Salute to Adventurers

“ The finest work of fiction by any American writer No American novel comes closer than Gatsby to surpassing literary artistry, and none tells us more about ourselves ” THE WASHINGTON POST
“ A curious book, a mystical, glamorous story that's both boisterous and tragic ” THE NEW YORK TIMES “ Fantastic proof that chivalry, of a sort, is not dead ” LIFE MAGAZINE It's the Roaring Twenties, and New York City is the place to be. Everything can be purchased, everyone can be bought. But, can you make money erase your past? It's the Roaring Twenties, and it is the time of over-indulgence. As far as the eyes can see and the mind can perceive, there are ostentatious displays of wealth and even more lavish displays of decadency. Unapologetic decadency. But, does it ever stop? It's the Roaring Twenties, and the great American Dream has been perverted. It no longer stands for anything profound that resonates with people. But, does the Idealism even attempt to stop the Materialism? As more and more people lose themselves to the lure of money, ironically the only person who remains unaffected is Jay Gatsby, the enigmatic host of the most extravagant parties... In this definitive tale on American culture, Fitzgerald pits a chaste dream against the corrupting influences of wealth and comes up with an epic story that can only be defined as ‘ A Great American novel ’ .

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, *Infinite Jest* explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, *Infinite Jest* bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction Edgy, accurate, and darkly witty Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, *The Atlantic*

Yeats, The Man And The Masks

Based on his 19 years teaching physical education and coaching youth sports, Bailey assembles 158 games tested and approved by children that help build the skills they will use in more formal sports. Arranging them by increasing age group with sports such as football and basketball, he identifies skills, equipment, setup, how to play, and scoring. The play is also illustrated with line drawings. “ The book helps fill in the picture of a complex and fascinating man indispensable for the serious study of the subject. ” —Edmund Wilson, *The New Yorker* The most influential poet of his age, Yeats eluded the grasp of many who sought to explain him. In this classic critical examination of the poet, Richard Ellmann strips away the masks of his subject: occultist, senator of the Irish Free State, libidinous old man, and Nobel Prize winner.

The Ultimate Book of Optical Illusions

President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America ’ s foremost deal-maker. “ I like thinking big. I always have. To me it ’ s very simple: If you ’ re going to be thinking anyway, you might as well think big. ” —Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker ’ s art. And throughout, Trump talks—really

talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal “ Trump makes one believe for a moment in the American dream again. ” —The New York Times “ Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet. ” —Chicago Tribune “ Fascinating . . . wholly absorbing . . . conveys Trump ’ s larger-than-life demeanor so vibrantly that the reader ’ s attention is instantly and fully claimed. ” —Boston Herald “ A chatty, generous, chutzpa-filled autobiography. ” —New York Post
