The Rough Guide to Colombia

Ebook PDF Format The Rough Guide To Belize Travel Guide Ebook

The past continues to operate powerfully, wordlessly, in that less conscious part of our human mind and can trip us up unexpectedly. We can perceive and respond to situations in ways which are more to do with early experiences than the present. We can push from mind what we would rather not know. Feelings such as doubt and sadness can seem too weak; envy and anger, too bad; feeling small and in any way in need, could leave us too vulnerable. Though most will never have their own experience of psychoanalysis (or less intensive psychoanalytic psychotherapy), psychoanalytic ideas can be profoundly helpful in making sense of ourselves. Having some access to those more hidden parts of our human mind, we can feel more alive, more real and less likely to act out in unexpected ways. An accessible, sympathetic and challenging guide, *The Rough Beast: Psychoanalysis in Everyday Life* is for all those who are curious and sceptical as to what, why and how psychoanalytic understanding is useful in everyday life.
