L. Frank Baum's *The Wonderful Wizard of Oz* are two famous examples of this genre. Lockwood's Baron is an aristocratic youth bored with his life of luxury in *Castle Trump*. Searching for adventure, Baron travels to Russia to discover an underground world beneath his feet. He journeys downward and finds himself lost in peculiar settings surrounded by the strange inhabitants of this new world. The stories follow his adventures and eventual struggle to find his way back to the surface he left behind. The Baron Trump novels were obscured by the more successful children's books of the time. Lockwood's tall tales seemed destined for the literary dust bin, but the election of Donald Trump in 2016 renewed interest in these works due to the President's youngest son's name: Barron Trump. Now, back in print, the Baron Trump series is enjoying considerable interest and success. In *1900; Or, The Last President*, Ingersoll Lockwood paints a picture of a politically charged New York City, where a political outsider has overcome stiff opposition to be elected President of the United States. Mob rule threatens, and marching protests rove up and down Fifth Avenue. The scene is an uncanny reflection of what happened as Donald Trump spent his days as President Elect holed up in Trump Tower on Fifth Avenue as he awaited his inauguration.

Everything Trump Touches Dies

A black social gospel movement arose after the Civil War to mitigate the broken promises of reparations and the reestablishment of white supremacy. After the Gilded Age, a new social gospel arose in the early twentieth century that brought together Christian proclamation and an ethic of social justice that became liberal Protestantism's distinctive contribution to world Christianity, leaving residues in the New Deal and the Great Society. In the face of poverty and bondage in the 1960s, Martin Luther King Jr. led a second wave of the black social gospel movement and died for it, as prophets do. It birthed new liberation movements on many fronts. Again things fell apart as the Reagan Revolution massively redistributed wealth and social benefits upward and "late capitalism" flourished. In this environment tax cuts for the wealthy and massive inequalities grew, and President Trump inherited the resentments of the Christian Right and the opportunism of economic conservatives. Would a recurring social gospel have made a difference? After Trump, American Christianity faces another crisis of decision. Will the strange God of the Bible be re-called, will the churches re-live as social movements that bring good news to all the people, will American Christianity re-contest the public square and proclaim a new social gospel for our times? This book is an invitation and a manifesto.

The End of October

#1 New York Times bestseller! A respected, long-time Republican strategist, ad-maker, and contributor for *The Daily Beast* skewers the disease that is destroying the conservative movement and burning down the GOP: Trumpism. Includes an all-new chapter analyzing Trump's impact on the 2018 elections. In the #1 New York Times bestselling *Everything Trump Touches Dies*, political campaign strategist and commentator Rick Wilson delivers "a searingly honest, biting funny, comprehensive answer to the question we find ourselves asking most mornings: 'What the hell is going on?'" (*Chicago Tribune*). *The Guardian* hails *Everything Trump Touches Dies*, saying it gives, "more unvarnished truths about Donald Trump than anyone else in the American political establishment has offered. Wilson never holds back." Rick mercilessly exposes the damage Trump has done to the country, to the Republican Party, and to the conservative movement that has abandoned its principles for the worst President in American history. Wilson unblinkingly dismantles Trump's deceptions and the illusions to which his supporters cling, shedding light on the guilty parties who empower and enable Trump in Washington and in the media. He calls out the race-war dead-enders who hitched a ride with Trump, the alt-right basement dwellers who worship him, and the social conservatives who looked the other way. *Publishers Weekly* calls it, "a scathing, profane, unflinching, and laugh-out-loud funny rebuke of Donald Trump and his presidency." No left-winger, Wilson is a lifelong conservative who delivers his withering critique of Trump from the right. A leader of the Never Trump movement, he warned from the start that Trump would destroy the lives and reputations of everyone in his orbit, and *Everything Trump Touches Dies* is a deft chronicle the tragicomic political story of our time. From the early campaign days through the shock of election night, to the inconceivable train-wreck of Trump's first year. Rick Wilson provides not only an insightful analysis of the Trump administration, but also an optimistic path forward for the GOP, the conservative movement, and the country. "Hilarious, smartly written, and usually spot-on" (*Kirkus Reviews*), *Everything Trump Touches Dies* is perfect for those on either side of the aisle who

need a dose of unvarnished reality, a good laugh, a strong cocktail, and a return to sanity in American politics.

After Trump

From the authors of the international bestseller *The Babylon Code* comes an explosive exposé of the chilling truth about the fierce opposition to the Trump presidency, and why the globalist elite and Deep State will stop at nothing—assassination, military coup, staged economic collapse, or worse—to overthrow him. "Trumpocalypse!" It's the media-coined meme inciting panic and fear that America has elected an unstable man who will barge into delicate international affairs like a bull in a china shop and incite nations bent on America's destruction to trigger World War III—an unprecedented nuclear apocalypse ending the world as we know it. But is the media telling us the truth? No, say internationally-recognized prophecy expert and Fox News and History Channel commentator Paul McGuire and Pulitzer Prize-nominated investigative journalist Troy Anderson. America's most insidious enemies are not hostile nations; they are elite globalists—the "Establishment" that is making the "1 percent" even richer while working- and middle-class people watch their incomes and net worth's flatline or plummet. The authors fearlessly expose the globalist elite's secret plan for humanity and campaign of mass deception. Using documentation gleaned from years of journalistic investigation and extensive interviews with over fifty of the world's most respected geopolitical, economic and military affairs experts, faith leaders, and biblical scholars, McGuire and Anderson unmask these elites as members of secret societies with deep occult connections who have gained control of America's dominant institutions—government, education, entertainment, international banking, and even the media. *Trumpocalypse* explores the enigmatic prophecies and "biblical codes" involving Trump, and asks whether God raised up President Trump as a fearless leader to guide America and the free world through a series of major crises as the biblical end-time narrative unfolds, as many people with prophetic gifts are predicting, and shows why everyday Americans and evangelicals have rallied around Trump as their last hope of saving America and averting the horrors of the Apocalypse. It further reveals why Trump and millions of "deplorables" are fighting to stop the hidden agenda of the Establishment, and how the perplexing chaos enveloping the planet could paradoxically signal the beginning of the great end-times awakening that millions are praying for. Here is an invitation to join the anti-Establishment surge—what evangelist Franklin Graham calls "the Christian revolution"—and discover how to fulfill your own destiny in the run-up to the Second Coming of Jesus Christ.

The world is uneasy with the United States' election of Donald Trump as its forty-fifth president. One could not help but marvel at his ascendancy to the presidency after publicly breaking every norm and social mores that polite society holds dear. The name "Donald" means world ruler, and no he is not the antichrist, but he is a man of destiny. Open a King James Bible and read Daniel chapter 8 with a dictionary and you cannot help but see that he is the prophesied king of the west who "at the time of the end" will fulfill the prophecy in making his nation "very great." (Daniel 8:9) Televangelists are failing to inform their audiences of this prophecy that once served to predict the rise of Alexander the Great, as a mighty western Grecian king, who would conquer the Mideast; that no one could withstand putting Europe on the map as a force to be reckoned with. The prophecy states of itself that it will again serve "at the time of the end" to identify a king of the west with the disposition of a "he goat" that no nation will be able to withstand as he makes his nation "very great" prior to and unthinkable event that will occur that cause four nations to vie as superpowers in the "in the latter times of their kingdom" of whom one will arise that Daniel identifies as "the little horn" known to Christians as antichrist (Daniel 8:9). The prophet Daniel famous for interpreting "the handwriting on the wall" in Babylon called Iraq today is the same Daniel of the lion's den who wrote of a prophetic vision he for an "appointed time" - "the time of the end." He had this vision in front of a river in Iraq. His dual purposed vision points out that in the end times a "strong" leader of the west, whom he identifies as "king" with the character of a Billy goat will be known for his stubborn personality. The prophet wrote that this king of the west calling him in parable a "he goat" who will be moved with "choler." Webster's defines choler as "a ready disposition to irritation. 2) Irascible marked by a hot temper and easily provoked to anger." Oxford dictionary defines being moved with "choler" as "a peevish temperament easily provoked to anger." Daniel forecast that "at the time of the end" this king of the west will "be moved with choler" as his ire is stirred against Persia, called Iran since 1936 (Daniel 8:5). The first portion of Daniel 8 is in parable form describing the western leader launching an air attack as a "he goat" whose "feet touched not the ground" as it tackles a "ram having two horns." Later, in the chapter describing, Daniel's parable reveals that the "two horns" as the kings of Media and Persia/Iran. Daniel prophesied that "at the time of the end" a king of the west will trample the leaders of Iraq and Iran into the dust. On September 11, 2001, a king of the west was caught flat-footed when he was reading a children's book "My Pet Goat" to school kids in Florida, when his nation was air attacked. Later, this western leader, President George W. Bush under his motto "Stay the course" initiated an unprovoked attack on Iraq in a war called "Iraqi Freedom" leading to its dictator (i.e. king according to Daniel) Saddam Hussein being toppled in death in 2003. This was the first stage of Daniel's prophecy. Presently, in 2017, this war still endures, because Daniel predicted that the West's attack near the territory of Media conquered by Alexander must also topple Persia's\Iran's leader. However, when this "he goat" leader from the west defeats Persia (Iran), Daniel writes that his nation will become "very great" after this king of the west destroys this second king being Iran's leader (Daniel 8:8). Now, God has positioned this man named Donald, meaning "world ruler" Trump as "the king of the west" in these end times and has established him with a goat's stubbornness that has served him well in ascending to the office of president of the United States under the motto "Make America Great Again".

President Trump and the New World Order

Since the 1980 US presidential races, the term "religious right" has come to signify a politically and socially conservative form of Christianity. This term implies a joining of socially conservative evangelical Christianity with conservative politics that continues to shape the Republican Party to this day. But this relationship is hardly new in American history; certain forms of Christianity have long shared space with the political and nationalist right in the United States. Less well known, however, are the various other religions that have influenced white racist activities in America. The recent popularity of these ideologies has caused a shift away from, and resulting hostility toward, Christianity among white nationalists. In

Blood and Faith, Berry explores the causes of this shift, as well as the challenges it has created for contemporary white nationalists who seek access to the conservative American political mainstream. Building on Michael Barkun's landmark study of racist Christianity, Religion and the Racist Right, Berry takes a fresh look at the complex and evolving relationship between American white nationalists and religion.

The Faith of Donald J. Trump

Based on extensive inside sources, including exclusive interviews with the President and Vice President, The Faith of Donald J. Trump explores his rarely discussed, but deeply important, religious beliefs and relationships with leading Evangelicals. The Chief Political Correspondent for the Christian Broadcasting Network and the "Jesus in the Public Square" columnist for the Washington Times explore the rarely discussed, but deeply important, religious beliefs and worldview of Donald J. Trump and his advisors. Donald J. Trump was raised as a Presbyterian and has praised both Christianity and the primacy of the Bible. In the Oval Office, he has surrounded himself with close advisors who share his

deep faith. In this deeply reported book, David Brody and Scott Lamb draw on unparalleled access to the White House to explain President Trump ' s connection to the Christian faith, the evangelical right, the prosperity gospel, and the pressing moral and ethical issues of our day. In part, the authors argue, President Trump won over evangelicals not by pandering to them, but by supporting them and all their most important issues without pretending to be something he ' s not. Though the forty-fifth president is far from the perfect vessel—he has been married three times—his supporters argue that Donald Trump may be just what America needs. This book reveals how he has surrounded himself with believers who think he is the one guiding figure who can return us to the traditional values—hard work, discipline, duty, respect, and faith—that have long been the foundation of American life, and truly make America great again in all ways.

The Baron Trump Omnibus

Ingersoll Lockwood's two books, Baron Trump's Marvellous Underground Journey & 1900; Or, The Last President were written before the turn of the 20th Century, but both contain eerie similarities with modern day political events. This volume contains both works, and readers can decide for themselves whether this was coincidence or something more.

The Babylon Code

For readers of Democracy in Chains and Dark Money, a revelatory investigation of the Religious Right's rise to political power. For too long the Religious Right has masqueraded as a social movement preoccupied with a number of cultural issues, such as abortion and same-sex marriage. But in her deeply reported investigation, Katherine Stewart reveals a disturbing truth: America's Religious Right has evolved into a Christian nationalist movement. It seeks to gain political power and to impose its vision on all of society. It isn't fighting a culture war, it is waging a political war on the norms and institutions of American democracy. Stewart shows that the real power of the movement lies in a dense network of think tanks, advocacy groups, and pastoral organizations, embedded in a rapidly expanding community of international alliances with likeminded, anti-democratic religious nationalists around the world, including Russia. She follows the money behind the movement and traces much of it to a group of super-wealthy, ultraconservative donors and family foundations. The Christian nationalist movement is far more organized and better funded than most people realize. It seeks to control all aspects of government and society. Its successes have been stunning, and its influence now extends to every aspect of American life, from the White House to state capitols, from our schools to our hospitals. The Power Worshipers is a brilliantly reported book of warning and a wake-up call. Stewart's probing examination demands that Christian nationalism be taken seriously as a significant threat to the American republic and our democratic freedoms.

Choosing Donald Trump

Explores the New Testament book of Revelation in a historical first-century context, reinterpreting the book as a scathing attack on the decadence of Rome that was subsequently adopted by early Christians as a weapon against heresy.

Baron Trump ' s Marvellous Underground Journey

What will it take to see a fresh wave of God ' s power crash over the nations? The earth is shaking. The church is suffering from compromise and powerlessness. People are desperate for solutions. The answer will not come from a president; it can only come from a people who know how to bring Heaven to Earth. Could it be that you are the key to unlocking the move of God in this generation? Mario Murillo is recognized as a dynamic evangelist whose ministry sees multitudes receive salvation, healing, and deliverance. He has long carried a burden to see a Great Awakening in America. Now, he is being raised up as an urgent prophetic voice, calling the people of God to take their place as the watchmen, prophetic voices, and miracle-workers they have been anointed to be. In Vessels of Fire and Glory, you will learn: Why satan is intent on destroying America. The prophetic significance of the " Valley of Dry Bones " for this present hour. The 4 factors of spiritual awakening. The crimes that have been committed against the Holy Spirit. How satan is overplaying his hand. It ' s time to take your place as a Vessel of Fire and Glory to this nation

The Soul of America

Where the spiritual world intersects with the political world This book is about medicine; the antidote and prescription for staying the plague of ignorance overcoming the US and the world. It is about the restoration, if not for the soul of a nation, at least the restored mind of individuals. It is a gathering of missing pieces to a puzzle extracted from the annals of time. It is a crystal clear picture painted from the heavens, an eye salve for healing smoke-filled eyes and the restoration of faraway vision. As the sands of time dwindle, history has played out exposing hidden pieces to a great prophetic puzzle. The fog of religious doctrine long shrouding short-sighted minds has lifted. Men can see clearly now, as long standing prophetic theories are exposed by the purifying light of the real facts. New York City is the story world of the great intrigue and holds the clues to a remarkable story. Why? Because NYC is the Citadel of world commerce, the home state of the Trump-eter, but most importantly it is the residence of the Great Beast; the United Nations, the nerve center for the globalization of the planet earth. All the pieces fit together tightly, in high definition, in the DEEP STATE PROPHECY AND THE LAST TRUMP.

The Oracle

Does the Bible predict an asteroid or something else? This book will challenge your interpretation of end-times theology and help you sharpen your understanding in light of current times. Does Revelation 8:10-11 describe an asteroid? Is the Wormwood star from Revelation 8 already headed toward Earth? Are NASA and high-level government officials aware of an asteroid that is on a collision course with our planet? Is that why President Trump sanctioned a colossal increase to planetary defense? Do the prophecies from ancient cultures and religions across the globe all point to a catastrophic planetary event that has scientists and politicians taking extreme preventative measures under the public radar? Earth is not currently prepared for the scope of impact that may be just around the corner, and people in high places know it But what will the biblical Wormwood actually be? Traditional scholarly interpretation claims it will be an asteroid. Others postulate that the eschatological poisoning of one-third of all Earth's waters and the devastation of our planet's ecology might not be as detectable as we may believe: it could hit suddenly and without warning, like an angel of God appearing in the sky with fire and light, bringing judgment in an instant. Follow Thomas Horn as he blazes a trail through these questions and many others, posing answers that very few in the church today are willing to provide. **FEATURES AND BENEFITS:** Examines asteroid threats to Earth, including Apophis (named after the Egyptian god of chaos), which is a topic of serious discussion among experts in planetary defense Includes interviews with government impact specialists, scientists, Bible scholars, and prophecy experts

Standing in absolute opposition to each other are two distinct groups. One side, who proclaim that he can do nothing right. The other side, who believe he has been particularly selected by God, with a host of unusual skills, for just such a time as this. Both can not be right! And so, a political, moral and spiritual battle is raging in America and around the world about President Donald J. Trump. Quite unknown by most of the general public is the fact that Christian prophets have been claiming for over a decade that Donald Trump is the chosen one, that he is God ' s man for the White House for this particular hour. In this book, God ' s Man in the White House, Professor James A. Beverley documents the hundreds of prophecies about Donald Trump that started over 10 years ago, and provides the political and religious context for the ongoing prophecies and controversies about the 45th president. Here is the most complete collection of over 500 prophecies and statements made by more than 100 prophets and top Christian leaders, including: Kim Clement, Mark Taylor, Lance Wallnau, Lana Vawser, Lou Engle, Jeremiah Johnson, Michael Brown, Frank Amedia, Franklin Graham, Jerry Falwell, Jr., Paula White, Stephen Strang, Robert Jeffress, Rodney Howard-Browne, Jim Garlow, and James Dobson. #1 NEW YORK TIMES BESTSELLER • Pulitzer Prize – winning author Jon Meacham helps us understand the present moment in American politics and life by looking back at critical times in our history when hope overcame division and fear. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • The Christian Science Monitor • Southern Living Our current climate of partisan fury is not new, and in The Soul of America Meacham shows us how what Abraham Lincoln called the “ better angels of our nature ” have repeatedly won the day. Painting surprising portraits of Lincoln and other presidents, including Ulysses S. Grant, Theodore Roosevelt, Woodrow Wilson, Franklin D. Roosevelt, Harry S. Truman, Dwight Eisenhower, and Lyndon B. Johnson, and illuminating the courage of such influential citizen activists as Martin Luther King, Jr., early suffragettes Alice Paul and

Carrie Chapman Catt, civil rights pioneers Rosa Parks and John Lewis, First Lady Eleanor Roosevelt, and Army-McCarthy hearings lawyer Joseph N. Welch, Meacham brings vividly to life turning points in American history. He writes about the Civil War, Reconstruction, and the birth of the Lost Cause; the backlash against immigrants in the First World War and the resurgence of the Ku Klux Klan in the 1920s; the fight for women's rights; the demagoguery of Huey Long and Father Coughlin and the isolationist work of America First in the years before World War II; the anti-Communist witch-hunts led by Senator Joseph McCarthy; and Lyndon Johnson's crusade against Jim Crow. Each of these dramatic hours in our national life have been shaped by the contest to lead the country to look forward rather than back, to assert hope over fear—a struggle that continues even now. While the American story has not always—or even often—been heroic, we have been sustained by a belief in progress even in the gloomiest of times. In this inspiring book, Meacham reassures us, “The good news is that we have come through such darkness before”—as, time and again, Lincoln's better angels have found a way to prevail. Praise for *The Soul of America* “Brilliant, fascinating, timely . . . With compelling narratives of past eras of strife and disenchantment, Meacham offers wisdom for our own time.” —Walter Isaacson “Gripping and inspiring, *The Soul of America* is Jon Meacham's declaration of his faith in America.” —Newsday “Meacham gives readers a long-term perspective on American history and a reason to believe the soul of America is ultimately one of kindness and caring, not rancor and paranoia.” —USA Today

Hot book, great author!" — President Donald J. Trump BUCKLE UP—2020 WILL BE THE POLITICAL RIDE OF YOUR LIFE! IN NOVEMBER TRUMP WILL SMASH THE LEFT AND WIN! “We love David Horowitz. He thinks Trump is gonna win in a landslide in November, and he gives reasons why in the book, and he says Republicans are gonna be singing 'Happy Days Are Here Again' once November comes and the election is over and the votes are counted.” — Rush Limbaugh “He is one of the bravest guys. He found the real intent [of the Left] was to control America. He has never, ever sat down. A true national treasure.” — Glenn Beck “If you're interested in debating deranged liberals with facts, you won't want to miss this latest book.” — Donald Trump, Jr. “BLITZ is a MUST-read for those who want to better understand what is really happening in the 'idea war' for the soul of America.” — Governor Mike Huckabee BLITZ reveals the attacks made against Trump have been the most brutal ever mounted against a sitting president of the United States. Blinded by deep-seated hatred of his person and his policies, the left even desperately tried to oust Trump in a failed impeachment bid. Horowitz shows that their very attacks—targeting a man whose mission has been to “Drain the Swamp” and “Make America Great Again” backfired, turning Trump himself into a near martyr while igniting the fervor of his “base.” With the 2020 election upon us, New York Times bestselling author David Horowitz chronicles the brutal battles, bitter backlash, and leftwing lies Trump has faced as Democrats repeatedly try to sabotage his presidency. You'll discover the left's terrifying socialist and, in some cases, communist agendas as you've never seen them before. Trump's response? In the meantime, he's going to steamroll this opposition in November using the same playbook he has used to win before. In BLITZ you will find shocking revelations: The 9 biggest dangers to America the left poses—their agenda will blow your mind. Show me the money: naming the billionaires and fat cats really out to get Trump. How patriotism suddenly became “white nationalism” linking Trump to Hitler and the KKK. The growing secularism of the left and how the hate pushed against Christians will backfire. Why every effort to demonize Trump and his supporters is failing like crazy. Obama's agenda: how the former president casts a much greater shadow over Trump's political woes than you ever imagined. The Genius: how Trump's brilliant strategy has worked and will continue to work, making him president again in 2021! The effort to remove and

destroy our duly elected President may be the greatest challenge America has faced since the Civil War, explains Horowitz. For the first time BLITZ exposes the left 's strategy to take down Trump, and how Trump not only beat them at their own game, but how he 's turning the tables on them to achieve a stunning reelection win come November. 1900 Or, The Last President (Annotated)

"God, Trump, and the 2020 Election is an inside look at how the political climate is affected by spiritual warfare--an important subject for Bible-believing Christians. The satanic schemes are so brazen on key issues that the book was written to explain what's at stake. Strang believes that the intersection of faith and politics needs to be part of the national discussion about the division in our country."--Jacket.

BLITZ

The 2016 election of Donald J. Trump exposed a deep divide in American politics and culture, one that pollsters and pundits didn't seem to realize was there. But Trump did, and he used it to his advantage in ways that surprised nearly everyone, even those who voted for him. Perhaps the biggest question on many people's minds is how, exactly, did a crass, unrepentant reality TV star and cutthroat business tycoon secure the majority of the religious conservative vote? Now the New York Times bestselling author of The Faith of George W. Bush and The Faith of Barack Obama turns his pen toward the Trump phenomenon. Through meticulous research and personal interviews, Stephen Mansfield uncovers who Trump's spiritual influences have been and explains why Christian conservatives were attracted to this unlikely candidate. The book ends with a reflection on the vital role of prophetic distance, both historically and now.

What if God embedded a code in the Bible that could only be cracked in the end times--a prophetic cypher that reveals how the four blood moons and the biblical Shemitah are just signs of the beginning of end-time events? Unlocking a great mystery that has puzzled scholars for nearly two thousand years, THE BABYLON CODE reveals how powerful forces are now at work to create a global government, cashless society, and universal religion as predicted by the prophets. The result of a five-year journalistic investigation, THE BABYLON CODE takes readers on a spellbinding journey to explore the link between the world's most secret organizations, the Bible's greatest prophetic riddle, and what world-renowned evangelist Billy Graham describes as a convergence in end-time signs for the first time in history. This prophetic mystery book pieces together the apocalyptic puzzle--uncovering what may be not only the biggest story and political scandal in modern history, but also the secret to both our survival and our salvation.

Revelations

Evangelicals gave 81% of their votes to Donald Trump in 2016, a record in the history of modern polling. Critics charge that evangelical Trump supporters have revealed themselves to be political prostitutes and hypocrites who surrendered their religious integrity in order to gain access to power, modern-day Pharisees who have so thoroughly compromised their witness that they are now disqualified from speaking out on moral issues in the future. As a prominent evangelical figure for a quarter century and both a friend of President Trump and a member of his campaign Faith advisory board, Dr. Ralph Reed persuasively argues that evangelicals have a moral obligation to enthusiastically back Trump due to the stridently anti-Christian, anti-Semitic, and pro-abortion agenda of the progressive left.
