The Rising

Advent of the Antichrist offers a thorough explanation of Nostradamus's famous 1999 king of terror quatrain. Based on this quatrain, August 11, 1999, is an important date in history. On that day, a total solar eclipse took place over Europe. According to Nostradamus, it was also the date for the coming of the Antichrist. For he will be an eighth king (Revelation 17:11), he is the eleventh horn (Daniel 7:8), and his number is 666 (Revelation 13:18). Author K. L. Brady makes the argument that this is the eleventh hour, beginning with this date on a doomsday clock. History will record that the advent of the Antichrist coincided with the advent of the twenty-first century. Nostradamus writes of a great king whose war will give rise to another great king to come. Who are these great Kings? Advent of the Antichrist presents a new revelation that chronicles the birth and rise to power of the one who will head up an army and conquer the world. It also provides a clear explanation of the events behind the symbolic imagery and the biblical passages concerning the coming apocalypse. It is the time to warn and prepare yourself and those around you for what could take place. The clock is ticking toward a time of darkness and light such as the world has never seen before.

An evil world leader proclaims himself the Antichrist, drawing up plans to mark all human beings, but the members of the Tribulation Force are determined to stop him.

The Indwelling

The Tribulation Force gathers its courage as the newly-resurrected Carpathia shows a fondness for gruesome killings against those who remain disloyal to him and commits the ultimate act of desecration against the Judeo-Christian community.

The Rising

After millions of people around the world vanish in one moment, in what many claim to be the Rapture, Rayford Steele begins a search for the truth amidst global chaos.

Left Behind

The extraordinary success of the Left Behind series by Tim LaHaye and Jerry Jenkins shows that their action/adventure novels have tapped into the American psyche. It has revived our fascination with vivid images of the book of Revelation and other biblical texts: the Antichrist, the mysterious number 666, and people suddenly raptured into the sky by God. But is there something dangerous behind the thinking in these books and how they play out in our world

today? In *Left Behind* or *Left Befuddled*, Gordon Isaac takes the reader inside the theology behind the series. In clear and accessible prose, Isaac answers many important questions that Christians have about the phenomenon that is *Left Behind*: Is this Vision of the end times really biblical? Why do people have such a powerful response to it? What are alternative ways to think about the end times? How do the books view Catholics and other Christians? What does this Vision of things mean for Israel and the Jewish people? How can we counter the myths proposed in the series as fact? Gordon Isaac is the Berkshire Associate Professor of Advent Christian Studies in the church history department at Gordon-Conwell Theological Seminary in Massachusetts. He is also an ordained Advent Christian minister who has served a number of congregations.

Shadowed

The authors discuss signs of end time events according to biblical prophecy and provide twenty reasons why they believe the current generation will witness the end times.

Why You Act the Way You Do

The horrors of the Tribulation are over, and Jesus Christ has set up his perfect kingdom on earth. Believers all around the world enjoy a newly perfected relationship with their Lord, and the earth itself is transformed. Yet evil still lurks in the hearts of the unbelieving. As the Millennium draws to a close, the final generation of the unrepentant prepares to mount a new offensive against the Lord Himself—sparking the final and ultimate conflict from which only one side will emerge the eternal victor.

Glorious Appearing

One of the world's most beloved Bible teachers offers a definitive collection of resources on biblical prophecy, the end times, and the apocalypse. "The end times." "The apocalypse." "The day of judgment." Terms such as these are both fascinating and frightening for any student of God's Word. They point to key questions people have wrestled with for centuries, including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? In this landmark collection, bestselling author Dr. David Jeremiah offers answers to these questions and much more. Drawing from decades of experience as one of the world's most-respected Bible teachers, Dr. Jeremiah has updated content from previously published works in addition to writing new material on a wide variety of subjects. The result is a truly epic and authoritative guide to biblical prophecy—a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future.

Prophet

While a million people converge on the ancient city of Petra in preparation for the "Glorious Appearing," the Global Community begins to bomb the city, while believers elsewhere in the world face martyrdom at the hands of the Antichrist.
