Bing: The Science Of Communicating Science

Social Science & Medicine, 58(7), 1353 – 1366. “ <https://pubmed.ncbi.nlm.nih.gov/14759681/> Introduction This longitudinal study considered stability in perceived social support and the relationship between social support and health-related quality of life in a sample of 41 adult outpatients living with HIV/AIDS (PHA) in Canada.

Next Generation Science Standards

Make toys at home with common household materials, often in only a few minutes, that demonstrate fascinating scientific principles. Levitating pyrolytic graphite Franklin's Bells Rotary High Voltage Motor Curie-effect heat engine Diamagnetically stabilized magnetic levitation The Gauss Rifle -- A Magnetic Linear Accelerator High Voltage Motor A Railgun in 10 minutes Homopolar Motor A metal that

Science in Action: How Science Works | California Academy

Science and technology can stem the tide of climate change by replacing the use of animals as food, according to a biochemistry professor-turned-founder of a plant-based food company who spoke at the AAAS Annual Meeting. Learn More. 1

March 2021. Office of Public Programs

The Science Of Communicating Science

Science—and therefore science education—is central to the lives of all Americans. A high-quality science education means that students will develop an in-depth understanding of content and develop key skills—communication, collaboration, inquiry, problem solving, and flexibility—that will serve them throughout their educational and
