Women and the Making of the Modern House

This groundbreaking book gives clinicians a new set of tools for helping clients overcome binge-eating disorder and bulimia. Featuring vivid case examples and 30 reproducibles, the book shows how to put an end to binge eating and purging by teaching clients more adaptive ways to manage painful emotions.

Putnam's Phrase Book

NEW YORK TIMES BESTSELLER — Raw, intimate, and timely—a no-holds-barred celebration of our bodies that flies in the face of antiquated ideas about sex and gender. —A triumph.—Glennon Doyle — —One of the most important, life-changing books I’ve ever read.—Rachel Held Evans, author of Searching for Sunday and Inspired Negative messages about sex come from all corners of society: from the church, from the media, from our own families. As a result, countless people have suffered pain, guilt, and judgment. In this instant bestseller, Nadia Bolz-Weber unleashes her critical eye and her vulnerable yet hopeful soul on the harmful conversations about sex that have fed our shame. Bolz-Weber offers no simple amendments or polite compromises. Instead, this modern-day reverend calls for an inclusivity that empowers us to be loyal to people and, perhaps most important, ourselves. —Christianity is not a program for avoiding mistakes,— she writes. —It is a faith of the guilty.— With an alternative understanding of Scripture passages that have been weaponized against Christians for decades, Bolz-Weber reminds us that sexual flourishing can and should be for all genders, all bodies, and all humans. She shares stories, poetry, and Scripture that wage war on perpetual anxiety around sex by celebrating

Download Ebook The Religion Of Thinness Satisfying The Spiritual Hungers Behind Womens Obsession With Food And Weight

sexuality in all its forms and recognizing it for the gift that it is. If you've been mistreated, confused, angered, and/or wounded by shaming sexual messages, this one is for you.

Starving for Salvation

The shattering novel of underground life the New York Times called "a cry of rapture and horror . . . the purest lyrical genius." Jean Genet's debut novel *Our Lady of the Flowers*, which is often considered to be his masterpiece, was written entirely in the solitude of a prison cell. A semi- autobiographical account of one man's journey through the Paris demi-monde, dubbed "the epic of masturbation" by no less a figure than Jean-Paul Sartre, the novel's exceptional value lies in its exquisite ambiguity.

Integrating Primitive Reflexes Through Play and Exercise

"Drawing on their many years of clinical experience, the authors show how a theistic perspective of healing and change can enrich therapies currently in practice for eating disorders, including individual, group, and family therapy as well as 12-step programs. They propose an agenda for future research focusing on measures and research designs that will help investigators study the etiology of eating disorders as well as treatment outcomes as they relate to clients' public and private devotion and expressions of spirituality."--BOOK JACKET.

Are you a parent, teacher or service provider looking for effective resources to help and improve a child's development? Are you strapped for time? Would you like a guide of 5-10 minute step-by-step therapeutic exercises that can be done in the classroom, home or playground? Recognizing the need for effective and universally accessible auxiliary therapy programs, author, parent, and occupational therapist, Kokeb McDonald, OTR/L, created a must-have guidebook for anyone seeking a simple way to enhance their child's therapeutic exercise routine with easy-to-follow, home-based activities. Complete with fun, kid-friendly illustrations, step-by-step instructions, and clear explanations of the critical role the Asymmetrical Tonic Neck Reflex (ATNR) plays in childhood development and learning skills, this hands-on instructional guide offers parents and providers an invaluable tool for integrating therapeutic exercises into a child's natural environment and compassionately understanding the developmental challenges related to it. Inside you will find: Explanation of the primitive reflexes and how to identify "integrated" and "retained" reflexes in your child or student Symptoms checklist Simple and fun exercises Treatment plans geared toward occupational therapists in the clinical setting Letter of support and guide to parents Glossary of clinical terms In as little as 10 minutes a day of regular practice and observation, these fun and creative exercises will enable caregivers to enhance their child's development, support integration of the ATNR, and painlessly gather invaluable information about the child's performance outside the clinical setting. This book is perfect for any parent or professional working with children who experience motor delays, visual-motor delays, auditory sensitivity, processing issues, ADHD tendencies, learning or behavioral challenges, or just anyone who wants to help support a child's development and educational skills. Empower yourself today with stress-free tips and tricks to make the greatest impact on a child who is learning their place in the world.

The Religion of Thinness

An exploration of America's self-defeating war on obesity argues against the myth that falsely equates thinness with health and explains why dieting is bad for the health and how the media misinform the public.

The Breath of the Sun

TV says it. Magazines say it. American society commands it. You must be thin. You must be young. Fad diets. Fat-purging pills. Fitness clubs. Liposuction. Breast implants. Steroids. In the tomorrow of Thinner Than Thou, the cult of the body has become the one true religion. The Dedicated Sisters are a religious order sworn to help anorexic, bulimic, and morbidly obese youth. Throughout the land, houses of worship have been replaced by the health clubs of the Crossed Triceps. And through hypnotically powerful evangelical infomercials, the Reverend Earl preaches the heaven of the Afterfat, where you will look like a Greek god and eat anything you want. Just sign over your life savings and come to Sylphania, the most luxurious weight-loss spa in the world, where the Reverend himself will personally supervise your attainment of physical perfection. But the glory of youth and thinness that America worships conceals a hidden world where teens train for the competitive eating circuit, where fat porn and obese strippers feed people's dark desires, and where an underground railroad of rebellious religions remember when people worshipped God instead of the Afterfat. As Annie, an anorexic, and her friend Kelly, who is so massive she can barely walk, find out, the tender promises of the Dedicated Sisters are

Download Ebook The Religion Of Thinness Satisfying The Spiritual Hungers Behind Womens Obsession With Food And Weight

fulfilled by forced feedings and enforced starvation in hidden prisons. As middle-aged Jeremy discovers, Sylphania is a concentration camp where failure to lose weight and tone up leads to brutal punishment. The Rev. Earl's public sympathy for the overweight conceals a private contempt . . . and, beneath that, a terrible longing known only to a select few. The inevitable decay of old age is the only thing keeping mankind from reaching perfection. Luckily, Reverend Earl has a plan that will take care of that At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

New Books on Women, Gender and Feminism

With so many women approaching their diets, body image, and pursuit of a slender figure with slavish devotion, *The Religion of Thinness* is a timely addition to the discussion of our cultural obsession with weight loss. At the heart of this obsession is the belief that in order to be happy, one must be slim, and the attendant myths, rituals, images, and moral codes can leave some women with severe emotional damage. Idealized images in the media inspire devotees of this "religion" to experience guilt for behaviors that are biologically normal and necessary, and *Lelwica* offers two ways to combat this dangerous cultural message. Advising readers to look hard at the societal cues that cause them to obsess about their weight, and to remain mindful about their actions and needs, this book will not only help stop the cycle of guilt and shame associated with food, it will help readers to grow and accept their bodies as they are.

Shameless

A new page-turning mystery about science, faith, love and belonging, set in a friendly desert community where ghosts, angels, aliens, and government conspiracies are commonplace parts of everyday life. Welcome to Night Vale! "Brilliant, hilarious, and wondrously strange. I'm packing up and moving to Night Vale!" Ransom Riggs, #1 New York Times Bestselling Author of Miss Peregrine's Home for Peculiar Children. From the authors of the New York Times bestselling novel Welcome to Night Vale and the creators of the #1 international podcast of the same name, comes a mystery exploring the intersections of faith and science, the growing relationship between two young people who want desperately to trust each other, and the terrifying, toothy power of the Smiling God. Nilanjana Sikdar is an outsider to the town of Night Vale. Working for Carlos, the town's top scientist, she relies on fact and logic as her guiding principles. But all of that is put into question when Carlos gives her a special assignment investigating a mysterious rumbling in the desert wasteland outside of town. This investigation leads her to the Joyous Congregation of the Smiling God, and to Darryl, one of its most committed members. Caught between her beliefs in the ultimate power of science and her growing attraction to Darryl, she begins to suspect the Congregation is planning a ritual that could threaten the lives of everyone in town. Nilanjana and Darryl must search for common ground between their very different world views as they are faced with the Congregation's darkest and most terrible secret.

Big Summer

A Palestinian Christian pastor relates the untold powerful and inspirational stories of the Palestinian/Israeli conflict, stories that prove that even in the midst of conflict and war, the hope and the desire for true peace can still exist. Original.

Double Burden: Black Women and Everyday Racism

Scripture points to the human body and lived experience as the privileged arena of Gods self-disclosure in the world, says Luke Timothy Johnson. Attention to both ordinary and extraordinary manifestations of the Holy Spirit in and through the body is essential for theology to recover its nature as an inductive art rather than a deductive science and to serve as an expression and articulation of authentic faith in the living God. Willingness to risk engaging actual human situations -- rather than abstract conceptualizations about those situations -- is required of the theologian, Johnson argues. In *The Revelatory Body* he celebrates human experiences of activity, pleasure, pain, weariness, and aging, showing how theology might be enlivened through careful attention to the ways in which these bodily experiences disclose the movements of the Holy Spirit.

New Books on Women and Feminism

We are living in a food and body image obsessed culture. We are encouraged to over-consume by the

Download Ebook The Religion Of Thinness Satisfying The Spiritual Hungers Behind Womens Obsession With Food And Weight

marketing and media that surround us and then berated by those same forces for doing so. At the same time, we are bombarded with images of unnaturally thin celebrities who go to enormous lengths to retain an unrealistic body image, either by extremes of dieting or through plastic surgery or both. The spiritual realm is not immune from these pressures, as can be seen in the flourishing of biblically and faith based weight loss programs that encourage women to lose weight physically and gain spiritually. Isherwood examines this environment in light of Christian tradition, which has often had a difficult relationship with sexuality and embodiment and which has promoted ideals of restraint and asceticism. She argues that part of the reason for our current obsession and bizarre treatment of issues around weight, size and looks is that secular society has unknowingly absorbed many of its negative attitudes towards the body from its Christian heritage. Isherwood argues powerfully that there are resources within Christianity that can free us from this thinking, and lead us towards a more holistic, incarnational view of what it is to be human. *The Fat Jesus* provides a fascinating study of the complex ways that food, women and religion interconnect, and proposes a theology of embrace and expansion emphasizing the fullness of our incarnation.

Spiritual Approaches in the Treatment of Women with Eating Disorders

AN INSTANT NEW YORK TIMES BESTSELLER "Sexy and satisfying, *Big Summer* is the perfect quarantine read." "USA TODAY "The beach read to end all beach reads." "Entertainment Weekly "Big fun, and then some. It's empowering and surprising—a reminder to put down the phone and enjoy each moment for what it is." "The Washington Post A deliciously funny, remarkably poignant, and simply unputdownable novel about the power of friendship, the lure of frenemies, and the importance of making

Download Ebook The Religion Of Thinness Satisfying The Spiritual Hungers Behind Womens Obsession With Food And Weight

peace with yourself through all life's ups and downs. From the #1 New York Times bestselling author of *Good in Bed* and *Best Friends Forever*, *Big Summer* is the perfect escape with one of the most lovable heroines to come to the page in years. Six years after the fight that ended their friendship, Daphne Berg is shocked when Drue Cavanaugh walks back into her life, looking as lovely and successful as ever, with a massive favor to ask. Daphne hasn't spoken one word to Drue in all this time—she doesn't even hate-follow her ex-best friend on social media—so when Drue asks if she will be her maid-of-honor at the society wedding of the summer, Daphne is rightfully speechless. Drue was always the one who had everything—except the ability to hold onto friends. Meanwhile, Daphne's no longer the same self-effacing sidekick she was back in high school. She's built a life that she loves, including a growing career as a plus-size Instagram influencer. Letting glamorous, seductive Drue back into her life is risky, but it comes with an invitation to spend a weekend in a waterfront Cape Cod mansion. When Drue begs and pleads and dangles the prospect of cute single guys, Daphne finds herself powerless as ever to resist her friend's siren song. A sparkling novel about the complexities of female relationships, the pitfalls of living out loud and online, and the resilience of the human heart, *Big Summer* is a witty, moving story about family, friendship, and figuring out what matters most.

Our Lady of the Flowers

A crowd of siblings gathers in Dublin for the wake of their wayward brother in this "stunning" novel by the award-winning author of *Actress* (The Washington Post). The surviving children of the Hegarty clan are gathering for the wake of their wayward, alcoholic brother, Liam, drowned in the sea after filling his pockets with stones. He is the third of the twelve Hegarty siblings to die. His sister, Veronica, collects

Download Ebook The Religion Of Thinness Satisfying The Spiritual Hungers Behind Womens Obsession With Food And Weight

the body and keeps the dead man company, guarding the secret she shares with him—something that happened in their grandmother’s house in the winter of 1968. As prize-winning author Anne Enright traces the line of betrayal and redemption through three generations, her distinctive intelligence twists the world a fraction and gives it back to us in a new and unforgettable light. *The Gathering* is an “wonderfully elegant and unsparing” epic of an Irish family (*Los Angeles Times*)—a novel about love and disappointment, how memories warp and secrets fester, and how fate is written in the body, not in the stars. “Entrancing a haunting look at a broken family stifled by generations of hurt and disappointment, struggling to make peace with the irreparable.” *Entertainment Weekly* “A melancholic love and rage bubbles just beneath the surface of this Dublin clan, and Enright explores it unflinchingly.” *Publishers Weekly* “Her sympathy for her characters is as tender and subtle as Alice McDermott’s; her vision of Ireland is as brave and original as Edna O’Brien’s. *The Gathering* is her best book.” *Colm Toibin* “Hypnotic.” *Booklist* (starred review)

Bethlehem Besieged

The Revelatory Body

A chance encounter at a summer party sent writer Josceline Dimbleby on a quest to uncover a mystery in her family’s past. After talking with Andrew Lloyd Webber about a beautiful, dark portrait in his art collection, she decided to find out more about the subject of the painting: her great-aunt Amy Gaskell.

Download Ebook The Religion Of Thinness Satisfying The Spiritual Hungers Behind Womens Obsession With Food And Weight

Dimbleby had always known her great-aunt's face from this haunted portrait by the well-known Pre-Raphaelite painter Sir Edward Burne-Jones, but beyond that and a family rumor that Amy had died young "of a broken heart," Dimbleby knew little of her female forebears. At the start of her search, Josceline came across a cache of unpublished letters from Burne-Jones to her great-grandmother May Gaskell, Amy's mother. These letters turned out to be part of a passionate correspondence—adoring, intimate, sometimes up to five letters a day—which continued throughout the last six years of the painter's life. As she read, more and more questions arose: Why did Burne-Jones feel he had to protect May from an overwhelming sadness? What was the deep secret she had confided to him? And what was the tragic truth behind Amy's wayward, wandering life, her strange marriage, and her unexplained early death? In piecing together the eventful life of her grandmother, Dimbleby takes us through a turbulent period in history that includes the Boer War, the Great War, and the Second World War and visits the most far-flung corners of the British Empire. The Souls—William Morris, Rudyard Kipling, and William Gladstone—all play a part in this sweeping, often funny, and sometimes tragic story. Above all, it is her infectious enthusiasm for a subject so close to home that makes May and Amy such a compelling and richly entertaining read. From the Hardcover edition.

The Interpretation of Cultures

What happens when your body doesn't look how it's supposed to look, or feel how it's supposed to feel, or do what it's supposed to do? Who or what defines the ideals behind these expectations? How can we challenge them and live more peacefully in our bodies? *Shameful Bodies: Religion and the Culture of Physical Improvement* explores these questions by examining how traditional religious narratives and

Download Ebook The Religion Of Thinness Satisfying The Spiritual Hungers Behind Womens Obsession With Food And Weight

modern philosophical assumptions come together in the construction and pursuit of a better body in contemporary western societies. Drawing on examples from popular culture such as self-help books, magazines, and advertisements, Michelle Mary Lelwica shows how these narratives and assumptions encourage us to go to war against our bodies—to fight fat, triumph over disability, conquer chronic pain and illness, and defy aging. Through an ethic of conquest and conformity, the culture of physical improvement trains us not only to believe that all bodily processes are under our control, but to feel ashamed about those parts of our flesh that refuse to comply with the cultural ideal. Lelwica argues that such shame is not a natural response to being fat, physically impaired, chronically sick, or old. Rather, body shame is a religiously and culturally conditioned reaction to a commercially-fabricated fantasy of physical perfection. While *Shameful Bodies* critiques the religious and cultural norms and narratives that perpetuate external and internalized judgment and aggression toward “shameful” bodies, it also engages the resources of religions, especially feminist theologies and Buddhist thought/practice, to construct a more affirming approach to health and healing—an approach that affirms the diversity, fragility, interdependence, and impermanence of embodied life.

A Book of Horrors

The quality of today's literary writing arouses the strongest opinions. For novelist and critic Gabriel Josipovici, the contemporary novel in English is profoundly disappointing—a poor relation of its groundbreaking Modernist forebears. This agile and passionate book asks why. Modernism, Josipovici suggests, is only superficially a reaction to industrialization of a revolution in diction and form; essentially, it is art arriving at a consciousness of its own limits and responsibilities. And its origins are

Download Ebook The Religion Of Thinness Satisfying The Spiritual Hungers Behind Womens Obsession With Food And Weight

to be sought not in 1850 or even 1800, but in the early 1500s, with the crisis of society and perception that also led to the rise of Protestantism. With sophistication and persuasiveness, Josipovici charts some of Modernism's key stages, from Dürer, Rabelais, and Cervantes to the present, bringing together a rich array of artists, musicians, and writers both familiar and unexpected--including Beckett, Borges, Friedrich, Cézanne, Stevens, Robbe-Grillet, Beethoven, and Wordsworth. He concludes with a stinging attack on the current literary scene in Britain and America, which raises questions not only about national taste, but about contemporary culture itself. Gabriel Josipovici has spent a lifetime writing and writing about other writers. This book is a strident call to arms and a tour de force of literary, artistic, and philosophical explication that will stimulate anyone interested in art in the twentieth century and today.

Syd Arthur

The Gathering

Prince Siddhartha, raised behind palace walls and showered with every extravagance, abandoned his protected life to embark on a spiritual journey. He ultimately reached enlightenment and became known as the Buddha, which means "one who is awake." He then spent his life teaching that all have the potential to awaken Meet Syd Arthur! Living in the cloistered world of suburbia, Syd is a middle-aged Jewish woman who is potentially awake, but likes to start her day with a strong cup of coffee, just in

Download Ebook The Religion Of Thinness Satisfying The Spiritual Hungers Behind Womens Obsession With Food And Weight

case. Her daughter has just left for college and her diet is once again off track. While for most of her life she's been convinced that happiness can be attained by a magic number on the bathroom scale or a really great shopping day at Bloomingdale's—she finds herself in the grocery store with an empty cart wondering if there just might be something more. When East unexpectedly meets West, Syd embarks on a journey as a spiritual seeker. Soon she's in over her chakras as her search takes her from yoga studio to meditation hall to ashram gift store to the pages of Zensational catalogue. Her Mah Jongg group insists it's merely a midlife crisis. But nothing's going to stop Syd's journey toward Nirvana—not even the hottest sale at Nordstrom's. Follow Syd as she finds her bliss and discovers a richness that rivals a Godiva truffle, making for one delicious enlightenment. "What do you wear to the meditation center?" I had asked Montana. "I mean, when I go to temple, I usually wear a suit. Sometimes a pantsuit, but mostly a skirt and a blazer." "Okay, you definitely don't need to wear a suit, Syd. Just wear something comfortable to sit in. And I promise you Om Guru is not about the clothes. No one cares what you wear. People there are concerned about the inner you, about your journey to realize and meet the Self." I thought for a minute and then said, "So let me ask you it this way. When I meet my Self, should I meet her in country club casual or something more dressy?"

It Devours!

From four-time New York Times bestselling author Bethenny Frankel, the book that started it all: *Naturally Thin*. Bethenny Frankel, talk show host, "Queen of Cocktails," and "Mommy Mogul" has always had a passion for preparing and enjoying healthful, natural foods and sharing that love. Thoughts, and enjoy satisfying meals, snacks, and drinks without the guilt. Armed with Bethenny's rules, you will say: -I know when I am really hungry -When I'm really hungry, I look for high-volume, fiber-rich foods -I can have any food I want -I love the taste of real food With more than thirty simple, delicious recipes (including her famous SkinnyGirl Margarita), a one-week program to jump-start readers on the Naturally Thin lifestyle, and warm, witty encouragement on every page, Frankel serves up a book for a healthier and thinner life.

Going Hungry

This addition to the British Dietetic Association Advanced Nutrition and Dietetics book series is written for clinicians and researchers who work with any aspect of obesity and its comorbid conditions. Featuring contributions from leading researchers and practitioners from around the globe Advanced Nutrition and Dietetics in Obesity offers a uniquely international perspective on what has become a worldwide public health crisis. Chapters cover a full range of new ideas and research on the underlying drivers of obesity in populations including discussions on the genetic and clinical aspects of obesity, along with expert recommendations on how to effectively manage and prevent this chronic and persistent disease. Providing a comprehensive overview of the key literature in this field, Advanced Nutrition and Dietetics in Obesity is an invaluable resource for all those whose work should or does embrace any aspect of obesity.

Bio-Psycho-Social Contributions to Understanding Eating Disorders

Download Ebook The Religion Of Thinness Satisfying The Spiritual Hungers Behind Womens Obsession With Food And Weight

Studies of contemporary black women are rare and scattered, and are often extensions of a legacy beginning in the 19th century that characterized black women as domineering matriarchs, prostitutes, or welfare queens, negative characterizations that are perpetuated by both white and non-white social scientists. Based on over 200 interviews, this book departs from these conventions in significant ways, and, using a "collective memory" conceptual framework, shows how black women cope with and interpret lives often limited by racial barriers not of their making.

Sacred

Lamat Paed understands paradoxes. She's a great mountain climber who's never summited, the author of a tell-all that didn't really tell anything. For years she guided pilgrims up the foothills of the Sublime Mount, leading them as high as God would let them go. And then she partnered the apostate Southern priest Mother Disaine on the most daring, most blasphemous expedition in history--an attempt to reach the summit of the sacred mountain, the top of God's head. Disaine returned in triumph, claiming to be the first person since the prophet to have summited and lived. But Lamat went into hiding. Now, late in life and exiled from the mountain, Lamat finally tells her story to her partner, Otile. It's the story of why she really wrote her first book all those years ago, how she came to be cast out from the mountain-dwelling Holoh people, and how she fled to the anonymity of the city to hide from her fame. Most of all, it's the story of her bond with Mother Disaine--the blasphemer, charlatan, and visionary who stole Lamat's life to serve her own purposes--and what really happened on their last, greatest expedition. "Not since *The Left Hand of Darkness* has any book conveyed to me the profundity of the winter journey and the intensity of relationships forged in it. But where Le Guin was always evasive about religion in her

Download Ebook The Religion Of Thinness Satisfying The Spiritual Hungers Behind Womens Obsession With Food And Weight

sublime mountain landscapes, Fellman is direct about it. She creates an immanence in her mountain, The Body of God, that her characters respond to with an authentic and credible religious passion, one that gets mixed up with all other passions in their lives.

Naturally Thin

The Closing of the American Mind, a publishing phenomenon in hardcover, is now a paperback literary event. In this acclaimed number one national best-seller, one of our country's most distinguished political philosophers argues that the social/political crisis of 20th-century America is really an intellectual crisis. Allan Bloom's sweeping analysis is essential to understanding America today. It has fired the imagination of a public ripe for change.

The Fat Jesus

"Since 2000, Religion and Popular Culture in America has been one [of the] standard books used in teaching this area of study. Modestly updated in 2005, it continues to be taught in colleges, universities and theological schools across the continent. The basic four-part structure of Religion and Popular Culture in America remains sound and is a feature that appeals to many who have taught the volume. Section One, Religion in Popular Culture, examines the way traditional religious symbols, narratives, and forms of religious practice appear in popular culture. Section Two, Popular Culture in Religion, considers how religion takes on and is reshaped by styles and values of popular culture. Section Three,

Download Ebook The Religion Of Thinness Satisfying The Spiritual Hungers Behind Womens Obsession With Food And Weight

Popular Culture as Religion, explores the ways that aspects of popular culture and their reception might be considered to be forms of religion. Section Four, Religion and Popular Culture in Dialogue, introduces religiously based critiques of popular culture and ways that popular culture articulates common critiques of religion. The third edition maintains the structure and basic length of the current edition and retains Forbes' introductory framework and update versions of key essay. But they replace many of the more dated subjects with new material drawing on more contemporary examples. A concluding essay by Mahan organizes key insights from the essays and relates them to the theories of popular culture illuminated in the introduction"--Provided by publisher.

Thinner Than Thou

This book uniquely combines cutting-edge medical, psychological, and sociocultural topics pertinent to eating disorders. In the medical realm, the book focuses on Eating Disorders' newly investigated associations with ADHD and sleep disorders, and on innovative treatments of osteoporosis in anorexia nervosa. Novel contributions in the psychological realm address families' trans-generational transmission of Eating Disorders-related difficulties and novel internet-based treatments for such families. Lastly, in the sociocultural realm, the book discusses social contagion and Pro-Ana websites as increasing risk for disordered eating in young women around the globe. This volume provides readers with more holistic perspectives of each realm and their interplay, to promote Eating Disorders' understanding, treatment, prevention, and research. It provides various professionals including mental health providers, physicians, nutritionists, and graduate students in these professions.

The research studies included in this Special Issue highlight the fundamental contribution of the knowledge of environmental history to conscious and efficient environment conservation and management. The long-term perspective of the dynamics that govern the human-climate ecosystem is becoming one of the main focuses of interest in biological and earth system sciences. Multidisciplinary bio-geo-archaeo investigations into the underlying processes of human impact on the landscape are crucial to envisage possible future scenarios of biosphere responses to global warming and biodiversity losses. This Special Issue seeks to engage an interdisciplinary dialog on the dynamic interactions between nature and society, focusing on long-term environmental data as an essential tool for better-informed landscape management decisions to achieve an equilibrium between conservation and sustainable resource exploitation.

The Methodist Review

A collection of original horror and dark fantasy from the world's best writers, including Stephen King and John Ajvide Lindqvist Many of us grew up on The Pan Book of Horror Stories and its later incarnations, Dark Voices and Dark Terrors (The Gollancz Book of Horror), which won the World Fantasy Award, the Horror Critics' Guild Award and the British Fantasy Award, but for a decade or more there has been no non-themed anthology of original horror fiction published in the mainstream. Now that horror has returned to the bookshelves, it is time for a regular anthology of brand-new fiction by the best and brightest in the field, both the Big Names and the most talented newcomers including: - Ramsey Campbell - Peter Crowther - Dennis Etchison - Elizabeth Hand - Brian Hodge - Caitlin R.
