happiness secrets that are backed by scientific findings. The problem is that all of this science is done by and for cis white men. And some of the most vocal of these happiness experts were announcing that women could become happier by espousing "traditional" values and eschewing feminism. Skeptical of this hypothesis, Ariel Gore took a deep dive into the optimism industrial complex, reading the history, combing the research, attending the conferences, interviewing the thought leaders, and exploring her own and her friends' personal experiences and desires. *Fuck Happiness* is a nuanced, thoughtful examination of what happiness means and to whom, how it's played a role in defining modern gender roles and power structures, and how we can all have a more empowered relationship with the pursuit of joy in our lives.

An inspirational quote is on each page of this blank lined journal. The same question is asked on each page to ensure that you focus on building momentum. You don't need to accomplish everything you just need to accomplish one task per day. You are the hero to your own story. Our goal is to cheer you on as you make your way through life. This journal with a quote on the cover is our first step in cheering you on. Take those chances, attempt the impossible, and don't you ever give up! You are more than your current life circumstances and you can only go up from here! Journaling is a great way to record your progress. You can write down your goals and work your way backward to see how you can achieve the goal. You might even just need some inspiration to help you get started with that story you want to tell, or even create that one hit that will make you a star. Whatever your dream is, you can achieve it through consistent effort! Baby steps add up so please do not get discouraged when you don't see results. Keep going and know that one day you will make it! If you like what you see, please purchase this journal. Once you make it you can look back on your life and tear up as you remember your early stages. You can do this!
