The Sentimental Person's Guide to Decluttering

Though we think we know what it is, the definition of fascism is remarkably elusive. In general consciousness it has become a collective term of abuse, while, in reaction, scholars have over-defined it out of existence. In this book, Richard Griffiths undertakes to resolve the issue, placing fascism in its tortuous historical context.

Border Hoarder

The #1 New York Times bestselling guide to decluttering your home and the inspiration for the hit Netflix show *Tidying Up with Marie Kondo*. Despite constant efforts to declutter your home, do papers still accumulate like snowdrifts and clothes pile up like a tangled mess of noodles? Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you'll never have to do it again. Most methods advocate a room-by-room or little-by-little approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo's clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house "spark joy" (and which don't), this international bestseller featuring Tokyo's newest lifestyle phenomenon will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire.

Let It Go

Music is a powerful art. We sing it, we dance to it, and we listen to it because it moves us as little else can. Classical music in particular has fascinated people for hundreds of years. The works of such composers as Bach, Mozart, and Beethoven have proven so appealing that generations of listeners have returned to them again and again. *Young People's Guide to Classical Music* invites you to join these listeners.

The Sentimental Traveller

In *The Sentimental Person's Guide to Decluttering*, Claire Middleton offers a plan that you can work through, step by step, to turn your home into the welcoming, roomy haven you've always dreamed of, filled with charm, personality, and none of the mess you live with now. In this book, Claire shares tips that will help you give up the bulk of your sentimental clutter while keeping your most precious treasures to use and display.

Secondhand

Revised and expanded edition of Susan Branch's first illustrated cookbook published in 1986.

The People's Guide to Mexico

From the summer of 1870 through the spring of 1871, France suffered a humiliating defeat in its war against Prussia and witnessed bloody class warfare that culminated in the crushing of the Paris Commune. In *Flaubert in the Ruins of Paris*, Peter Brooks examines why Flaubert thought his recently published novel, *Sentimental Education*, was prophetic of the upheavals in France during this "terrible year," and how Flaubert's life and that of his compatriots were changed forever. Brooks uses letters between Flaubert and his novelist friend and confidante George Sand to tell the story of Flaubert and his work, exploring his political commitments and his understanding of war, occupation, insurrection, and bloody political repression. Interweaving history, art history, and literary criticism—from Flaubert's magnificent novel of historical despair, to the building of the reactionary monument the Sacré-Coeur on Paris's highest summit, to the emergence of photography as historical witness—Brooks sheds new light on the pivotal moment when France redefined herself for the modern world.

Cluttered Mess to Organized Success Workbook

Develop your muscle memory to read faster and comprehend better with the PQRIM method. Boost your memory to remember anything and everything whenever and wherever you want to. Supercharge your mind to think creatively and critically and synthesize what you have read effectively. *Read Faster, Memorize Better, Think Clearer* is an accessible, practical guide to the three most essential skills to achieve greater productivity and profitability in your work, study and personal life. Whether you are a CEO of a large corporation, a manager, a supervisor, a student or a person in-between careers this book will serve you well by equipping you with the necessary corporate survival skills. The world is changing so rapidly that if you are not quick enough to learn, unlearn and relearn at the blink of an eye you will be redundant and a derelict. Whether you want to be a better leader, a more resourceful employee, and a strategic learner in school or university you need to train yourself on how to get to the key information that you require fast and have the ability to synergize and synthesize them productively. This book will show you how. Read it once and apply the techniques shared. Read it again and share the techniques with others. Read it again and again until you achieve a sense of unconscious competence that you can do it in any circumstances and situation. That is your returns on investment for taking time to read this book. Effective outcomes ?? Develop the necessary mental skills that allow you to read faster and actively ?? Master the PQRIM technique to help you comprehend even the toughest textbook, journals and articles. ?? Train and configure your brain to remember and recall whatever you want and whenever or wherever you want it. ?? Unleash your creative potential with SCRAM ?? Sharpen your critical mind

Kindergarten Stories and Morning Talks

“The novel that foreshadowed Donald Trump’s authoritarian appeal.”—Salon It Can’t Happen Here is the only one of Sinclair Lewis’s later novels to match the power of *Main Street*, *Babbitt*, and *Arrowsmith*. A cautionary tale about the fragility of democracy, it is an alarming, eerily timeless look at how fascism could take hold in America. Written during the Great Depression, when the country was largely oblivious to Hitler’s aggression, it juxtaposes sharp political satire with the chillingly realistic rise of a president who becomes a dictator to save the nation from welfare cheats, sex, crime, and a liberal press. Called “a message to thinking Americans” by the *Springfield Republican* when it was published in 1935, *It Can’t Happen Here* is a shockingly prescient novel that remains as fresh and contemporary as today’s news. Includes an Introduction by Michael Meyer and an Afterword by Gary Scharnhorst

Heart of the Home

Say goodbye to clutter, reduce stress, and live simply with this easy-to-use guide to downsizing! Whether you are selling your family home, blending households into a new home, or cleaning out your aging parents' home, sorting through a lifetime's worth of accumulated possessions can be a daunting and stressful experience. Decluttering guru Peter Walsh recently went through the process of downsizing his childhood home and dividing his late parents' family possessions. He realized that making these decisions about mementos and heirlooms creates strong emotions and can be an overwhelming chore. In *Let It Go*, Peter will help you turn downsizing into a rejuvenating life change with his useful tips and practical takeaways, including how to:

- Understand the emotional challenges that accompany downsizing
- Establish a hierarchy of mementos and collectibles
- Calculate the amount of stuff you can bring into your new life
- Create strategies for dividing heirlooms among family members without drama

This new phase brings unexpected freedoms and opportunities, and Peter walks you through every step of the process. You’ll feel freer and happier than you ever thought possible once you *Let It Go*.

The Little Book of Tidying

"Revelatory, terrifying, but, ultimately, hopeful." -Elizabeth Kolbert, Pulitzer Prize-winning author of *THE SIXTH EXTINCTION* From the author of *Junkyard Planet*, a journey into the surprising afterlives of our former possessions. Downsizing. Decluttering. Discarding. Sooner or later, all of us are faced with things we no longer need or want. But when we drop our old clothes and other items off at a local donation center, where do they go? Sometimes across the country-or even halfway across the world-to people and places who find value in what we leave behind. In *Secondhand*, journalist Adam Minter takes us on an unexpected adventure into the often-hidden, multibillion-dollar industry of reuse: thrift stores in the American Southwest to vintage shops in Tokyo, flea markets in Southeast Asia to used-goods enterprises in Ghana, and more. Along the way, Minter meets the fascinating people who handle-and profit from-our rising tide of discarded stuff, and asks a pressing question: In a world that craves shiny and new, is there room for it all? *Secondhand* offers hopeful answers and hard truths. A history of the stuff we've used and a contemplation of why we keep buying more, it also reveals the marketing practices, design failures, and racial prejudices that push used items into landfills instead of new homes. *Secondhand* shows us that it doesn't have to be this way, and what really needs to change to build a sustainable future free of excess stuff.

Sentimental Journey

Scientist Kitty Kincaid, U.S. Army major J. R. Cassidy, pilot Charlotte Morrison, small-town Texan Red Walker, and British Royal Air Force ace George "Skip" Inskip find danger, adventure, and passion during World War II.

Real Life Organizing

Are you a border hoarder -you're not quite a hoarder but you're right on the border? In today's world, we own too much stuff and seem to have too little room to put it. This book will help you understand why you're holding onto the things you are, and how you can either get rid of it, or organize it. Border Hoarders is filled with easy tips on how to clean and organize each room of your home. You'll also get worksheets to make the process even easier.

The Declutter Challenge

Bringing demonstrations of the principles of nature into the living room, Tyson writes in a lucid, easygoing style that finally makes scientific literacy possible for enthusiasts and those with math and science phobias alike.

It Can't Happen Here

An Intelligent Person's Guide to Modern Culture

From the New York Times bestselling author of *The House of the Spirits*, this epic novel spanning decades and crossing continents follows two young people as they flee the aftermath of the Spanish Civil War in search of a place to call home. "One of the most richly imagined portrayals of the Spanish Civil War to date, and one of the strongest and most affecting works in [Isabel Allende's] long career."—*The New York Times Book Review* In the late 1930s, civil war grips Spain. When General Franco and his Fascists succeed in overthrowing the government, hundreds of thousands are forced to flee in a treacherous journey over the mountains to the French border. Among them is Roser, a pregnant young widow, who finds her life intertwined with that of Victor Dalmau, an army doctor and the brother of her deceased love. In order to survive, the two must unite in a marriage neither of them desires. Together with two thousand other refugees, they embark on the SS *Winnipeg*, a ship chartered by the poet Pablo Neruda, to Chile: "the long petal of sea and wine and snow." As unlikely partners, they embrace exile as the rest of Europe erupts in world war. Starting over on a new continent, their trials are just beginning, and over the course of their lives, they will face trial after trial. But they will also find joy as they patiently await the day when they will be exiles no more. Through it all, their hope of returning to Spain keeps them going. Destined to witness the battle between freedom and repression as it plays out across the world, Roser and Victor will find that home might have been closer than they thought all along. A masterful work of historical fiction about hope, exile, and belonging, *A Long Petal of the Sea* shows Isabel Allende at the height of her powers. Praise for *A Long Petal of the Sea* "Both an intimate look at the relationship between one man and one woman and an epic story of love, war, family, and the search for home, this gorgeous novel, like all the best novels, transports the reader to another time and place, and also sheds light on the way we live now."—J. Courtney Sullivan, author of *Saints for All Occasions* "This is a novel not just for those of us who have been Allende fans for decades,

but also for those who are brand-new to her work: What a joy it must be to come upon Allende for the first time. She knows that all stories are love stories, and the greatest love stories are told by time.”—Colum McCann, National Book Award–winning author of *Let the Great World Spin*

Sentimental Citizen

Give Your Life to Live Your Life In this book, Seth Adam Smith expands on the philosophy behind his extraordinarily popular blog post “Marriage Isn't for You”—which received over 30 million hits and has been translated into over twenty languages—and shares how living for others can enrich every aspect of your life, just as it has his. With a mix of humor, candor, and compassion, he reveals how, years before his marriage, his self-obsession led to a downward spiral of addiction and depression, culminating in a suicide attempt at the age of twenty. Reflecting on the love and support he experienced in the aftermath, as well as on the lessons he learned from a difficult missionary stint in Russia, his time as a youth leader in the Arizona desert, his marriage, and even a story his father read to him as a child, he shares his deep conviction that the only way you can find your life is to give it away to others. *Your Life Isn't For You* was recently named the Gold Medalist for Inspirational Memoir in the 2015 Living Now Book Awards!

The Débutante

It s a rite of passage: the emotional journey of downsizing your or your aging parents' home. Here, syndicated home columnist Marni Jameson chronicles her own experience and blends it with advice from national experts to sensitively guide readers through the difficult process. From opening that first closet to selling the house, she provides guiding lights and a strategy to help readers accomplish the task quickly, respectfully, and rewardingly."

To Siri with Love

Over the past 35 years, hundreds of thousands of readers have agreed: This is the classic guide to "living, traveling, and taking things as they come" in Mexico. Now in its updated 14th edition, *The People's Guide to Mexico* still offers the ideal combination of basic travel information, entertaining stories, and friendly guidance about everything from driving in Mexico City to hanging a hammock to bartering at the local mercado. Features include: • Advice on planning your trip, where to go, and how to get around once you're there • Practical tips to help you stay healthy and safe, deal with red tape, change money, send email, letters and packages, use the telephone, do laundry, order food, speak like a local, and more • Well-informed insight into Mexican culture, and hints for enjoying traditional fiestas and celebrations • The most complete information available on Mexican Internet resources, book and map reviews, and other info sources for travelers

What to Do with a Houseful of Memories

The Busy Person's Guide to an Extraordinary Life

The author sets out to define what is to be considered high culture in today's society.

The Overworked Person's Guide to Better Nutrition

Grand Union

An Analysis Of How emotion functions cooperatively with reason & contributes to a healthy democratic politics.

What I Thought Was True

In this age of mass consumerism, we are "stuffocating"; becoming slaves to our possessions. By freeing ourselves from physical and mental clutter, and better managing our schedules, we can focus on what is truly important and discover more time, space and joy. Grounded in solid science and bursting with invaluable tools, activities and strategies, this little book will empower you to discard what you no longer need, regain control of your surroundings and create a happier and more fulfilling life.

A Long Petal of the Sea

The Overworked Person's Guide to Better Nutrition offers bite-sized nutrition tips for busy people with prediabetes, heart health concerns, or those who simply want advice for their everyday food and nutrition problems. Responding to the number-one excuse she hears from clients who have trouble staying healthy — “I don't have time!” — educator and dietitian Jill Weisenberger built this busy-person's guide to nutrition and health to show that everyone feels busy, but healthy habits can fit with any schedule. To keep things quick and accessible, the book is built around 50 fun and informative tips, covering everything from resistant starches to the glycemic index. Meant to be picked up and read piecemeal, every page is packed with interesting tips designed to improve nutrition and relieve stress and guilt. Over 100 million people in the United States have prediabetes or diabetes, and nearly half of all Americans have at least one risk factor for heart disease. In chronic conditions like these, improved nutrition and weight loss can sometimes prevent, delay, or improve long-term complications. This book is filled with diet strategies for weight loss and overall better health that can help any one, on any schedule, eat and feel better.

Extremely Busy People'S Guide to Read Faster! Memorize Better! Think Clearer!

Making Space, Clutter Free

Longlisted for the Carnegie Medal! A dazzling collection of short fiction Zadie Smith has established herself as one of the most iconic, critically respected, and popular writers of her generation. In her first short story collection, she combines her power of observation and her inimitable voice to mine the fraught and complex experience of life in the modern world. Interleaving eleven completely new and unpublished stories with some of her best-loved pieces from *The New Yorker* and elsewhere, Smith presents a dizzyingly rich and varied collection of fiction. Moving exhilaratingly across genres and perspectives, from the historic to the vividly current to the slyly dystopian, *Grand Union* is a sharply alert and prescient collection about time and place, identity and rebirth, the persistent legacies that haunt our present selves and the uncanny futures that rush up to meet us. Nothing is off limits, and everything—when captured by Smith's brilliant gaze—feels fresh and relevant. Perfectly paced and utterly original, *Grand Union* highlights the wonders Zadie Smith can do.

Unstuff Your Life!

An insightful guide to understanding clutter--why it takes over and what to do about it--is written by a professional organizer and psychotherapist.

I'm Just a Person

The Literate Person's Guide to Naming a Cat

A professional organizer and life coach shows readers how to kick the clutter habit with his complete how-to guide to total organization. Arguably the most organized man in America, sought-after coach Andrew J. Mellen has created unique, lasting techniques for streamlined living, bringing order out of chaos for the chronically overwhelmed everywhere. Acknowledging that it's often the "stuff behind the stuff" that holds people back, Mellen offers a surprisingly simple, yet effective solution in his step-by-step guide, guaranteed to help achieve organizational bliss for everyone from perpetual key-misplacers to hard-core hoarders. From basement to bedroom, kitchen to car, and into every corner of life, Mellen's system yields lasting results. Discover how to: Never lose your keys or wallet again Stop mail, magazine, and paper pileups for good Feel empowered to tackle bills and budgets Reclaim space and time once dominated by clutter Built on the principle that we must distinguish ourselves from our possessions, *Unstuff Your Life!* starts with truly achievable goals and works toward the nightmare projects everyone tries hard to avoid. With humor, honesty, tough love, and foolproof advice, Mellen makes it easy to finally let go and embrace the decluttered life.

Flaubert in the Ruins of Paris

Clear a path to the life you want with this bestselling motivational journal by the professional organizer and host of HGTV's *Hot Mess House!* Even for the most organized among us, messes find their way into our homes and lives—and sometimes we can't seem to find the strength or time to tackle them. In this self-help journal, she guides you through favorite tips and tricks that she used to declutter her home and find her way to a

more organized and peaceful life. With pages and pages of decluttering and organizational tools, including supporting prompts and writing exercises, this interactive journal is designed to help you declutter your home and life through mindfulness and self-motivation. Learn how to navigate the chaos of clutter by taking the time to understand yourself and the underlying meaning behind your clutter. Filled with inspiration and open-ended questions, The Declutter Challenge helps you work through both the emotional and the physical clutter in your life. Explore your thoughts and feelings about your belongings—and discover the knowledge and strength to let go of excess.

Universe Down to Earth

A NEW YORK TIMES NOTABLE BOOK OF 2017 From the author of the viral New York Times op-ed column "To Siri with Love" comes a collection of touching, hilarious, and illuminating stories about life with a thirteen-year-old boy with autism that hold insights and revelations for us all. When Judith Newman shared the story of how Apple's electronic personal assistant, Siri, helped Gus, her son who has autism, she received widespread media attention and an outpouring of affection from readers around the world. Basking in the afterglow of media attention, Gus told anyone who would listen, "I'm a movie star." Judith's story of her son and his bond with Siri was an unusual tribute to technology. While many worry that our electronic gadgets are dumbing us down, she revealed how they can give voice to others, including children with autism like Gus—a boy who has trouble looking people in the eye, hops when he's happy, and connects with inanimate objects on an empathetic level. To Siri with Love is a collection of funny, poignant, and uplifting stories about living with an extraordinary child who has helped a parent see and experience the world differently. From the charming (Gus weeping with sympathy over the buses that would lie unused while the bus drivers were on strike) to the painful (paying \$22,000 for a behaviorist in Manhattan to teach Gus to use a urinal) to the humorous (Gus's insistence on getting naked during all meals, whether at home or not, because he does not want to get his clothes dirty) to the profound (how an automated "assistant" helped a boy learn how to communicate with the rest of the world), the stories in To Siri with Love open our eyes to the magic and challenges of a life beyond the ordinary.

Your Life Isn't for You

The eagerly anticipated follow-up to My Life Next Door is a magnetic, push-me-pull-me summer romance for fans of Sarah Dessen and Jenny Han. Gwen Castle's Biggest Mistake Ever, Cassidy Somers, is slumming it as a yard boy on her idyllic Nantucket-esque island this summer. He's a rich kid from across the bridge in Stony Bay, and she hails from a family of fishermen and housecleaners who keep the island's summer people happy. Gwen worries a life of cleaning houses will be her fate too, but just when it looks like she'll never escape her past--or the island--Gwen's dad gives her some shocking advice. Sparks fly and secret histories unspool as Gwen spends a gorgeous, restless summer struggling to resolve what she thought was true--about the place she lives, the people she loves, and even herself--with what really is. Huntley Fitzpatrick delivers another enticing summer read full of expectation and regret, humor and hard questions, and a romance that will make every reader swoon.

An Intelligent Person's Guide to Modern Ireland

"Oh, yes, coming out is such a farce nowadays, you know. One really plays around so much before one is seventeen, that it's positively anticlimax."

Young People's Guide to Classical Music

One of America's most original comedic voices delivers a darkly funny, wryly observed, and emotionally raw account of her year of death, cancer, and epiphany. In the span of four months in 2012, Tig Notaro was hospitalized for a debilitating intestinal disease called C. diff, her mother unexpectedly died, she went through a breakup, and then she was diagnosed with bilateral breast cancer. Hit with this devastating barrage, Tig took her grief onstage. Days after receiving her cancer diagnosis, she broke new comedic ground, opening an unvarnished set with the words: "Good evening. Hello. I have cancer. How are you? Hi, how are you? Is everybody having a good time? I have cancer." The set went viral instantly and was ultimately released as Tig's sophomore album, *Live*, which sold one hundred thousand units in just six weeks and was later nominated for a Grammy. Now, the wildly popular star takes stock of that no good, very bad year—a difficult yet astonishing period in which tragedy turned into absurdity and despair transformed into joy. An inspired combination of the deadpan silliness of her comedy and the open-hearted vulnerability that has emerged in the wake of that dire time, *I'm Just a Person* is a moving and often hilarious look at this very brave, very funny woman's journey into the darkness and her thrilling return from it.

Making Peace with the Things in Your Life

What if you could live each day with joy and purpose? Join beloved author Deacon Greg Kandra as he uncovers the rich treasury of Scripture and Tradition to discover just how to live an extraordinary life starting today! "Deacon Greg Kandra leaves us feeling that an extraordinary life is within grasp if we just pay a bit closer attention to God and our neighbor." — Greg Erlandson, director and editor-in-chief, Catholic News Service "How can I love God and love my neighbor? The truth is that I'm often too distracted by the busyness of life to put it into practice. Deacon Greg Kandra gives me practical steps to follow and reminds me that even I can lead an extraordinary life." — Gary Zimak, bestselling author, speaker, and radio host

The Guide to Nature

The HGTV host's bestselling guide to creating a Pinterest-worthy home in just 15 minutes a day—and on a budget. Organizational expert Cassandra 'Cas' Aarssen, the guru from YouTube's ClutterBug channel, reveals her tips, tricks and secrets to a clean and clutter-free home in just fifteen minutes a day. Cas spends her time organizing other people's homes, teaching college workshops on organization, and creating weekly videos and blog posts. In this book, she walks you through the steps to creating a beautiful, storage-smart, clutter free, and (almost!) self-cleaning home. You don't have to get rid of all of your things, be a yoga loving minimalist, or radically change your lifestyle or personality. The truth is you don't need to actually be an organized person to live like an organized person—former slob Cas is proof of that. After you've read *Real Life Organizing*, you too will be able to live a more organized life without having to give up your sanity. Learn how to:

- Create a Household Management Binder
- Make a "Kids Cupboard" in your kitchen
- Create an IN/OUT system
- Organize paperwork based on your unique style
- Carry out a painless purge
- Create a Kitchen Command Center
- Organize your holidays with a gift closet
- Build a great toy organizing system
- Stop wasting time hunting for lost items, and more

An Intelligent Person's Guide to Fascism

An illustrated collection of eighty-seven fanciful, punning cat names based on historic and literary figures, who are also described.

The Life-Changing Magic of Tidying Up

"This isn't another Kondo-clone, because she dives into the heart of why decluttering is so difficult."— Booklist, STARRED Review Discover the freedom of a beautiful home, personal purpose, and joyful inner confidence Decluttering expert Tracy McCubbin offers revolutionary help to anyone who has repeatedly tried to break their clutter's mysterious hold.
